Dear Bruin Community:

Welcome back (or welcome to) Capital High School! Please be sure to take time to review the list of activities, schedules, and expectations contained in this guide to help ensure your success this year. For those of you who have been involved in activities - keep it up! For those of you who have not participated in clubs/activities - make it a priority this year!

We will continue to focus on making certain that all graduates are both college and career ready. To help meet such a lofty goal, we will continue to use the PLC (Professional Learning Community) process where staff collaboration will equate to a focus on student learning in light of the Montana State Standards. PLC time will occur once again each Monday afternoon this year, meaning that all students will be released early. In our district, we have been closely tracking ACT data as it coincides with the implementation of the PLC model of professional development. As a matter of fact, both state and national ACT leaders are also paying attention to data coming out of 100 Valley Drive in Helena, MT.

CHS is home to a hard-working and caring staff. Likewise, CHS is fortunate to have hard-working students who want to excel both inside and outside the confines of the classroom. This past summer, CHS was awarded with MBI “Platinum” status once again. We are one of the few (perhaps only!) AA high schools in the status to reach such a level. Such a designation is due to great students who follow the “Capital Code” of “Be Respectful, Be Responsible, Be a Graduate.” This is an exciting time to be a part of Capital High School- take advantage of all of the opportunities found here. It is a great day to be a Bruin!

Respectfully,

Brett Zanto

2019-2020 Capital High School Student Parent Handbook
INTRODUCTION

If you are new to our school, WELCOME! If you are returning, we’re glad you are back.

This High School Student/Parent Handbook contains information that students and parents are likely to need during the 2018-2019 school year.

The handbook is organized alphabetically under each major topic:

~School Site Specific Information ~Student Rights, Policies, and Procedures
~General Information ~Student Responsibilities and Conduct Codes
~Academic Information ~Other Policies, Information, Guidelines.
~Extra and Co-Curricular Activities

Throughout the handbook, the term the student’s parent is used to refer to the parents, legal guardian, or other person who has agreed to assume school-related responsibility for a student; the term Superintendent is used to refer to the Superintendent or his/her designee; the term principal is used to refer to the principal or his/her designee.

This Student/Parent Handbook is designed to align with Helena Board of Trustees policy. Please be aware that this document is updated annually, while policy adoption and revision are ongoing processes. Therefore, any changes in policy that affect student handbook provisions will be made available to students and parents through newsletters, the District website and/or other communications. These changes will generally supersede provisions found in this handbook that have been made obsolete by newly adopted policy.

Please note that references to policy codes are included to help parents confirm current policy. The District's Board Policies are available at http://helenaschools.org/board-of-trustees/policies/.

In case of conflict between Board policy and any provisions of student handbooks, the provisions of Board policy that were most recently adopted by the Board are to be followed.
## GENERAL INFORMATION:

<table>
<thead>
<tr>
<th>Access to Students during School Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>The District recognizes its responsibility for the proper care of students during school hours as a result non-school personnel shall not have access to students during the instructional day except as permitted by See: Board Policy 3045 - Access to and Release of a Student during School Hours.</td>
</tr>
</tbody>
</table>

All contact between the school and the police department or social service workers on matters involving students shall be made through the administrative office. The District encourages police and social service workers to talk to a student away from the school. Law enforcement should only be allowed to conduct an interview in the school if they can show special circumstances exist or if the interview is at the request of a school official. Law enforcement must comply with all legal requirements regarding notification of parents and consent prior to interviewing students. In the event the student’s parent cannot be present, a school official shall observe the meeting.

Social service workers may be permitted to interview students at school pursuant to Montana law. In the event the social worker declines to notify the parent, a school official may observe the meeting.

If the police have a warrant or probable cause for the student’s arrest, they must be permitted to arrest the student; however, whenever possible, the arrest should be conducted in the principal’s office out of view of other students. A social worker may take custody of a student upon presentation to the District of a court order granting the social worker such power, or under the provisions of § 41-3-301, MCA.

A student may be released to a custodial parent during the instructional day. When in doubt as to custodial rights, the District will rely on the most recent information available in the student’s records. The District will not release a student to a non-custodial parent without contacting the custodial parent. Prior written permission from the custodial parent is required before releasing a student into the custody of a previously unauthorized adult, unless an emergency situation justifies a waiver.

<table>
<thead>
<tr>
<th>Annual Asbestos Notification</th>
</tr>
</thead>
<tbody>
<tr>
<td>In the past, asbestos was used extensively in building materials because of its insulating, sound absorbing, and fire retarding capabilities. All Helena School District buildings constructed before the late 1970s contain some level of asbestos. Intact and undisturbed asbestos materials generally do not pose a health risk. Asbestos materials, however, can become hazardous when, due to damage or deterioration over time, they release fibers. If the fibers are inhaled, they can lead to health problems, since as cancer and asbestosis.</td>
</tr>
</tbody>
</table>

In 1986, Congress passed the Asbestos Hazard Emergency Response Act (AHERA) which requires schools to be inspected to identify any asbestos containing building materials. Suspected asbestos-containing building materials are located, sampled (or assumed) and rated according to condition and potential hazard. Every three years, Helena Public School District has conducted a reinspection to determine whether the condition of the known or assumed asbestos containing building materials (ACBM) has changed and to make recommendations on managing or removing the ACBM. At the last reinspection conducted during August 2017 all materials listed in the Management Plan as asbestos containing (or assumed to be asbestos-containing) were inspected and recertified.

The law further requires an asbestos management plan to be in place by July 1989. Helena Public School District has developed a plan, as required, which has been continually updated. The plan has several ongoing requirements: publish a notification on management plan availability and the status of asbestos
activities; educate and train its employees about asbestos and how to deal with it; notify short-term or temporary workers on the locations of the asbestos containing building materials; post warning labels in routine maintenance areas where asbestos was previously identified or assumed; follow set plans and procedures designed to minimize the disturbance of asbestos containing building materials; and survey the condition of these materials every six months to assure that they remain in good condition.

Since the Fall of 2016 asbestos containing building materials have been removed, encapsulated, or enclosed in the following buildings: Helena High School, C. R. Anderson Middle School, Helena Middle School, Hawthorne Elementary School, Rossiter Elementary School, Four Georgians Elementary School, Warren Elementary School, Broadwater Elementary School, Smith Elementary School, old Central Elementary School, old Bryant Elementary School and old Jim Darcy Elementary School During the next year, we plan to continue asbestos abatement across the District.

It is the intention of Helena Public School District to comply with all federal and state regulations controlling asbestos and to take whatever steps are necessary to ensure students and employees a healthy and safe environment in which to learn and work. You are welcome to review a copy of the asbestos management plan at the District Facility office at 1201 Boulder Ave during regular business hours. The Facilities Director is the District’s designed asbestos program coordinator, and all inquiries regarding the asbestos plan and asbestos-related issues should be directed to the Facilities Director at 324.2003.

### Attendance

The philosophy of the Helena Public Schools is that regular school attendance is essential for all students, and that schools will work cooperatively with students and parents toward that end.

It is the responsibility of all students to maintain prompt, regular attendance in all classes in which he or she is officially enrolled. Students need to be familiar with the procedures describing absences, tardies, and make-up work outlined in the “Student Responsibilities and Code of Conduct” section of this handbook.

A telephone call, a written note or electronic communication from a parent is necessary when a student is absent or late for any reason. Notes shall be given to the attendance secretary, and teachers shall be given a list of students to be admitted. (See: Board Policy 3015 – Attendance and Truancy)

The District has implemented an automated attendance notification system. Parents of students with an unverified absence or absences will be notified by the automated system via voice and email. Parents will be asked to contact the school and verify their student’s absence.

If you are going to be absent please notify the Attendance Office at least 24 hours and prior to the date of absence. If you are unable to notify in person you can call the Capital High Attendance Office at 324-2499.

2019-2020 Capital High School Student Parent Handbook 15
Students living in the named attendance area are assigned to attend the high school listed above.

1. Any student whose family moves to a neighborhood outside the designated school attendance area or who wishes to enroll in a school outside the designated attendance area must obtain a boundary exception form from the home school.

2. If the student is involved in activities governed by the Montana High School Association he or she must move within six months of the parental relocation to maintain eligibility. If the student is not involved in activities under the jurisdiction of the MHSA, that student may finish the school year in the presently enrolled school before transferring. Any student who changes schools in the district who is involved in activities governed by the MHSA must meet eligibility requirements established by the MHSA.

3. Transfers will be allowed at semester breaks only.

**Boundary Exceptions**

These will be considered prior to the opening day of the school year and prior to the start of the second semester. All students requesting a boundary exception must complete a boundary exception form. All 9 – 12 grade students who are requesting exceptions should initially register in the assigned attendance area.

**Bus Services**

Helena Public Schools has elected to provide student transportation services as allowed by the Montana Codes Annotated (MCA 20-10-121). The District's Transportation Department strives to provide safe, reliable and professional transportation services to its students. The primary mode of transportation offered is on school busses that are operated by First Student, a private vendor under a contract managed by the District's Transportation Department. This section of the Student Handbook is designed to provide an overview and reference information for the bus services offered. For information regarding bus behavior conduct guidelines and consequences please refer to the section of the handbook entitled “Student Responsibility and Codes of Conduct – Section 9.0”. Do not hesitate to contact the District's Transportation Department if you have questions or require additional information. Our contact information is:

Bussing eligibility walk zone information may be reviewed on the district’s website (https://helenaschools.org/departments/transportation/)

2. Has an Individual Education Plan (IEP – Special Needs) that includes transportation as a related service in the IEP.

As defined by MCA 20-10-101(5) 2015:

(a) a district's conveyance of a pupil by a school bus between the pupil's legal residence or an officially designated bus stop and the school designated by the trustees for the pupil's attendance; or

(b) "individual transportation" by which a district is relieved of actually conveying a pupil. Individual transportation may include paying the parent or guardian for conveying the pupil, reimbursing the parent or guardian for the pupil's board and room, or providing supervised correspondence study or supervised home study.

**Inclement Weather and Bus Delays or Cancellations**

In case of severe weather or other emergencies, official information about school closings will be broadcast on the local radio stations and social media sites. If there are inclement weather delays or canceled bus routes, information will be announced on media outlets through the May Butler Administration Office.

**Bus Registration**

Bus registration should be completed online each school year. Students are not rolled over from one year to the next. The form is available online at: https://helenaschools.org/departments/transportation/2019-20-school-bus-registration-2/ and can be completed anytime during the school year.
High School students who reside under the 3 mile limit and Elementary/Middle School students residing within the walk zones prepared for each K-5 and Middle School may register to ride; however eligibility is determined upon the availability of an established bus route and bus capacity. Bussing for students that do not live within the designated transportation areas shall be provided on a first come - first served basis and are only granted on a case by case basis. Please call the Transportation Department for more information.

Bus photo identification cards are strongly recommended for parents with children in kindergarten or first grade. The time/location for kindergarten and first grade student bus photo identification card pictures will be posted on the website https://helenaschools.org/departments/transportation/, Facebook (https://www.facebook.com/HSD1Transportation/) and via School Messenger.

**Guest Pass**

Students who are not registered riders may ride a bus with a registered bus student as a guest. Students will need to get a 1-day pass from the school of their attendance. Students must have a note from a guardian that states who they will be riding with, the bus number and the location of the bus stop. The note must be verified by the school and signed off by the principal or designated school official. Students who do not follow the guest pass procedures will not be allowed to ride the school bus.

**Bus Routes, Stops and Schedules**

The bus stops are created with safety taking precedence over convenience. Bus routes are developed with safety and efficiency as top priorities. Roads must be county or city maintained for busses to traverse them. The district recognizes the travel time on buses extends the day for students. The district strives to minimize the time students must ride the bus. Transfer buses are used to minimize ride times for students given the geographic locations and numbers of school sites the district operates. Bus routes, stops and schedules are approved by the Lewis and Clark County Transportation Committee in June of each year.

Students are recommended to be at the bus stops 5 minutes prior to the scheduled time of arrival. Buses can arrive up to 2 minutes prior to their scheduled-pickup time. If the bus does not arrive as scheduled (up to 15 minutes late), please call the First Student dispatcher at 227-7400. Afternoon routes may arrive early at their designated stop due to a wide range of circumstances; Monday early outs, lack of student loads, district early releases, etc. The individual students, and their parents, are responsible for the student’s behavior and conduct until the student has boarded or departed the bus.

**Parent Portal Program**

1. Parents may register for a free application to track the location of their student’s bus. This application allows parents to see if their bus is running on time.
2. All bus students will be asked to carry a bus card. This card will inform parents when their students bus stop was picked up, via push notification message.
3. If parents have any questions about Parent Portal, they should contact the Helena Public Schools Transportation Office.

**Required Parent Pickup Program**

Parents of kindergarten and first grade students are required by the Helena Public Schools Transportation Department to meet the bus in the afternoons. The program was created to ensure the safe delivery of our most vulnerable student population. A parent or a designated individual is required to escort all kindergarten and first grade students’ home. An example of a designated individual would be a grandparent, an older brother or sister, a neighbor, etc. If the individual is someone other than a parent, the parent is required to
send in an escort form designating who will be escorting their child home. Kindergarten and first grade students who are not met at their bus stop will be delivered back to the nearest school site SACC program. Parents will be contacted for pickup locations. The school district does provide an opt out letter for the program, but strongly recommends against the use of it. The escort/opt-out permission form is available online at https://helenaschools.org/departments/transportation/kindergarten-and-1st-grade/or it can be submitted manually via email or regular mail.

**Transportation of School Related and Non-School Related Items**
Contraband, weapons, flammable liquids, animals or other dangerous, objectionable or non-school related items shall not be transported on a school bus. School related items transported on the bus shall be small enough to be transported on the student’s lap, adjacent seat or under the seat of the bus. School related items that would block exit isles or extend above the back of the seat will not be transported on the school bus. If you are unsure if an item is allowed, please contact the Transportation Department **prior to the day your child plans on transporting the material or object.**

**Bus Behavior Conduct Guidelines and Consequences**
Each transported student has the right to a safe and enjoyable ride to and from school that is free from intimidation, threat or harassment. Good conduct of all transported students while waiting for the school bus and while traveling to and from school is primary for a safe and enjoyable ride for all students. The district has a video that explains transportation safe riding practices that may be viewed on the Helena School District Transportation website or will be made available upon request.

The School District has established student behavior procedures that apply to all transported students while on the school bus and while in school bus loading or unloading areas. The bus and the bus stop are extensions of the school day. Each individual student, as well as his/her parents, or guardians, is responsible for the behavior of that student while on the school bus and in school bus loading or unloading areas.

Transportation service is a privilege that is granted by the district to eligible students and their parents or guardians that is contingent upon proper behavior according to established district policies, rules and standards. A student’s eligibility to ride the school bus may be suspended or revoked for a violation of school bus safety or conduct rules and standards, or for violation of any other law or policy governing student conduct on a school bus. Revocation of a student’s bus riding privileges is not considered an exclusion, expulsion or suspension from school, however unacceptable conduct on the school bus may result in suspension or expulsion from school. It shall be the responsibility of the parent or guardian to transport students to and from school when bus riding privileges are revoked. The district will not provide alternative transportation to a student whose transportation privileges have been suspended or revoked. (*Decisions regarding special education students will take into account related disabilities and individual education requirements pertaining to transportation).

Suspension or expulsion from school may also result in suspension from district sponsored transportation services.

It is important to note that students may also be suspended or expelled from riding any district sponsored transportation services for conduct violations occurring on school district busses even if they are still being allowed to attend school.
Corrective Disciplinary Action

Minimum Corrective Action: Driver identifies the unacceptable behavior and informs the student of the intent to complete a conduct report if the behavior continues.

Maximum Corrective Action: Unlimited transportation services suspension, school suspension, expulsion, and/or police notification.

Bus Re-Entry Program
Students who are suspended from the bus may be required to successfully complete a transportation re-entry program.

Bus Seatbelt Procedures
It is the goal of the Helena Public Schools Transportation Dept. to provide the safest student transportation system available. The District requires that all students riding the school district buses comply with state law regarding the use of seatbelts. **Students 6 years old or younger that are less than 60 pounds are required to utilize child seats and wear 5 point safety harnesses.** Students who may require assistance in using seatbelts should ask the bus driver for help so that all students are safely belted in their seat before the bus is put in motion. Drivers will announce prior to the bus leaving that each student needs to be in their assigned seat and seatbelts fastened. Students refusing to use seatbelts in a legal and safe manner will be subject to school district disciplinary actions. Repeated refusal to wear seatbelts will result in suspended riding privileges from the bus.

Helena Public Schools Transportation Video And Audio
All buses are equipped with audio and video capabilities. The school district will only retain approximately 2 weeks audio and video storage history. The Helena School District does not guarantee the working operation of the surveillance system and therefore cannot guarantee the storage of up to 2 weeks of surveillance storage. Individuals who would like to view information pertaining to their child should make an appointment with the School District Transportation Department. Copies of bus video will not be released except under the request of court ordered subpoena.

Transportation Questions
Parents having any questions or requiring additional information are encouraged to contact the Helena School District Transportation Department at 324-2100.

Cafeteria – School Breakfast / Lunch Program
The school cafeteria is maintained as a vital part of the nutritional and health program at school. To encourage good nutrition, a well-balanced lunch is offered at a reasonable price.

Students are asked to abide by the following:
1. Deposit all lunch litter in wastebaskets.
2. Return all trays and utensils to the dishwashing area.
3. Leave table and floor clean for those who follow.
4. Please take care of all equipment and tables; there is no money to replace equipment that is vandalized.
5. Courteous conduct is expected from all students who use the cafeteria.
6. Students who misbehave or fail to abide by the above requests will be asked to eat their lunch elsewhere.
School Lunch and Breakfast
The school breakfast and lunch prices for the 2019-2020 school year are as follows:

- Breakfast (9-12) - Student - $1.45
- Lunch (9-12) - $2.80 per lunch
- Milk - $0.50 per half pint
- Adult Breakfast - $2.50 per breakfast
- Adult Lunch - $3.75 per lunch

High Schools offer the "Taste 4" meal program. This program features entrees from around the globe, and a variety of fresh made sauces to mix and add flavors to the meal. We have a web-based point of sale system that has many features including; family meal plans, instant updates, real time customer purchase history, a pay online purchase option and Smart Snack compliant a la cart program to offer healthy options in our off program area.

Additionally, there will be several separate stations at lunch that will include rotating menus such as the; Asian bar, taco bar, wrap bar, specialty salad bar, pasta bar, potato bar, and many others. Each of these bars will be a full service bar with all the extras at no additional cost other than just the price of a lunch. Milk, fresh fruit, fresh vegetables and salad are also included with every meal, and students can eat as many fruits and vegetables as they like from the offering bar.

Every parent/guardian may have a FREE lunch and a FREE breakfast, with their child(ren) each month during the school year. The School Food Service Program wants to encourage parents to be a part of their student’s meals so they can experience the variety of nutritious options available every day to students at school. This offer does not include special events and is not valid on special days like BBQ days or Open Houses.

The School Food Service Program purchased a "Pay On-Line Program" for your student's food service account needs. You can go to the web site, www.mymealtime.com. You will need to set up an account, with the user as yourself (not the student). You will need to know your child(ren)’s student ID number. You will be able to use a credit card to put money into your child’s accounts. All additional processing fees still apply at the time of the deposit. The new system also allows families to create “family” accounts. These accounts allow all students to pull from a single account, similar to how a joint bank account works. You will only need to add money to any of your children each time and everyone on the account can use from it. This must be done with the secretaries at any of your children’s schools.

We have a new district wide food website dedicated to informing parents about activities and foods in their child’s lunch room. Anyone can also use this site to access our “Pay On-Line Program” for their student’s food service account needs and find the monthly menu as well. If you need any help the district’s new website also has a link to this new food service site; https://helenaps.sodexomyway.com. If you want to use the pay on line portion, which is through Mealtime online, you will still need to set up an account as mentioned in the previous paragraph.

Like always if there are any questions please contact either the school office or the District Food Service Office at 324-2512 and we would be happy to help you out. If you are interested in being on any focus groups for food service this year please contact the Food Service office.

**Applications for free and reduced-priced lunches are available at each school**
Change of Residential or Mailing Address, Email Address &/or Telephone Number through PowerSchool Parent Portal.

Any change of residence or mailing address, email address or telephone number during the school year must be reported to the office immediately. The PowerSchool Parent Portal allows you to update this information. Once you enter the information, it is received by the office and confirmed.

In order to receive electronic communications from the office and teachers, please also report any changes in parent email addresses.

Discretionary Nonresident Student Attendance

The District will screen all nonresident students and consider only those who meet the criteria set forth in Board Policy 3025 – Discretionary Nonresident Student Attendance. Criteria include; the student’s academic record, disciplinary record, including truancy records, and the current student enrollment in the class in which the student would be admitted.

Students will not be admitted until records for the current or previous school have been received and evaluated. The Superintendent or designee will not admit any nonresident student who is serving a suspension or expulsion in another school district or who has been recommended for suspension or expulsion.

All resident students who become nonresident students due to a move by the students’ parents from the District may continue attendance for the semester, barring registration in another school district. At the completion of the semester, the student must apply for admission as a nonresident student if the student wishes to remain in the District.

The Board reserves the right to charge tuition for nonresident students. The Board may, in its discretion, charge or waive tuition for all students whose tuition is required to be paid by one type of entity. Unless otherwise provided by law, nonresident students are not eligible transportees for school transportation services.

Family Night

The Helena Board of Trustees has designated each Wednesday evening during the school year as Family Night.

The purpose of this evening is to allow students the opportunity to participate in family or community-based activities without scheduled conflicts from schools. In order to promote the concept, the Board requires that there be no school-sponsored activities on Wednesday night that last beyond 7:00 p.m.

Health Services

A team of registered, professional school nurses travel between schools as assigned. They are available to students, families and staff for questions, concerns, and information regarding health and safety in the school setting.

Students who have health concerns during the day are to advise their respective teachers who in turn may refer them to the school nurse/health office.
If a child has not completed the minimum vaccination series required by Montana Law, a Conditional Attendance Form (HES 103) should be completed and attached to the Certificate of immunization Form (HES-101). If the pupil has received at least one or more doses of the required vaccine(s), he/she can conditionally attend until the next dose is due. In order to remain in school, the pupil must continue to
receive all remaining doses as specified on the conditional form. If the pupil fails to complete the immunization(s) within the time period indicated, he/she must either qualify for and claim an exemption or be excluded immediately from school by the school administrator or that person's designee.

**Immunization Exemptions**

**Medical Exemption (Form No. IZ HES101A; 10/2018)**

Any student seeking to attend school is not required to have any immunizations which are medically contraindicated. A written and signed statement from a physician that an immunization is medically contraindicated will exempt the student from the immunization requirements that are deemed necessary by the physician. Chiropractors, naturopathic doctors, nurse practitioners, or physician assistants may not sign off on medical exemptions. Only a physician (MD or DO) licensed to practice medicine in any jurisdiction of the U.S. or Canada.

On the revised medical exemption form the physician will need to check if this is a contraindication or a precaution for immunizations. Then he or she will check the box that has the reasoning for the exemption. A physician may elect to submit a letter in place of the medical exemption form provided the following are included:

1. Which specific immunization(s) are contraindicated.
2. The period of time during which the immunization is contraindicated. (Permanent or Temporary exemption. If temporary, the end date must be given.)
3. A medical reasoning to why the immunization(s) are contraindicated. Medical exemptions are routinely reviewed by local and state health officials. Additional documentation supporting exemption may be required.
4. When deemed necessary by a physician, the results of immunity testing can be performed for students entering K-12. The tests must indicate serological evidence of immunity and must be performed by a CLIA approved lab.

The written medical exemption and immunity testing results must be attached to the HES-101 and placed in the student’s school record.

**Religious Exemption (Form HES-113 6/2015)**

In schools K-12 a claim of exemption from immunization requirements on religious grounds must be notarized annually and maintained on the Religious Exemption form (HES-113). The form must be provided to the school prior to each school year by the student’s parent/legal guardian, unless the student is 18 years of age or older or emancipated, the student may claim the exemption. The original copy of the religious exemption must be kept by the school as part of the student’s school record.

If a student has contracted a disease or is exposed to a disease, the student may be excluded from school by the local health officer or the state department until the excluding authority feels that there is no longer a risk of contracting or transmitting that disease.
Protocol for Registering International Students: Immunizations

The following information is provided to assist in the registration of students entering from countries outside of the United States.

- Before registering to attend a school in Helena School District #1, all students entering from countries outside of the United States must have their immunization records assessed and approved by a Public Health Nurse at the Lewis and Clark Public Health (LCPH). The Health Department is located at 1930 9th Avenue and the phone number is 457-8900.
- Approved immunization documents must be included in the school registration process.
- If a student has not completed the minimum vaccination series required by Montana Law, a Conditional Attendance Form (HES 103) should be completed by the Public Health Nurse and submitted by the parent or guardian to the school upon registration.
- Additional questions or concerns regarding the immunization status of entering students should be directed to the School Nurse assigned to each school.

Medication Policy and Procedures

Medication Policy

Students should not take medication during school hours or during school-related activities unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parents believe that it is necessary for the student to take a medication during school hours, they must request that the school dispense the medication to their child and otherwise follow the District's procedures on dispensing medication.

The Board will permit administration of medication to students in schools. A school may administer medication to any student in the school or may delegate this task pursuant to Montana law.

Administration of Medication

In special cases the school nurse, doctor, and parents may agree on a plan for administration of medication during school hours. The physician shall then be requested by the parents to prescribe duplicate bottles of said medication if it is necessary that it be taken during school hours. One bottle will be kept at school under the care of school authorities. Both bottles shall contain the name and telephone number of the pharmacy, the pupil’s identification number, the name of the prescribing physician, and the name and dosage of the drug to the given.

Prior to any medication being given at school the following conditions must be met:

   - All new medications, changes in medications, changes in dosages, changes in timing or route of administration require a new Authorization for Medicine to be Given at School form, completed and
signed by student’s parent/guardian and a new order from the HCP. An updated medication pharmacy labeled bottle may be used per school nurse’s discretion

- Authorization granted to administer prescription medication shall be valid for the current school year only and must be renewed annually.

FOR ANY NEW MEDICATION FOR A STUDENT, CHANGE IN MEDICATION, CHANGE IN DOSING, TIMING, ROUTE: CONTACT THE SCHOOL NURSE IMMEDIATELY. ***

2. Over the Counter Medications
   - Pre K- 8th grade students: A licensed health care provider must provide a written order for administration of over the counter medication and written or verbal authorization from the parent must be on file. The medication must be in the original container. Authorization granted to administer over the counter medication shall be valid for the current school year only and must be renewed annually. Expired medication will not be accepted nor administered.
   - 9th grade -12th grade students: Parents who want the school to manage over the counter medication for their high school student must complete an Authorization for Medication to be Given at School form. Authorization granted to administer over the counter medication shall be valid for the current school year only and must be renewed annually.
   - 9th grade-12th grade students may keep a small quantity of non-prescribed, parent recommended medication with them and may self-administer, according to package directions.
   - Parents may be contacted by the School Nurse if concerns arise regarding health issues, need for medication, or inappropriate use.

3. Alternative Medications
   - Alternative medications including natural remedies, herbs, vitamins, dietary supplements, homeopathic medication, essential oils, or medications from other countries will not be administered without a licensed health care provider’s authorization. Such medications must be provided to the School Nurse and be labeled by the health care provider or pharmacy with the following information: the student’s name, medication name, route, dose, time of administration and name of prescribing health care provider.

4. School District Provided Emergency Medications
   - In case of an anaphylactic reaction or risk of such a reaction, the School Nurse or delegate may administer emergency oral medication or injectable epinephrine to any student in need thereof on school grounds according to a standing order of a chief medical advisor. Prior to administration of emergency medications, designated staff members will complete training in the identification of signs and symptoms of anaphylaxis and allergic reactions and administration of emergency medications.

5. Self-Administration of Emergency Medications
   - Students with asthma, severe allergies or anaphylaxis may possess and self-administer emergency medication (epinephrine auto-injector, oral antihistamine, or asthma inhaler) during the school day, during field trips, during school-sponsored events, or while on a school bus as prescribed by a licensed health care provider.
   - If provided by the parent, guardian, or an individual who has executed a “Caretaker Relative Educational Authorization Affidavit”, and in accordance with documents provided by the student’s health care provider, medication for asthma, severe allergy, or anaphylaxis medication may be kept by the student and backup medication may be kept at a student’s school in a predetermined locations or locations to which the student has access in the event of an asthma, severe allergy, or anaphylaxis emergency.
Immediately after using epinephrine during school hours, a student shall report to the School Nurse or other adult at the school who shall provide follow-up care, including making a 9-1-1 emergency call.

Authorization granted to a student to possess and self-administer medication for asthma, severe allergies or anaphylaxis episodes shall be valid for the current school year only and must be renewed annually.

Parents must notify the school if their student will be self-administering medication and acknowledge and agree to the liability provisions in MCA 20-5-420, for self-administration of medication. (The form may be obtained from the district web site http://helenaschools.org/departments/health-services/ or the school nurse.

Medication Return/Disposal of Medication at the End of the Year
The parent/guardian is expected to pick up any unused, discontinued or expired medication upon notice to that parent/guardian. At the end of the school year, the parent/guardian is to pick up remaining medication. If the parent does not pick up medication after school is out, any unused or discontinued medication will be destroyed.

Allergies

The Helena School District makes every effort to decrease exposure to allergens, however we encourage parents of children with life threatening allergies to contact the School Nurse prior to the beginning of the school year to work together to develop an Allergy Action Plan.

Head Lice

Head lice are wingless insects about the size of a sesame seed. They cannot fly, jump or swim. They are passed from person to person from direct head to head contact or, very rarely, by “hitching a ride” on a comb, brush or hat. While they are an anxiety-producing nuisance they do not carry disease. Students with head lice or nits (louse eggs) will not be excluded from school as unnecessary absences directly affects school performance and a child’s opportunity to learn.

If a parent or staff member believes a student has lice, s/he can contact the School Nurse who will arrange a time to assess the student privately. If live lice or nits are found, the student will return to class and the student’s parents will be contacted with information about effective treatment options. The student may remain at school until the end of the day.

Classroom wide screenings will not be done as studies indicate that it does not decrease the incidence of head lice, is disruptive to the learning process, and a violation of privacy and confidentiality of the student and his/her family.

The Helena School District School nurses educate students regarding lice and how to avoid transmission by decreasing head to head contact and not sharing hats, combs, brushes or hair accessories. Parents can help by routinely inspecting their child’s hair for lice. If you are unsure of this process, how to identify a louse, or how to treat an infestation please contact your School Nurse.

For a step-by-step guide for managing head lice at home, refer to:
Health Screenings

Hearing - School Nurses and School Speech and Language Pathologists will screen students in grades K, 1, and 9 using an audiometer. Students in other grades may be screened upon referral or if they have a monitor status. The regional Audiologist will consult with the School Nurses regarding referrals and further management.

**Vision** – School Nurses will screen students in grades K, 1, 3, 5, 8, students new to Helena School District without screening documentation, students who are referred, and students who are being monitored.

**Scoliosis** – Girls in grades 5 and 7 and boys in grade 8 are screened by the School Nurses for scoliosis. Scoliosis is a side to side curvature of the spine. This often may be detected during a child’s growth spur.

**Oral Health** – Students in grades 1 and 3 are screened by local dentists who volunteer to provide a visual inspection. The School Nurse coordinates the program in each elementary school.

**Methods for screening may include checklists, observations, and formal instruments as indicated**

**Parents are notified of any unusual performance or failed screening. Students may be referred for further evaluation by a health care provider.**

In-District Student Transfers

Boundary lines set by the Board of Trustees shall be observed unless an exception is granted through guidelines established by the Superintendent.

Parents requesting a transfer must complete the “Parent Request Form for K-12 Student In-District Transfer”. The form must be submitted to the principal of the school serving the area where the family resides. The principal of the school where the student resides will review the student’s records (including but not limited to; grades, academics, and behavior) and will approve or deny the request, make comments and route the form to the principal of the requested school for consideration and approval or denial. If there is a disagreement between principals regarding the request, an explanation will be sent along with the parent’s copy of this request to the Central Administration Office. The Central Administration Office will consider the request, gather further information and render a decision. A copy of the transfer request indicating the final decision will be sent to the parent and the schools. Forms may be picked up at any school office.

Transportation to and from school is the parent’s responsibility.

Montana Department of Justice Violent & Sexual Offenders Registry

The Montana Department of Justice maintains a Sexual or Violent Offenders Registry that can be reviewed online at ([http://www.doj.mt.gov/svor/](http://www.doj.mt.gov/svor/)). This website provides the last known residences for these individuals and supplemental information regarding the nature and dates of the crime(s) that caused them to be listed in this registry.
While the district does not track or monitor the individuals that may reside in the vicinity of schools or bus stops, it is our intent to make you aware that this registry information is available to the public. The Montana Department of Justice also provides on-line guidance and educational materials for both Parents and Educators on their website and we encourage parents and guardians to review this information and familiarize themselves with the resources that are available to help address these situations.

**Parent, Student, Community and School Engagement**

The Helena Board of Trustees and employees believe that meaningful engagement of students, parents, families and the community in our schools contributes to the success of all students. The Helena Board of Trustees and employees further believe that sustained engagement throughout all levels of school ensures a lasting and positive impact on lifelong student achievement and attitudes about learning.

The Helena School District commits to building partnerships by conducting outreach, supporting multidirectional communications, encouraging participation in each school’s improvement planning process, and creating opportunities to volunteer and collaborate at all levels in support of student achievement. (See Volunteer Registration Form in this section).

**Parking & Parking Lot Rules**

Students wishing to park their vehicles on school property must obtain a Capital High School parking permit. Applications for parking permits are available in the front office and online. Permits are $5.00. Permits are transferable only to the vehicles listed on the application form. Students must park properly in the parking lot to ensure the lot remains safe and the maximum numbers of spaces are available for vehicles. Students who park improperly will first receive a warning and the next three subsequent violations will each result in a fine. **School property extends beyond the fenced area west of the campus.**

Students who fail to follow parking lot rules or fail to drive appropriately may lose the privilege of parking on school property.

The requirements for parking in any student parking lot at school include: permit required, permit must be visible, and cars must be parked forward in the parking spot – no backing into a parking spot is allowed. Students are not to park in the faculty parking lot or visitors, parking lot. Students may ONLY park in the west student lot unless otherwise authorized by CHS administration. Other violations which will result in a ticket include but are not limited to; vehicle is not registered, vehicle is parked in a no parking zone or handicapped zone, and blocking fire or emergency lanes.

**Signing of Passes for Students Late to Class**

Passes are to be signed by a building administrator should a student be detained by another teacher. Students called into the guidance and counseling center will have their passes signed by a counselor or by an administrator. Students called to the office for attendance, phone calls, emergencies, etc., will have their passes signed by an office secretary or an administrator.

Students leaving the classroom for any reason must have a signed teacher pass. If a student is in the hall without a pass, s/he will be taken to the office, the issue will be discussed and determination will be made if an unexcused absence will be recorded, and the student will be taken back to the appropriate class.
If a student is having a physical or emotional problem, which has resulted in missing a part of a class, s/he should report to the office, nurse or counselors, as soon as possible, to avoid an unexcused absence.

There will be no interruption of a class by a student unless written permission from an administrator is obtained.

**Staff Phone Numbers and Email Addresses**

Phone numbers and email addresses of all staff can be found on the District web site. The information for Capital High staff can be found at this web address: [http://chs.helenaschools.org/contact/staff-directory](http://chs.helenaschools.org/contact/staff-directory)

**Student Use of Buildings**

Non-curriculum-related secondary school student organizations may conduct meetings on school premises without intervention on the basis of the religious, political, philosophical, or other content of the meeting. If the meeting is student-initiated and not a part of a school sponsored activity, it must be conducted according to the following guidelines:

- The meeting is voluntary, and student initiated;
- There is no sponsorship of the meeting by the school, the government, or its agents or employees;
- The meeting must occur during non-instructional time on regular school days;
- Employees or agents of the school or government are present only in a non-participatory capacity;
- The meeting does not materially and substantially interfere with the orderly conduct of educational activities within the school; and
- Non-school persons may not direct, conduct, control, or regularly attend activities.

Although the school assumes no sponsorship of these kinds of meetings, all meetings held on school premises must be scheduled and approved by the Principal. See: Board Policy 3105 – Student Use of Buildings – Equal Access.

**Vending Machines**

Vending machines are available for student use before school, noon break and after school. At no time will teachers issue a pass to students for the purposes of leaving class and using these machines. Further, students are not to ask for a pass to leave class and access the machines or go to the machines during the school day. Failure to abide by these guidelines will result in these machines being turned off and/or removed.

**Visitors to the Schools**

The District encourages visits to all District buildings by Board members, parents, citizens, and taxpayers at appropriate times within the discretion of building administration.

All visitors shall check-in at the school’s main office for purposes of safety, security, and assistance.

If a conference with a teacher is desired the District requests that an appointment be made in advance. Conferences with teachers need to be scheduled outside school hours or during the teacher’s preparation period. See: Board Policy 4020 – Visitors to the school

Acceptance of Transfer Credits

Helena Public Schools generally accept transfer credits from other accredited schools and institutions. Transfer credits from schools and institutions accredited by the Montana Office of Public Instruction, the Northwest Accrediting Association, or similar US accrediting agency, Department of Defense Schools, or schools accredited by the appropriate State Department of Public Instruction of the respective state will be accepted. Correspondence and online credit will be accepted from schools and institutions accredited by the Northwest Association or similar accrediting agency.

Credits from non-accredited schools are subject to review and evaluation by the principal or principal’s designee. Acceptance of transfer credits from non-accredited schools is not guaranteed.

Alternative Assignments

Adopted curriculum is determined through a systematic process, which culminates with the approval by the Board of Trustees. The adoption of curricular materials that align with Montana State Standards and district curriculum is approved by the Superintendent.

The Board recognizes the right of an individual parent or guardian to request that his or her child not read or view specific curriculum materials.

The Board further recognizes that significant instructional preparation is necessary to align curricular activities and assignments with state and local standards and learner outcomes.

To ensure that all parents, guardians, and students are informed about course expectations classroom teachers are to develop a course syllabus that includes an overview of the course and an estimated timeline that identifies when course content will be covered during the semester. In addition to the use of the textbooks, the syllabus should include any supplemental materials to be used during the course. The course syllabus is to be distributed to students during the first week of the course and to new students as soon as they are enrolled in the course.

The following procedure for requesting an alternative assignment will govern when an individual parent or guardian requests that his or her child be excused from a curricular assignment. “Alternative Curricular Assignment Request” forms are available in the School Office and the School Library.

1. A parent or guardian with a concern about curricular materials should first discuss the matter with the classroom teacher with the objective of resolving the matter promptly and informally.
2. If after the informal meeting the parent or guardian wishes to initiate a formal written request for an alternative assignment, they must complete and submit the “Alternative Curricular Assignment Request Form” to the building principal. If a parent/guardian seeks an alternative assignment for a classroom novel, film, unit, etc., the request must be received as early as possible in the course and prior to the time when his or her student will begin reading the book. This advance notification will allow time for the teacher to identify a comparable assignment that meets the original learner outcomes if possible.
3. The building principal will review the request and will send a copy to the District Curriculum Administrator. The principal will schedule a meeting with the parent/guardian and the classroom teacher to discuss the request and determine if a resolution can be reached.
4. If parent/guardian or teacher is not satisfied, he or she may appeal the building principal’s decision to the District Curriculum Administrator.

5. The District Curriculum Administrator will review the request, and seek input from the teacher, the building principal, the parent/guardian, and the building or grade level department chairs and will render a decision.

6. If either parent/guardian or the teacher is not satisfied with the District Curriculum Administrator’s decision, the decision may be appealed to the Superintendent who shall consult with the parties involved.

7. The Superintendent will render a decision, which shall be final.

### Book Challenge

The Board of Trustees, although it is ultimately responsible for all instructional and library material, recognizes the right of students to free access to many different types of books and resources. The Board also recognizes the right of teachers, librarians and administrators to select books and other materials in accordance with the adopted curriculum, current trends in education, and student and staff needs, and to make them available in schools and libraries.

Therefore, books and other resources will be chosen for value of interest and enlightenment of all students in the school community. A book or other resource will not be excluded because of the race, nationality, political, or religious values of the writer or of the material's style and language. Every effort will be made to provide materials that present all points of view concerning the international, national, and local problems and issues of our times. Books and other resources of sound factual authority will not be proscribed or removed from library shelves or classrooms because of partisan doctrinal approval or disapproval.

Censorship of books and other materials will be challenged in order to maintain the school’s responsibility to provide information and enlightenment. Accordingly, the Board will deal with censorship of books or other materials as follows:

- The final decision on controversial materials rests with the Board after the established process for handling challenged materials has been exhausted/completed.
- The Board recognizes the right of an individual parent or guardian to request that his or her child not have to read a given book or view a particular media work.
- Any parent or person of legal standing who wishes to request reconsideration of the use of any book or resource in the school must make such request in writing on forms provided through building principals or school librarians.

[Administrative Procedure for the enforcement of this policy (See: Board Policy 2067 – Handling Challenged or Questioned Material) may be obtained in the Central Administration building, and each school office.]

### Change of Academic Schedule

#### Daily Schedule Change

Changes shall be made through individual counselors. Class schedules must be continued while and until the change has been finalized.

#### Withdrawal from Class

A student who is withdrawn or dropped from a subject two weeks or more after the beginning of a semester will have a WF recorded on the student’s permanent record unless under exceptional medical circumstances
a WM is necessary. Exceptional circumstances must be demonstrated before any student will be withdrawn or dropped from any class. No provision of this policy shall limit procedural due process available to any student or a student’s parent, legal guardian, or person with parental authority.

Withdrawal from School
A student withdrawing from school must:
1. Complete Pink School Departure Form
2. Must obtain a withdrawal form from the Registrar in the main office.
3. Must pay all fines & fees.

Once withdraw form is completed and turned into the Registrar, the student will be given a copy of the withdrawal/transfer form, their transcript, Immunizations and a school profile to take to their new school

Class Interruptions
There will be no interruption of a class by a student unless written permission from an administrator is obtained.

Course Fees
A student may be charged a fee for consumable supplies or maintenance and repair of equipment that is used in classes and/or courses offered for graduation credit including but not limited to career and technical education and fine arts classes. Students may also be charged a fee for field trips or facility rentals associated with classroom or school activities either within or out of the district boundaries.

If a student is to be charged a fee, both the student and parent shall be notified regarding the amount of the fee or charge.

A student may be charged reasonable tuition for activities not offered for graduation credit or for repeat courses offered for credit. These include adult education courses, drivers’ education, athletics, intramural sports, extracurricular activities, and under three-mile transportation charges.

District students who apply and are approved for either free or reduced lunches may request a waiver of applicable tuition/fees. A current school lunch application must be on file with the appropriate school in order for this waiver to be granted. Absent extenuating circumstances, only one waiver will be granted per student for drivers’ education. (See: Board Policy 3075 – Student Charges, Fines and Fees)

Education and Vocational Planning

College Entrance Exams
Students planning on attending a post-secondary institution will need to take the College Boards (SAT) and/or American College Test (ACT) for college entrance. Students are encouraged to see the counselors early to determine anticipated test dates and application information. Post secondary institutions list the required or preferred test requirement in the “Admission Requirements” section of their catalogue. Students planning to attend a military academy or ROTC programs should take the ACT or SAT in the spring or summer of their junior year.
Federal Financial Aid
Federal financial aid provides students with financial assistance based on need as established under federal, state and institutional guidelines. Total resources including student earnings and/or savings, parental contributions, social security benefits, veterans’ benefits, vocational rehabilitation, scholarships, grants, and student employment from outside sources are taken into consideration. Financial aid forms are available in December in the Guidance and Counseling Center or from the post-secondary institution you are planning on attending. Most post-secondary institutions require that forms be completed and post-marked by midnight December 1st to compete for available financial aid funds. At most schools, forms completed after December 1st will be considered only if funds are available. Information for federal financial aid forms is taken directly from parent’s income tax forms. A change going forward from the 2017-2018 school year is colleges and FAFSA are now using prior year tax information to fill out the FAFSA forms. Financial aid forms are completed each year a student attends school and wants to be considered for financial aid. Questions should be directed to the selected institution’s financial aid office or to your high school counselor.

The online application for FAFSA (federal student aid) can be found at this web site: https://fafsa.ed.gov/

Guidance / Counseling / Career Center Services
An organized program of guidance and counseling is provided for the benefit of each student. Students are assigned to a counselor upon entering Capital High and whenever possible stay with the same counselor until graduation. Students, teachers, counselors and/or parents initiate interviews and conferences each year to assist students in making educational and vocational/career plans and to help in any other area of personal concern.

School counselors fully respect the right to privacy of those with whom they enter counseling relationships. This is a professional responsibility. A counseling relationship requires an atmosphere of trust and confidence between the student / client and the counselor. A student / client has the right to privacy and to expect confidentiality. This confidentiality must not be abridged except where there is a perceived clear and present danger to the client and/or to other persons.

Montana Law mandates school district personnel to report suspected cases of abuse or neglect. In addition, Counselors are required to follow the Title 42 Confidential Federal Regulations requirement with regards to Alcohol and Drug Abuse. These can be viewed at: http://www.access.gpo.gov/nara/cfr/waisidx_02/42cfr2_02.html

Copies are also available for viewing at the school library.

Scholarships and Awards
Scholarships are awarded by community and service organizations, public or private colleges, universities, vocational-technical centers, businesses, and individuals.

Scholarship selection may be based upon one or more of the following criteria: financial need, extracurricular activities, school and/or community honors and recognition, academic records, community activities and organizations, church activities and future goals or plans.

Scholarships are advertised through special bulletins that are posted in American Government, English IV, Student Services Center and various other classrooms and sites throughout the building. Applications are available in the Student Services Center Scholarship file.
Students who want information about scholarships should read college catalogues, contact post-secondary financial aid offices, college department advisors or deans, and high school counselors. Students may pick up current scholarship information in the Student Services Centers at each high school. Students who are interested in scholarships are recommended to take the Preliminary Scholastic Aptitude/National Merit Scholarship Qualifying Test (PSAT/NMSQT) during their junior year.

**ENET – Extended Network for Education Transition**

Extended Network for Education Transition (ENET) is an alternative to traditional methods of out-of-school suspension and/or expulsion. ENET is designed to address the needs of students in grades 9 through 12. Students are to be placed by the school administration only. Students earn credit for work accomplished while at ENET.

**PEAK Gifted and Talented Program**

The Helena Public Schools gifted and talented program provides an array of comprehensive services for identified GT students (PreK-12).

Identified students receive a specialized intervention curriculum in the following curriculum areas: critical thinking, problem solving, logical reasoning, communication skills, leadership, research, technology, creativity, intrapersonal skills, and interpersonal skills. Various pullout activities are specially designed for gifted students to team with other gifted students from the district as they develop lifelong learning skills.

Specialized GT services include:

- Consultations to parents and faculty
- Identification for pull-out services through multi-factored assessments
- Weekly thematic pull-out intervention services for identified students in grades 3-5
- Twice-weekly lunch labs for identified students in grades 6-8
- Monthly intensive seminar pull-out services for identified students in grades 6-8
- Weekly meetings for identified students in grades 9-12
- Multi-day symposiums for identified students in grades 9-12
- Online classroom for identified students in grades 6-10
- Parenting initiatives: speakers’ series, discussion groups, and conferences
- Academic acceleration through a Referral Team Process
- Leadership Conference (grades 3 - high school) each spring
- College Credit opportunities for students in grades 9 – 12.

**Grades**

**Grading System**

Educators and parents alike recognize that student performance should be evaluated regularly so that appropriate steps may be taken to maintain, remedy, enrich or strengthen the student’s performance. Both the person reporting the grade and the person receiving the grade should be able to easily interpret the grade. The high schools use a grading system composed of the following grades.

For computing grade point averages the following numerical values are assigned to the letter grade:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Percentage</th>
<th>GPA Value</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>91 - 100</td>
<td>4</td>
</tr>
<tr>
<td>A-</td>
<td>90 - 90.99</td>
<td>4</td>
</tr>
</tbody>
</table>
This is a District wide grading scale used by all teachers to calculate grades for grade reporting, including course history.

- **A** - Superior; exceptional achievement
- **B** - Above average work
- **C** - Average
- **D** - Below average; barely meeting the requirements
- **F** - Failure, no credit earned
- **I** - Incomplete, no credit earned
- **W** - Withdrawal, no credit earned, not included in grade point calculation
- **WF** - Withdrawal failing; no credit earned, grade included in grade point calculation
- **WM** - Medical Withdrawal; no credit earned, not included in grade point calculation
- **NC** - No grade; no credit earned, included in grade point calculation
- **P** - Pass, credit earned, not included in grade point calculation

### Semester Grades / Quarter Grades

Semester grades are used to calculate valedictorian, salutatorian and honors status for graduation. Semester grades are also used to calculate scholar status for the Helena Education Foundation’s “Celebration of Excellence”. Quarter grades are used to calculate honor roll status.

### Transcripts - Official

A student’s transcript is an official record which records the courses taken by a student from ninth through twelfth grade. In addition to final grades the transcript also documents a student’s immunization record and, in some cases, testing information.

Students may request official transcripts at the front office to be sent within two working days of the request. Students will be given the first five transcripts free of charge. Every transcript thereafter will require payment of $1.00.

Withholding of Grades, Transcripts, Diplomas
Montana law (M.C.A. 20-5-201) allows a school district to withhold the grades, diploma, or transcripts of a pupil who is responsible for the cost of school materials or the loss or damage of school property until the pupil or the pupil’s parent or guardian satisfies the obligation.

If a student transfers to another school district in the state the receiving district will be notified of any financial obligation of the pupil and will be requested to withhold the pupil’s grades, diploma or transcripts until the obligation to the sending district is satisfied. Parents may challenge the underlying financial obligation using the District’s Uniform Complaint Procedure.

Junior, senior or foreign exchange transfer students may directly petition the Superintendent to waive Helena School District No. 1 course requirements which exceed the minimum state requirements for graduation, as outlined in Rule 10.55.905 of the Montana School Accreditation Standards.

All other students must petition the Board of Trustees to waive Helena School District No. 1 specific course requirements or total credit requirements which exceed the minimum state requirements for graduation.

The Board of Trustees or Superintendent may grant waivers based on individual student needs, hardships, aspirations, and performance levels.

Commencement
All seniors may begin plans for participation in commencement exercises if, at the beginning of the second semester senior year, they are within 5.5 credits of being able to graduate. Formal commencement exercises are conducted annually at the end of the regular school year. The ceremony is a dignified formal occasion held to honor the graduates.

Should the goals of meeting all graduation requirements not be achieved during the second semester, the student may, at the Principal’s discretion, participate in commencement exercises but would not receive a diploma until all requirements have been met. A student may not receive this consideration for the following reasons: lack of effort, attendance, or because of unacceptable behavior.

- All students are expected to follow CHS behavior standards.
- Wear appropriate clothing under your academic gown (e.g. dresses, slacks, shoes)
• Decoration of cap is allowed. Adornment of gown other than approved sashes is not allowed.

The Helena Public Schools will permit students to honor their American Indian heritage through the display of culturally significant tribal regalia at commencement ceremonies.

Prohibited items that may not be worn or incorporated into the graduation ceremony include but are not limited to; items that promote drug use, weapon use, threats of violence, sexual harassment, bullying or other intimidation, or violates a district policy, state or federal law.

The school administration will review student presentations and specific content and will advise participants about appropriate language for the audience and occasion.

See: Board Policy 2333 Participation in Commencement Exercises

Commencement Practice
Commencement practice will be conducted with all seniors participating in the graduation ceremony. It is mandatory that students attend the entire practice. Failure to do so may result in removal of the student from the official graduation ceremony. Exceptions must be approved prior to commencement practice by the principal or the principal assignee. Exceptions include family emergencies and illness. Students should plan to adjust their schedules to accommodate commencement practice. Work schedules are not considered as an exception. The graduating class of 2020 will be required to have completed all graduation requirements by the end of the 8th semester in order to participate in commencement exercises. Exceptions to this requirement may be granted by the Principal for extenuating or exceptional circumstances.

Early Graduation Requirements
Students may graduate from Capital High School with less than four (4) years of high school attendance under the following circumstances: Completion of all required course work as detailed Helena School District No. 1 Policy 2085 ~ “Graduation Requirements”. A total of 23 credits in all required subjects will be required beginning with the Class of 2020.

Once approved for early graduation, students will advance to the next appropriate grade level (if applicable) and are eligible for all accolades that are associated with the graduating class and will become a member of the official Grade Point Average and class rank list.

The request should be made no later than the first semester of the junior year and must be signed by both the student and his/her parent, for graduation after the seventh (7th) semester.
3. The counseling office will make a thorough review of the student’s credits and a conference with the student and his/her parent(s) or legal guardian(s) regarding the reasons for the request.
4. After review by the high school administration the request will be permitted or denied.

Grade Point Average (GPA) and Class Rank List

The Federal Communications Commission requires the Helena School District to allow you to opt out of receiving outreach messages to you via our automated system, School Messenger. Outreach messages can include information about schedule changes, school events, parent reminders, cancelled activities, and other non-emergency messages.

The District wants to keep you informed in multiple ways. Our system allows us to send messages to you through different mediums – phone calls, texts, emails – regarding important school information. If you do not want to receive non-emergency messages from School Messenger please copy and complete the form below and return it to your school office. You will still continue to receive emergency calls even if you do not
consent. You can also revoke your consent to receive messages from our system at any time by contacting your child’s school office.

Limited English Proficient (LEP) Students
Helena Public Schools has the responsibility under federal law to serve students who are limited English proficient and need English instructional services. The District will ensure opportunities are provided for parents to meet with building principals and teachers, provide information how parents can be involved in their child’s education, and how parents can help their child attain English proficiency and succeed in school. The District works hard to provide information to parents in a format and language that they can understand.

Each year, within 30 days of the start of the school year or the student’s enrollment if after the start, the District will notify parents of a student identified as limited English proficient of the reasons their child has so been identified, the child’s level of English proficiency and how it was assessed, the methods of instruction used in its programs and others, how its program will help their child, and when the child is expected to gain English proficiency.
The District will provide notice to parents of limited English proficient students when the child fails to make progress on annual achievement objectives within 30 days of learning of such status.

Parents seeking more information about the District’s identification of and programs for students with limited English proficiency should contact the Assistant Superintendent at 324-2004.

**Part-time Attendance**

Students in grades K-12 residing within the Helena School District and currently fulfilling their primary education requirement outside the Helena schools (through home school, and/or private school education) are eligible to enroll and participate in classes on a part-time basis. Part-time students must enroll in year-long courses prior to the opening of school and semester courses at least one week prior to the start of the semester.

Helena Public Schools offers juniors and seniors the opportunity to undertake additional academic challenges and participate in courses not offered at the high school level. The counselors’ and principal’s approval must be secured before a student may submit an application to a college or university participating in this program. Students who want their work to count toward their high school GPA calculation must have pre-approval from an administrator. The program is monitored by the Guidance and Counseling Center.

**Dual Credit**

Dual credit allows high schools students to simultaneously earn credit toward both a high school diploma and college coursework that can lead to a post-secondary degree or certificate, or toward transfer to another college. The primary purpose of offering dual credit courses is to deliver high quality, introductory, college level courses to high-performing high school students. The Helena Public Schools have dual credit partnerships with a number of Montana colleges and universities. Students interested in dual credit opportunities must meet with their building administration to determine available options. Students should be aware of Montana High School Association on-campus attendance eligibility requirements for activity participation.

**Online Courses Board Policy**

The Helena Public Schools Board of Trustees recognizes, and values quality instruction provided to students on campus by Montana licensed educators. Helena Public Schools campus-based education, serves as the primary and preferred source of instruction for most Helena students.

**Montana Digital Academy**

Freshmen, Sophomore and Junior students enrolled at Capital High School may also enroll in the Montana Digital Academy (MTDA) for one credit (year-long course) per year. Seniors enrolled at Capital High School may enroll in the Montana Digital Academy for up to two credits (two year-long courses) during their Senior year.
A maximum of 2.5 Montana Digital Academy credits may be applied to the Helena School District graduation requirement of 23 credits. Students wishing to appeal this requirement must schedule a meeting with the building principal or principal designee. Students must present their case in writing and provide rationale for their request.

Students interested in enrolling in the Montana Digital Academy must complete the MTDA enrollment form and return it to their school counselor or administrator. During the summer students can complete the form and schedule an appointment with an administrator by calling 324-2500.

Unsportsmanlike Conduct

Any student or coach ejected for unsportsmanlike conduct from an interscholastic contest by officials will not participate for the remainder of the day and will be ineligible for the next regularly scheduled or rescheduled contest/meet at that level of competition and all other games/meets in the interim at any level of competition.

A second violation will result in a four (4) competition suspension in that sport by the offending student/coach. If penalties are imposed at the end of the sport season and no contest remains, the penalty will be imposed for the first contest in that particular sport in the next school year.

Spectator Behavior and Sportsmanship

The superintendent, school board, teachers, parents and many students share concern over unacceptable fan behavior. After-school, extra-curricular and co-curricular programs are an extension of the regular school day with all school rules and regulations in effect. The school's reputation should not be placed in jeopardy because of unsportsmanlike behavior. Students and spectators who violate the guidelines will be suspended from attending games. A meeting with the administration will determine the length of suspension.

What is expected:

- Students in attendance at activities are expected to have fun by demonstrating positive enthusiasm without causing harm, danger or embarrassment to others or the school.
- Students are to follow all rules that are in effect during the school day at after school activities.
- Students are to demonstrate respect toward fellow students, opponents, players, coaches and officials.
- Students are to police their own ranks and demand proper behavior from fellow fans. Students are encouraged to follow the cheerleader's chants and yells.
- Students are expected to demonstrate respect and pride for their high school.
- During the National Anthem; students are to stand, remove their hats, and face the flag, not talk, remain still until the end of the playing of the anthem or until the flags have left the floor.
- “Shirts must be worn at all contests. No body painting, students must be fully clothed. Wear clothing appropriate for a school event. School colors are encouraged.” – MHSA
- Proper language is to be used. Do not use profanity in cheers. Trash talking, individual or group vulgarity is unacceptable as is taunting, and other verbal forms of harassment and booing of players, coaches and officials. Positive signs and cheers are encouraged. No “hand held” signs are allowed. Big flags are allowed at outdoor events only. Flags must be kept in front of the home crowd, never on the opposing side. – MHSA
- “Do not advance on to the court or playing field to protest or communicate with officials, coaches or players.” – MHSA
- No artificial noisemakers (e.g. thunder sticks, horns, etc.) are allowed at indoor events.
- Work together with cheerleaders for positive chants and yells. Our cheerleaders work hard preparing these cheers.
- Respect is the key to good sportsmanship. Opponents should be respected. They are not enemies, but fellow teenagers who happen to attend other schools. “Do not single out opposing players personally and heckle them by directing derogatory or profane statements/chants at them. Disrespectful behavior of any kind will not be tolerated.” - MHSA
- Be modest and humble in victory or defeat. It is easy to be a good winner, and difficult to show class in defeat.
• Cheer for our team not against our opponent. “Do not direct offensive cheers/chants at opposing cheering sections. No derogatory, heckling or negative signs or comments to referees, players, coaches, half-time performers or opposing fans.” – MHSA
• High school events are a family activity. Be aware that, elementary and middle school students are watching your every move and one day they will take the lead.
• Set a great example.

What Our High Schools Want Most
• A large student turnout at all school events.
• Exemplary sportsmanship from players and fans.
• To be proud of its teams and fans at contests at home and at visitor sites.

Failure to comply with these rules may result in disciplinary action to include being asked to leave the premises, loss of privileges to attend activities, legal consequences, school discipline to include detention or suspension, forfeiture of activity ticket or any combination thereof.

A student shall not be excluded, expelled, limited or otherwise discriminated against in the terms, conditions, benefits or privileges of the District educational program or activity, because of race; creed; religion; gender; marital status; color; age; physical or mental handicap or disability; or national origin, unless based upon lawful grounds, including adopted policies of the Helena Board of Trustees.

A student may not be denied participation in District education programs or any sponsored activity except for such reasons as are provided in the adopted policies of this District; student code, federal, state and county associations or governmental entities; or organizations that sponsor activities, such as the Montana High School Association.

Students have the right to attend classes and to participate in school activities without regard to marital or parental status or pregnancy.

### Student Records and Student Information: Notification of Rights under FERPA / PPRA / Recruitment

#### Family Educational Rights and Privacy Act (FERPA) & Student Records

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day Capital High School receives a request for access.

Parents or eligible students should submit to the school principal a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

Parents or eligible students who wish to ask Capital High School to amend a record should write the school principal clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law...
enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer or contractor outside of the school who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student’s enrollment or transfer.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Capital High School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

Listed below are disclosures that elementary and secondary schools may make without consent:

FERPA permits the disclosure of PII from students’ education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in 34 C.F.R. 99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the school to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A school may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student –

- To other school officials, including teachers, within the educational agency or institution whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(2) are met. (§99.31(a)(1))

- To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student’s enrollment or transfer, subject to the requirements of §99.34. (§99.31(a)(2))

- To authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency in the parent or eligible student’s State (SEA). Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal
requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§99.31(a)(3) and 99.35)

- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31(a)(4))

- To State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a State statute that concerns the juvenile justice system and the system’s ability to effectively serve, prior to adjudication, the student whose records were released, subject to §99.38. (§99.31(a)(5))

- To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction. (§99.31(a)(6))

- To accrediting organizations to carry out their accrediting functions. (§99.31(a)(7))

- To parents of an eligible student if the student is a dependent for IRS tax purposes. (§99.31(a)(8))

- To comply with a judicial order or lawfully issued subpoena. (§99.31(a)(9))

- To caseworkers or other Child Protective Services representatives when DPHHS/CPS is legally responsible for the care and protection of the student. 20 U.S.C. § 1232g(b)(1)(L).

- To appropriate officials in connection with a health or safety emergency, subject to §99.36. (§99.31(a)(10))

- Information the school has designated as “directory information” under §99.37. (§99.31(a)(11))

**Notice for Directory Information**

The *Family Educational Rights and Privacy Act* (FERPA), a Federal law, requires that Helena Public Schools with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child’s education records. However, Helena Public Schools may disclose appropriately designated “directory information” without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the Helena Public Schools to include this type of information from your child’s education records in certain school publications. Examples include:

- A playbill, showing your student’s role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Student directories;
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members.
Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent’s prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with the following information – names, addresses and telephone listings – unless parents have advised the LEA that they do not want their student’s information disclosed without their prior written consent.

If you do not want the Helena Public Schools to disclose directory information from your child’s education records without your prior written consent, you must notify the District in writing by the third Friday in November. Helena Public Schools have designated the following information as directory information:

- Student’s name
- Address
- Telephone listing
- Electronic mail address
- Photograph
- Date of birth
- Grade level
- Participation in officially recognized activities and sports
- Dates of attendance

Helena Public Schools have developed and adopted policies regarding these rights, as well as arrangements to protect student privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes.

Capital High School will directly notify parents via the District web site of these policies at least annually at the start of each school year and after any substantive changes. Capital High School will also directly notify, such as through U.S. Mail or email, parents of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parent to opt his or her child out of participation of the specific activity or survey. Capital High School will make this notification to parents at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys listed below and be provided an opportunity to opt their child out of such activities and surveys. Parents will also be provided an opportunity to review any pertinent surveys. Following is a list of the specific activities and surveys covered under this requirement:

The Helena School District has adopted internal grievance procedures providing for the prompt and equitable resolution of complaints alleging any action prohibited by Title IX of the Education Amendments of 1972 Act (Title IX). Gender-based harassment may include acts of verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex-stereotyping, even if those acts do not involve conduct of a sexual nature. Sexual harassment can occur whenever an individual makes sexual advances, requests sexual favors, and engages in other verbal or physical conduct of a sexual or sex-based nature, imposed on the basis of sex, that:

In the case of a student, denies or limits the provision of educational aid, benefits, services, or treatment; or that makes such conduct a condition of a student's academic status; or in the case of an employee denies or limits the employment, recruitment, consideration, or selection or treatment, or that makes such conduct a condition of the employee’s employment status; OR

Sexual harassment includes sexual violence. Sexual violence refers to physical sexual acts perpetrated against a person’s will or where a person is incapable of giving consent due to the victim’s use of drugs or alcohol or is unable to give consent due to an intellectual or other disability. Sexually violent acts include rape, sexual assault, sexual battery, and sexual coercion.

See Board Policy – 1085 Uniform Grievance Procedure

Filing a Complaint
The Complainant may file a complaint with any District Administrator, Principal or Supervisor. The Complainant may appeal the Board’s decision to the Lewis and Clark County Superintendent as provided by law.

**STUDENT RESPONSIBILITIES AND CONDUCT CODES**

**Student Code of Conduct**

Disciplinary action may be taken against any student in violation of the Student Code of Conduct. Disciplinary action may range from conferring with a teacher to expulsion from school. Continued infractions will have a cumulative effect in terms of disciplinary action.

A student is in violation of the Student Code of Conduct if the student engages in any inappropriate behavior, including but not limited to:

12. Hazing or bullying, including cyberbullying.
13. Forging any signature or making any false entry or attempting to authorize any document used or intended to be used in connection with the operation of a school.

These grounds stated above for disciplinary action apply whenever a student’s conduct is reasonably related to school or school activities, including, but not limited to the circumstances set forth below:
1. On, or within sight of, school grounds before, during, or after school hours or at any other time when school is being used by a school group;
2. Off school grounds at a school-sponsored activity or event or any activity or event that bears a reasonable relationship to school;
3. Travel to and from school or a school activity, function, or event;
4. Anywhere if conduct may reasonably be considered to be a threat or an attempted intimidation of a staff member, an interference with school purposes or an educational function, a threat to the safety and welfare of the student population, or conduct that detrimentally effects the climate or efficient operations of the school.

**Gun Free Schools**

The Board is obligated to expel any student who uses, possesses, controls, or transfers a firearm for a definite period of time of at least one (1) calendar year, except that the Board may permit the Superintendent to modify the disciplinary action. The Board hereby authorizes the Superintendent to modify the disciplinary action on a case-by-case basis.

**Possession of a Weapon in a School Building**

The District will refer to law enforcement any person who possesses, carries, or stores a weapon in a school building, except as provided below. For the purposes of this section only,

School authority may administer such corrective disciplinary action between the minimum and maximum after consideration of mitigating and aggravating circumstances provided. The degree of the severity (from the least to the most severe) of corrective disciplinary action is described as follows:

- Warning

- Detention
- School Community-Service or Monetary fine

2019-2020 Capital High School Student Parent Handbook 71
• Administrator-teacher-parent-student conference
• Reassignment
• In-school suspension (including loss of privilege to participate in extracurricular and co-curricular activities)
• Out-of-school suspension (including loss of privilege to participate in extracurricular and co-curricular activities and district sponsored transportation)
• Police notification/criminal process referral
• Expulsion
• Reimbursement / Restitution

Expulsion
Expulsion is any removal of a student for more than twenty (20) school days without the provision of educational services. Only the Board may expel a student from school.

All privileges to participate in any co-curricular or extracurricular activity in the Helena Public Schools are revoked when expulsion is directed by the Board of Trustees. Board Policy 3055 – Student Due Process Rights.

Out-of-School Suspension
The term of an out-of-school suspension may vary depending upon the circumstances. A student may be suspended out-of-school for an initial term not to exceed ten (10) school days. Upon a finding by an administrator, after an informal hearing with the student, that the immediate return to school would be detrimental to the health, welfare or safety of others, or would be disruptive of the educational process, a student may be suspended out-of-school for an additional term not to exceed ten (10) school days.

Make-up Work during Suspension or Expulsion
Whether a student is allowed make-up work during a suspension or expulsion will be determined by the building administration.

Law Enforcement Roles and School Searches
For the safety and supervision of students in the absence of parents, to maintain discipline and order in schools, and to provide for the health, safety and welfare of students and staff, school authorities are authorized to conduct searches of students and their personal effects, as well as School District property. Such authorization includes, but is not limited to, the use of canines for searches of school property, personal property and motor vehicles. See: Board Policy 3040 – Searches & Seizures

The District has a responsibility for the health and safety of its students during the school day, at all extracurricular activities and events, and all activities conducted on school premises. Use or possession of drugs, alcohol, tobacco and tobacco innovations, controlled substances, medications (including over-the-counter medications without permission), any other illegal drug, and/or drug paraphernalia on school property pose a serious risk to health and safety to students, employees and visitors. Possession and use of weapons on school grounds poses an additional risk to the health and safety of students, employees and visitors.

To protect students, employees, and visitors from these risks, it is necessary to conduct searches of persons and property under certain, limited circumstances. Such searches are necessary to: deter the presence and possession of prohibited substances and items; deter drug and alcohol abuse among the student population; to educate students as to the serious physical, mental and emotional harm caused by drug and alcohol abuse; to prevent injury, illness and harm as result of drug, alcohol abuse and/or weapons; to help identify student drug
use and assist parents in pursuing evaluation and appropriate counseling; and to maintain a safe environment free of weapons, alcohol and drug use.

Searches may be carried out to recover stolen property, to detect illegal substances or weapons, or to mitigate or eliminate risks to and disruption of a safe and healthy educational environment. In keeping with these goals, the Board authorizes school authorities to conduct reasonable searches of school property and equipment, as well as of students and their personal effects, to maintain health, safety, and security in the schools.

**Vehicles Parked on School Property**

Parking on District property is a privilege for all students. Students may not use, transport, carry, or possess alcohol, illegal drugs or any weapons in their vehicles on school property. While on school property, vehicles may be inspected at any time by staff, or by contractors employed by the District utilizing trained dogs, for the presence of alcohol, illegal drugs, drug paraphernalia, or weapons. In the event the school has reason to believe that alcohol, drugs, drug paraphernalia, or weapons are present, including by alert-trained dogs, the student’s vehicle will be searched, and the student expressly consents to such a search by parking on District property. Notice provisions for students will be contained in the student handbook annually.

In addition, by exercising the privilege of parking in the school parking lots, the student acknowledges that the student does not have any expectation of privacy in the odors emanating from the student’s vehicle which may alert a human or a canine to the presence of alcohol, illegal drugs, drug paraphernalia or weapons. By exercising the privilege of parking in the school parking lot, the student consents to having the vehicle searched if the school authorities have any other reasonable suspicion to believe that a violation of school rules or policy has occurred.

**School Property**

School property, including, but not limited to, desks and lockers, is owned and controlled by the District and may be searched by school authorities at any time. School authorities are authorized to conduct area-wide, general administrative inspections of school property without notice to or consent of the student and without reasonable suspicion.

**Seizure of Property**

If a search produces evidence that the student has violated or is violating either the law or the District's policies or rules, such evidence may be seized and impounded by school authorities, and disciplinary action may be taken. When appropriate, such evidence may be transferred to law enforcement authorities.

**Reasonable Suspicion**

Shall mean that there are reasonable factual grounds for suspecting that the search will turn up evidence the student has violated or is violating local, state or federal law or rule of the District. Reasonable suspicion requires that independent facts exist and are articulated. Reasonable suspicion may be formed by considering factors which may include the following:

- a. Eye witness observation by school personnel; and/or
- b. Information received from a reliable source; and/or
- c. Suspicious behavior by the student coupled with the student’s past history and school record.

**Personal, Locker, Canine-Assisted, and Automobile Search Procedures**

A student’s person and/or personal effects (e.g. purse, book bag, etc.) may be searched when a school authority has reasonable suspicion to believe the student is in possession of illegal, unauthorized or contraband (stolen) items in violation of school rules or local, state or federal law.
**Locker Searches**
Student lockers, contents and secured personal property may be searched without prior notice given to the 
student when the school authority has reasonable suspicion that the locker contains illegal, unauthorized or 
contraband items or in case of an emergency requiring immediate access to the locker or other secured personal 
property. Searches shall, whenever possible be conducted in the presence of an adult witness and the given 
student. School lockers are temporarily assigned to students. Lockers remain the property of the School 
District at all times. The District has a reasonable and valid interest in insuring that lockers are properly 
maintained for safety and health reasons.

**Canine Assisted Searches**
Trained canines accompanied by a trained handler may be used to assist the administration in a general search 
of the school or school grounds for the purpose of discovering illegal drugs or paraphernalia. No specific 
searches of students will be conducted by these means. General searches may take place in common areas as 
well as classrooms. Students will exit the classroom prior to any canine assisted search.

**Automobile Searches**
Students are permitted to park on school premises as a matter of privilege, not a right. The interior of any 
avtomobile brought on school property by a student may be searched and items seized by a school building 
principal or designee if there is reasonable suspicion to believe that illegal, unauthorized or contraband items 
are contained inside.

**Passive Alcohol Screening**
If there is reasonable suspicion to believe a student has been using alcohol during the school day a passive 
alcohol screening will be administered.

**Video Monitoring**
Video monitoring will be used to assist in ensuring that behavior on school property is consistent with the 
established safety and conduct rules, policies and procedures. If unacceptable behavior is observed and/or 
reported, timely and appropriate corrective action will occur. The video monitoring of school buildings and 
grounds will not include audio recordings unless specific notice is given as required by law. See: Board 
Policy 3097 – Use of Video Monitoring Cameras.

**Suspension / Expulsion**

**Expulsion Procedure**
Expulsion is any removal of a student for more than twenty (20) school days without the provision of 
educational services. Only the Board may expel a student from school.

After the administration has investigated the alleged misconduct, and made the decision to recommend an 
expulsion of the student to the Board, a Board Meeting shall be scheduled and the administration shall send a 
written notice to the student and the parent outlining the following:

- the intent to recommend an expulsion;
- the specific charges against the student;
- what rule or regulation was broken;
- the nature of the evidence supporting the charges;
- the date, time and place where the Board Meeting will be held;
- a copy of the procedure that will be followed by the Board;
• a reminder of the rights the student and parents have, including the right to counsel, the right to cross examine witnesses, and the right to present witnesses.

The meeting may be rescheduled by the parent by submitting a request showing good cause to the Superintendent at least 3 school days prior to the scheduled date of the meeting. The Superintendent shall determine if the request shows good cause.

Students with rights under the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act may be expelled under certain circumstances, and the District must follow all procedural requirements of those Acts, including holding a manifestation determination meeting, prior to moving forward with an expulsion. **Board Policy 3055 – Student Due Process Rights.**

**Forms of Suspension**

**In-school suspension**
Shall mean the student remains in school at a restricted, designated location for a designated period of time. The student shall be required to contact all of his/her teachers for schoolwork assignments. Credit will be given for the day(s) served if the assignments are completed. During in-school suspension, a student shall:
1. complete work assigned by school authority;
2. refrain from use of food products;
3. refrain from talking, visiting or sleeping;
4. secure permission before leaving an assigned seat;

Any infraction of rules of in-school suspension may result in out-of-school suspension.

**Out-of-School Suspension**
Before an out-of-school suspension, the student shall be provided oral or written notice of the charges. If the student denies the charges, the student shall be given an explanation of the evidence and an opportunity to present his or her version. Prior notice and a hearing is not required and the student can be immediately suspended out-of-school when the student's presence poses a continuing danger to persons or property or an ongoing threat of disruption to the educational process. In such cases, the necessary notice and hearing shall follow as soon as practicable.

Any out-of-school suspension shall be reported as soon as possible to the student's parents. A written notice of the out-of-suspension shall contain a statement of the reasons for the out-of-school suspension and a notice to the parents of their right to review the out-of-school suspension. Upon request of the parents, the Superintendent shall convene a meeting to review the out-of-school suspension. At the meeting, the student's parents may appear and discuss the out-of-school suspension with the Superintendent. The Superintendent shall decide whether the out-of-school suspension is appropriate. The decision of the Superintendent is final and may not be appealed to the Board.

The term of an out-of-school suspension may vary depending upon the circumstances. A student may be suspended out-of-school for an initial term not to exceed ten (10) school days. Upon a finding by an administrator, after an informal hearing with the student, that the immediate return to school would be detrimental to the health, welfare or safety of others, or would be disruptive of the educational process, a student may be suspended out-of-school for an additional term not to exceed ten (10) school days.
Students with rights under the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act may be suspended in the same manner as students without those rights, although the District must follow all procedural requirements of those Acts when suspending students with disabilities out-of-school.

**Suspension and Expulsion as it Relates to District Provided Transportation Services**

Suspension or expulsion from school may also result in suspension from district sponsored transportation services.

It is important to note that students may also be suspended or expelled from riding any district sponsored transportation services for conduct violations occurring on district school buses even if they are still being allowed to attend school.

**eNET**

Extended Network for Education Transition (eNET) is essentially a placement for disciplinary purposes. Students are to be placed by the school administration only. Parents must agree to the placement. Parents are responsible for transportation to and from eNET if necessary. Students earn credit for work accomplished while at eNET.

### 4.0 High School Attendance

The philosophy of Helena School District #1 is that regular attendance is essential for all students, and that schools will work cooperatively with students and parents toward that end. Regular and punctual attendance is important in the development of an effective learning environment, as well as ensuring student success in the classroom. Good attendance habits are also necessary in the development of sound character traits and for success in the work world.

Helena School District No. 1’s attendance policies are developed in accordance with Montana State attendance laws. The building administrations will establish procedures to execute the Helena School District No. 1 attendance policy, and will inform students and parents/guardians of those procedures. Attendance is the responsibilities of both the student and the parent/guardian. The building administration will make the determination in all cases involving implementation and interpretation of the policy.

Parents / guardians are required to telephone the school and report every absence to the school.

### 4.1 Procedure for an Absence

A telephone call, a written note or electronic communication from a parent is necessary when a student is absent or late for any reason. Notes shall be given to the attendance secretary, and teachers shall be given a list of students to be admitted. All absences and tardies shall be recorded on the report card.

The principal or designee will attempt to contact, by the end of the school day, any parent, guardian, or legal custodian whose child is absent from school, but who has not reported the child absent for the school day, to determine whether the parent, guardian, or legal custodian is aware of the child’s absence from school. Notification may be made using the District’s automated notification system.

Parents / guardians are required to telephone the school and report every absence to the school.

**The attendance office number at Capital High is 324-2499.**
Students are required to check IN and OUT of the ATTENDANCE OFFICE for an absence in ALL situations:

1. The parent or guardian did not call the school to report an absence. In such a case the student must present a proper note from the parent or guardian explaining the circumstances of the absence.
2. The student will be checking out of school during the school day. A slip will be given/sent to the student as a pass to leave the school at a designated time.
3. Students will be called to the attendance office to resolve unexcused absences.

Any absence not reported within the following guidelines by a parent/guardian will be recorded as an unexcused absence, and a zero grade will be recorded in each class where the unexcused absence has occurred.

Students who impersonate parents/guardians or request that others impersonate their parents/guardians may be suspended from school for up to three school days. Students who forge or participate in forging a parent or legal guardian signature may be suspended for up to three school days. Contact with parents/guardians will be made if suspected fraudulent excuses are detected.

4.2 An absence at Helena School District #1 high schools is defined in the following manner:

For up to three school days. Contact with parents/guardians will be made if suspected fraudulent excuses are detected.
- Not being present in class,
- Having been present at the beginning of a period, but leaving a class without the teacher's permission, or
- Entering the class after the five-minute tardy grace period.

4.3 Absence Categories
All absences fall into one of three categories:
1. Excused
2. School-Related
3. Unexcused

**EXCUSED ABSENCE**
This is any absence that the parent/guardian authorizes before, the day of, or the day following the absence (a 24-hour notification- or absence becomes unexcused).

a. Planned, pre-arranged appointments /absences: Permission to leave campus during the day may be granted only upon request of the parent/guardian by telephone or note to the attendance office prior to the time of the appointment. Pre-planning is encouraged since parent messages to students are a disruption of valuable class time.

b. **Students who leave school during the course of the school day are required to sign out at the attendance office.** Students must be excused before they leave the building if they have attended a portion of the school day. If they have not checked out, they will receive an unexcused absence. The only exception to this policy is if the student leaves campus during his/her lunch period and does not return to school the remainder of the school day or returns late from lunch.

c. Make-up work is the responsibility of the student. Whenever possible arrangements for make-up work should be made with the teacher prior to the absence.
Number of Excused Absences Allowed
Students will be permitted a maximum of 10 absences in any class during a semester as long as these absences have had parental/guardian approval and/or medical documentation. School related absences are not included in the 10 absences. The building administration has the authority to grant extensions beyond 10 absences when the reason for the 11th and subsequent absences are documented by a medical note or reflect extraordinary circumstances.

Please Note: No medical or extenuating absences will be granted until a student has exhausted his/her 10 excused absences.

Excessive Excused Absence Procedure:
1. After five (5) excused absences have occurred, the parents/guardian will receive written notification (e.g. letter, email) notifying them of the absences. A second letter may be sent.
2. On the 11th absence, the parent/guardian will receive a letter and/or phone call notifying them that the student has exceeded the maximum number of allowable excused absences in a semester.

Capital High Procedures states teachers in affected classes will no longer give make up work or credit for work for the 11th and subsequent excused absences excluding any items cumulative in nature- for example: tests, quizzes, or projects. The only exceptions to this would be excuses from a medical doctor, school related absences or some extenuating circumstance that led to administrative approval.

Make-up Work
Students with excused absences are to make up work missed. The general guideline for make-up work is as follows:
• Two days for the first day of absence.
• One day for each day of absence thereafter.

Example:
A student is absent, excused for three consecutive days. The student is allowed four days to have all make-up work completed (2+1+1).

SCHOOL-RELATED ABSENCE
This is any absence which is authorized for the purposes of school sanctioned activity or other extraordinary circumstances. This absence will be requested by a teacher, coach, or advisor, or with prior permission and review by the administration. This type of absence does not count toward the ten excused absences allowed.

Make-up Work – School-Related Absence
The student should be proactive to advise the instructor of any upcoming absence to allow both the student and instructor an opportunity to make appropriate and agreeable arrangements for the work.

UNEXCUSED ABSENCE
There will be no opportunity for make-up work when an unexcused absence has been recorded, and a zero will be recorded in each class missed during that absence.

An unexcused absence is any absence which:
• Is not authorized by a parent/guardian.
• Is not communicated to the school within 24 hours.
• Is the result of a student failing to sign out in the attendance office before leaving school and there has been no notification to the attendance office by a parent or guardian prior to the student’s leaving.
• Is created when a student leaves a classroom without the teacher's permission.
• Is a “skip-day”. The schools do not sanction any skip days.

**Unexcused Absence Procedure**

1. First incident of unexcused:
   a. The parent is notified by telephone or in letter or both.
   b. No credit is allowed in class where unexcused occurred.
2. Second incident of unexcused:
   a. The parent is notified by telephone.
   b. NO credit is allowed in classes where unexcused occurred.
   c. Student is notified that future unexcused absences will result in loss of
   • credit in **ALL** classes for the semester.
3. Third incident of unexcused:
   a. The student will receive and be required to sign a “Notification of Loss of Credit” form by an administrator or designee.
   b. The parent is notified by letter and telephone of the loss of credit.
   c. The teachers are notified via email of the loss of credit.
   d. The student has a loss of credit in all classes for the semester.
4. Fourth and subsequent incidents of unexcused
   a. Students will be assigned a one hour detention for each additional unexcused incident.
   b. Failure to serve the assigned detention will forfeit the student’s ability to have credit restored.

**Appeal Process and Procedure for Credit Eligibility Request**

The student is automatically eligible for appeal of the loss of credit if the student adheres to the following criteria for the remainder of the semester.

1. **Expected behaviors of a student who has lost credit**
   a) The student will return to class and correct the deficiency in his/her attendance record.
   b) The student will actively work for a passing grade.
   c) The student will behave appropriately and not interfere in the education of others in the respective classes.
   d) The student will act responsibly and positively in the class environment.
2. **Role of the teachers in assisting students who have lost credit**
   a) The instructors will continue to evaluate and record the student work.
   b) The instructors should report any misbehavior of the student to the administration.
3. **Procedural steps for students after loss of credit**
   a) The student will be issued and sign the “Notification of Loss of Credit” form by an administrator or designee. A copy of the form with an accompanying letter will be mailed to the parent.
b) The student must make a full-fledged effort to remain or acquire good standing in the classes affected by the absence problem.

c) An administrator will ascertain whether credit is restored or not. Students will be notified and a meeting scheduled if necessary.

If a student does not follow the above criteria, the student may be recommended for expulsion from school especially if a majority of his/her instructors indicate that the student is no longer meeting the criteria as established.

**Ways to Avoid Unexcused Absences**

a. **All students are required to check out through the attendance office when leaving the building other than their regularly scheduled day.** If you are expecting an appointment slip and you do not receive one, check with the attendance office and do not leave school until you have been given permission from them.

b. Do not take advantage of absences. Your greatest chance for success is to come to class every day.

c. Communicate with your parents/guardians when a need to be absent arises. Make sure that a note is written or a telephone call is made to excuse the absence.

d. Explain the attendance policy to your parents so they do not misunderstand their obligation to excuse you.

e. Find positive reasons to be in school and focus on them.

**18-Year-Old Students**

All policies and procedures apply to 18-year-old students except in the case where the 18-year-old student is not living at home. When the 18-year-old student is not living at home under the general supervision of his or her parent or legal guardian, special arrangements must be made with the building administration for the student to excuse him/herself.

**Tardy Procedures**

**Tardiness:** The following policy is intended to be utilized for all tardy infractions, by all teaching staff, to provide a consistent approach to tardies at Capital High School. Teachers are required to maintain documentation of student tardies in their classroom and in the student management system. Students will be notified of each tardy he/she receives at the time of the violation on a per quarter basis. Tardies are accumulated for a quarter. A new count of tardies begins with each quarter.

A student will be considered **tardy** if he/she is **not in the classroom** when the **tardy bell rings**. All tardiness is considered unexcused unless the student has a previously identified disability which prevents the student from being on time. Students with a disability requiring additional time shall notify the building principal. The building principal shall review the disability on a case-by-case basis and determine whether additional time is necessary.

- First through third tardy: Student notification and teacher documentation of tardy in student management system.
- Fourth and fifth tardy: Student notification, parent notification and teacher documentation of tardy in student management system, thirty minutes #detention with teacher or approved designee.
• If the student chooses not to attend the *30 minute detention assigned by the teacher, a discipline referral will be filled out, with tardy documentation, and submitted to the administration. The student must attend a conference with an administrator, parents will be notified, and the time of the missed detention will be doubled. If the student chooses not to attend this *detention, the student’s parent will be called and she/he will receive one day of ISS.

• Sixth and beyond: Student notification and teacher documentation of tardy in the student management system, discipline referral submitted, parent notified, one day ISS or withdraw from class when appropriate.

  *Detention will be rescheduled, without penalty, if the student was absent from school on the day detention was assigned.

**Ways to Avoid Being Tardy:**

a. Get to school on time in the morning and after lunch.
b. Avoid locker stops between classes by taking books and supplies for several classes.
c. Organize your time and know the best route to your classes. Avoid high congestion areas in the halls.
d. If an emergency arises, communicate the problem to your teacher as soon as possible.
e. Make sure you have all supplies (textbooks, notebooks, pencils, pens, paper, assignments, etc.) and take them to class with you.

**4.4 Leaving School during the Day**

All students are required to sign out (before they leave school grounds) at the attendance office if it is necessary for them to leave school during the regular school day. Calls to excuse this absence must be received before the student leaves school grounds. Failure to do so will result in an unexcused absence. Teachers shall send students to the attendance office before allowing them to leave the building. Any student who finds it necessary to check out of school during the regular day MUST have the absence excused by their parent/guardian stating the date, destination and time the student is to check out of school. A slip will be issued to the student prior to departure but students must still sign out at the attendance office. If the student does not receive the slip, he/she should check with the attendance office before leaving.

Parents are not allowed to check a student out of a class to go to the library.

**5.0 Student Regulations Concerning Use/Possession of Tobacco & Tobacco Innovation Products**

The Board of Trustees of the Helena Public Schools is committed to providing a clean, healthy and safe school environment for students, employees and the general public. Use of tobacco in any form is considered detrimental to the health of non-users as well as users of tobacco. The use of tobacco or tobacco innovations is inconsistent with the Helena Public Schools health education programs.

The Helena Public Schools are "tobacco free." The use of tobacco or tobacco innovations including vaping and juuling will be prohibited from all school buildings and school sponsored events. **Board Policy 3150 - Tobacco Free Schools**

Students shall not use or possess any tobacco or tobacco-like products while on school property, while going or coming to school, during the lunch period whether on or off the campus and during or when coming to or from a school sponsored activity. Montana law further prohibits the use or possession of tobacco products by any person under the age of 18. (45-5-637, MCA).
Corrective Disciplinary Action

First Violation – Students will receive one (1) day out-of-school suspension and one (1) day of in-school suspension. Students will participate in tobacco education sessions and will provide documentation of completion. Students may request referral information about such courses from the school administration.

Second & Subsequent Violations – Up to three (3) days ISS (In School Suspension)
As set forth above including out-of-school suspension, school officials may administer the level of disciplinary consequences deemed appropriate in light of any mitigating and/or aggravating circumstances and may pursue a recommendation for extended suspension in connection with a first offense or any subsequent offense. Under any and all circumstances, the administration retains the option of recommending to the Superintendent the removal of the student from the school setting.

6.0 Student Health Regulations on Alcohol/Drug Use, Abuse and Dependency

6.1 In School during the School Day or Out of School during a School Activity or On School Property

Helena School District No. 1 is committed to providing and maintaining a safe, healthy and productive learning environment for all students. The Board recognizes that unlawful alcohol or other drug possession and use can create serious health problems for students and that unlawful alcohol or other drug possession and use can create safety issues for all students.

When school personnel become aware of situations involving student use or possession of unlawful alcohol or other drugs, a reasonable effort will be made by school administrators to intervene with the appropriate parties. Further, recognizing that alcohol or other drug dependency is a treatable illness, the Board encourages and supports collaborative efforts among appropriate agencies, community groups, the School District and families that assist in preventing student chemical use and abuse by providing procedures for education and intervention.

Jurisdiction: Rules and implementation for Helena School District #1 Student Health Policy on Alcohol/Drug Use, Abuse and Dependency applies to all students:
1) While on school property
2) When going or coming to school
3) During the lunch period whether on or off the campus

Definitions: Unlawful drugs and controlled substances are those defined as illegal under the laws of the United States, the state of Montana and/or the city of Helena Ordinances. Illegal activities will be reported to the police
and/or applicable authority when any of the above activities occur on school property, while in attendance at school or school activities, while coming to or going from school or a school activity, or during the lunch period whether on or off campus. Helena School District #1 response to these infractions may be independent of or in conjunction with police action, and will result in disciplinary consequences as outlined more fully below.

**Corrective Disciplinary Action**

**First Violation:**
1) Ten-day out-of-school suspension (unexcused) OR
2) Three-day out-of-school suspension (unexcused) upon completion of the “Prime for Life” class.
   Failure to comply with these criteria will result in the exercising of the balance of Option 1.
3) Unserved suspension occurring at the end of the school year will be served the following school year commencing on the sixth day of school. This applies to all returning students.

**Note:** Fees associated with the “Prime for Life” sessions are the responsibility of the student’s parent / guardian.

**Second and Subsequent Violations:**
1) Second and subsequent violations by the same student may result in any one or a combination of the following:
   a. Minimum ten-day out-of-school suspension (unexcused) OR
   b. Five day out-of-school suspension (unexcused) if the student completes a chemical dependency assessment with a certified chemical dependency counselor at parent expense and follows all recommendations of the assessment.
   c. For purposes of Option (B) above, the student must provide both (1) written confirmation of the appointment for the chemical dependency assessment prior to re-entering school and (2) written authorization for HPS to provide information to and receive information from the dependency counselor prior to the student re-entering school.

**Minimum Corrective Action:** Confiscation of contraband, notification of parents and law enforcement and suspension.

**Maximum Corrective Action:** Confiscation of contraband, notification of parents and law enforcement and recommendation for expulsion.

As set forth above, school officials may administer the level of disciplinary consequences deemed appropriate in light of any mitigating and/or aggravating circumstances, and may pursue a recommendation for expulsion in connection with a first offense or any subsequent offense. Under any and all circumstances, the administration retains the option of recommending to the Superintendent the removal of the student from the school setting.

Violations of this rule will be cumulative during attendance at Helena schools from grades 9-12. A breathalyzer may be used at the discretion of a building administrator when it is necessary to ascertain whether a student has violated this rule with respect to alcohol use.

**6.2 Extra / Co-Curricular Activities Procedure Regarding Alcohol, Tobacco, Tobacco Innovations, vaping products, and Other Drug Use/Possession & General Code of Conduct**
Helena School District No. 1 Administrative Regulations Regarding Alcohol, Tobacco, Tobacco Innovations and Other Drug Use by Students in Extra/Co-Curricular Activities

Students participating in school sponsored activities assume a responsibility to fellow students, the district, and the community to be law-abiding citizens.

The District shall place limits, up to and including restricting a student from participating in school sponsored activities or being awarded school honors, if a student is found by school officials to have violated Board Policy or committed an act prohibited by state or federal law. **See: Board Policy 3066 – Obligation of Students Participating in School Sponsored Activities.**

An appeal process will be available to all students under the District’s “Uniform Grievance Policy”. **See: Board Policy 1085 – Uniform Grievance Procedure.**

Helena School District No. 1 recognizes the use of alcohol, tobacco, other drugs and drug paraphernalia as a significant health problem for many adolescents, resulting in negative effects on behavior, learning and the total development of each individual. Coaches and advisors of activities have a unique opportunity to observe, confront and assist young people. Helena School District No. 1 will make available at parent’s expense education and awareness training in chemical and tobacco use issues for students who are in violation of its chemical and tobacco use regulations. The importance of the parent/guardian as the primary role model in the education and guidance of their children concerning alcohol, tobacco and other drugs is recognized and emphasized by Helena School District personnel.

In addition, schools are an integral part of the community and must confirm and support existing state and local laws which prohibit the use of alcohol, tobacco, other drugs and drug paraphernalia by youth. Federal law requires schools to have consistent alcohol, tobacco and other drug policies that give a strong no-use message to all youth.

Students who participate in extra/co-curricular activities must be willing to make the commitment to adhere to the regulations that govern these activities.

Therefore, middle school and high school students who participate in District extra/co-curricular activities are subject to all District no-use regulations, conditions and consequences.

**Regulations - During the school year and the season of practice, play or rehearsal a student shall not:**

(1) Use, possess, buy, sell, or distribute alcohol, tobacco, tobacco innovations, vaping products, unlawful drugs, controlled substances, hallucinogens, inhalants or drug paraphernalia. (It is not a violation for a student to be in possession of a legally defined drug specifically prescribed for the student's own use by his/her doctor that is being used in the prescribed manner).

(2) Students participating in school sponsored activities assume a responsibility to fellow students, the district, and the community to be law-abiding citizens.

The administration shall place limits, up to and including restricting a student from participating in school sponsored activities or being awarded school honors, if a student is found by school officials to have violated Board Policy or committed an act prohibited by state or federal law.

An appeal process will be available to all students under the District’s “Uniform Grievance Policy”. **See: Board Policy 1085 – Uniform Grievance Procedure.**
**Duration** - Except where otherwise stated, these regulations are in effect from the date of the first practice for fall activities, through the academic school year and include any school sponsored activity that extends beyond the academic school year. Violations will be cumulative from the first day of the activity involvement throughout the student's participation as a freshman, sophomore, junior and senior until graduation from Helena School District No.1. A student’s suspension from an extra curricular activity may also adversely affect other areas upon return. Upon return from any suspension, the coach or sponsor will determine varsity letter, playing time, starting position, performance role; and offices held in groups.

All unserved suspensions occurring at the end of the school year will be served the following school year commencing on the first day of the MHSA fall season.

**Disciplinary Procedures: Investigation and Appeal**

Any determination that a violation of these regulations has occurred will be made only after a meeting is held with the student and he or she is presented with the information indicating that a violation has occurred. The student must be afforded the opportunity to provide information in response. If a determination is made following that meeting that a violation has occurred, the student will be notified of that determination and of the consequences of that determination. Any determination that results in consequences being administered as per these regulations will be provided to the affected student in writing. If a student disagrees with a determination made by the building administration under these regulations, the student may seek review of that decision by the District Activities Director, and may secure further review of the determination by the District Superintendent and Board of Trustees according to the procedure outlined in the Uniform Complaint Policy.

**First Violation:** The student will be:
- Required to register for and complete a district-approved education course at his/her parent’s expense; and
- Temporarily suspended from competing or performing in extra/co-curricular activities for a period of thirty-four [34] calendar days. If a student self-reports a violation to the Activity Leader or designee, the temporary suspension period will be reduced to twenty (20) calendar days.
- Suspended from team practices for up to five (5) days following notification.

In either situation, the student must (1) provide appropriate proof of completion of the education component outlined above; (2) continue to attend and participate in activity practices during the temporary period of suspension; and (3) complete a team/activity service as determined by the administrator and activity leader. The student's return to full participation in the activity is conditioned on fulfilling all of the requirements set forth above.

**Second Violation:** The student will be:
- Required to register for and complete a district-approved chemical assessment program at his/her parent’s expense; and
- Temporarily suspended from competing or performing in extra/co-curricular activities for a period of sixty [60] calendar days. If a student self-reports a violation to the Activity Leader or designee, the temporary suspension period will be reduced to fifty (50) calendar days.
- Suspended from team practices for up to five (5) days following notification.

In either situation, the student must (1) provide appropriate proof of completion of the assessment component outlined above; (2) continue to attend and participate in activity practices during the period of temporary suspension; and (3) complete a team/activity service as determined by the administrator and activity leader. The student's return to full participation in the activity is conditioned on fulfilling the requirements set forth above.
**Third Violation:** The student will be deemed ineligible for participation in activities for a period of one calendar year. The student may, however, submit a petition to the District Superintendent no sooner than ninety (90) days after the incident requesting that he or she to be allowed to re-enroll in activities. Such a request must be accompanied by (1) a post-incident chemical dependency evaluation conducted by a licensed chemical dependency counselor and (2) a demonstration that all recommendations made in the assessment are being or have been satisfactorily met. The District Superintendent has the discretion to grant or deny the request based on his/her consideration of the relevant circumstances. The Superintendent’s decision may be appealed to the Board of Trustees as outlined in the Uniform Complaint Procedure.

**Extra / Co-Curricular Activities – All Levels**
+Because these are yearlong programs the suspension will coincide with the MHSA Fall, Winter Spring calendar.

*All performances outside of the school day are affected. For the purpose of these regulations a student who misses one or more grade-related music event or performance will have the opportunity to make up the portion of the grade which is related to the events or performances.*

**Calendar days begin on the first day of fall practice and end the last day of school.**

**The activity seasons are outlined below:**
- Fall - Start of Golf practice to State Football Championship
- Winter - Start of Wrestling practice to State Basketball Championship
- Spring - Start of Spring Sports Practice to last day of school for students

**Travel**
Students are subject to the full direction and authority of the coach or advisor while involved in activity travel. All school regulations concerning student behavior are in effect during activity trips.

**6.3 Alcohol and Substance Use Class and Process**
The building administrator will refer all students who are in violation of 6.1 or 6.2 to the Prime for Life classes. The student will sign a consent form that allows the trainer of Prime for Life course to inform the school of the student’s completion of the course. The Prime for Life trainer is responsible for notifying school administrators that the required sessions have been completed.

Students will be found in non-compliance if:
- They fail to attend their scheduled sessions with the Prime for Life instructor.
- If they are late for any of their scheduled sessions.
- If all homework assignments, related to their Prime for Life Classes, are not turned in.
- At the discretion of the Prime for Life Instructor, if significant behavior issues occur.
- If they opt not to sign consent form allowing the trainer to inform the school of completion.

Referrals to the Prime for Life course can occur through the following sources, understanding that a student may be referred by more than one source. Prime for Life is a requirement for all students who violate 6.1 or 6.2 regardless of their agency requirements.
1. Building Administrator Referral—student is cited at school, at a school related activity or during the school day.
2. Parent Referral – Parent may contact school officials with information about their child. Following an investigation, a referral may be made.
3. Self-Referral – Student may contact a school official and report their own violation of school policy or because they may be requesting assistance regarding their own use.

Students participating in those extra-curricular and co-curricular activities shall abide by those standards.

Corrective Disciplinary Action

Minimum Corrective Action: Teacher / Student Conference

Maximum Corrective Action: Suspension

8.0 Cellular Telephones and Personal Listening Devices

Students are permitted to possess cellular telephones and personal listening devices (iPods, cellular telephones, etc.). The use of cellular telephones and personal listening devices is permitted within the building before and after school, during lunch and passing times.

Use of cellular telephones and personal listening devices is NOT permitted during class time. Any exception to use during class time must be approved by an administrator or classroom teacher and the cellular phone and/or personal listening device must be used for educational purposes only.

In addition to the above a violation of the cell phone policy occurs when a student uses the phones to talk or text or the phone rings. Cell phones are not to be used at any time to photograph or video in locker rooms or restrooms. A violation of the personal listening device policy occurs when the device is used in class without prior permission.

Corrective Disciplinary Action

First Violation – Student will immediately be sent to the office with the phone or listening device. The administrator or designee will confiscate the phone or listening device for the remainder of the day and parents may be notified.

9.0 Technology Use

Helena School District #1
2019-2020 Student Technology Use Agreement
For Students in Grades 6-12

Students are expected to work and communicate successfully in digital environments using the variety of collaboration tools commonly found in the work place and post-secondary settings. This requires students to have access to online resources available through the internet and to use collaborative communication tools such as email. The District provides internet access for use by students as well as student email accounts. If you do not want your student to have access to the internet and to be assigned a district student email account, please provide your student’s school principal with a written request to opt out.
Helena Public Schools uses voice, data, and video electronic communication systems, including but not limited to: devices, networks, servers, and hosted services, that allow educational opportunities for students and staff to communicate, collaborate, learn, and publish information. These system resources must be used to support education and/or research, and all student use must adhere to the educational goals and objectives of the District. Communications using the District systems are not private. Systems support and maintenance may require review and inspection of network activity, to include but not limited to student files and email.

21st Century Learning Skills require that students collaborate, think critically, communicate, create and innovate. There are many technology tools that support the development of 21st century skills (e.g. blogs, wikis, social networking sites, etc.). The District supports the use of these tools to enhance and enrich the learning and teaching environment. However, these tools must be used in support of education and not interfere with other student use of the systems.

Internet Filtering Statement:
To comply with the Children’s Internet Protection Act and to the extent practical, technology protection measures shall be used to block or filter as defined by law. Filtering is by no means meant to supersede the guidelines and requirements described in this document. Filtered access to some sites may still violate the Technology Use Agreement.

Appropriate Use of the Internet, systems, and technology equipment:

10.0 Bus Behavior Conduct Guidelines & Consequences

Each transported student has the right to a safe and enjoyable ride to and from school that is free from intimidation, threat or harassment. Good conduct of all transported students while waiting for the school bus and while traveling to and from school is primary for a safe and enjoyable ride for all students. Bus behavior/conduct codes described in this handbook apply on all school district buses including activity buses.
The district has a video that explains transportation safe riding practices that may be viewed on the Helena School District Transportation website or will be made available upon request.

The School District has established student behavior procedures that apply to all transported students while on the school bus and while in school bus loading or unloading areas. The bus and the bus stop are extensions of the school day. Each individual student, as well as his/her parents, or guardians, is responsible for the behavior of that student while on the school bus and in school bus loading or unloading areas.

Transportation service is a privilege that is granted by the district to eligible students and their parents or guardians that is contingent upon proper behavior according to established district policies, rules and standards. A student’s eligibility to ride the school bus may be suspended or revoked for a violation of school bus safety or conduct rules and standards, or for violation of any other law or policy governing student conduct on a school bus. Revocation of a student’s bus riding privileges is not considered an exclusion, expulsion or suspension from school, however unacceptable conduct on the school bus may result in suspension or expulsion from school. It shall be the responsibility of the parent or guardian to transport students to and from school when bus riding privileges are revoked. The district will not provide alternative transportation to a student whose transportation privileges have been suspended or revoked. (*Decisions regarding special education students will take into account related disabilities and individual education requirements pertaining to transportation).

Suspension or expulsion from school may also result in suspension from district sponsored transportation services.

It is important to note that students may also be suspended or expelled from riding any district sponsored transportation services for conduct violations occurring on school district busses even if they are still being allowed to attend school.

**In addition to the student conduct codes & violations outlined in this handbook a student shall not:**

10.1 Eat, drink or litter on the bus
10.2 Leave the seat or stand while the bus is in motion.
10.3 Use profanity, verbal abuse, harassment, obscene gestures or have possession of unacceptable material
10.4 Provide false identification
10.5 Ride an unassigned bus or use an unassigned bus stop.
10.6 Open windows past the safety line.
10.7 Attempt to ride a bus during a bus suspension.
10.8 Be disobedient or disrespectful to the driver.
10.9 Hang out the windows.
10.10 Throw any object.
10.11 Hold onto or attempt to hold onto any portion of the exterior of the bus
10.12 Enter or leave the bus through emergency door or tampering with bus equipment unless authorized.
10.13 Be involved in any activity that distracts the driver from safely driving the bus.
10.14 Refuse to wear a seatbelt.

**Corrective Disciplinary Action**

**Minimum Corrective Action:** Driver identifies the unacceptable behavior and informs the student of the intent to complete a conduct report if the behavior continues.
**Maximum Corrective Action:** Unlimited transportation services suspension, school suspension, expulsion, and/or police notification.

* Bus Severe Clause: Busing Behavior Severe Clause
If a student performs an act that severely and immediately jeopardizes the safety of students, the district may suspend the student from riding the bus. The district will attempt to notify the parent(s) or guardian of this action by telephone as soon as possible after the route is completed. A written incident report will be prepared and sent to the parent(s) or guardian. Riding privileges will not be reinstated until after a conference is held with the Transportation Specialist, principal, student and parent(s) or guardian. Law Enforcement may be notified in the event that criminal activity has transpired or assistance is required by the driver or district. Behavior deemed severe may result in suspension or expulsion from school.
- When less than sixty (60) school days are left in the academic year, the remainder of the suspension shall be served in the next school year.

**Bus Re-Entry Program**
The bus re-entry program is designed to assist students that are having disciplinary issues on the bus understand the adverse effect that their actions have on the safe transportation of students. It also provides an opportunity for parents to be involved with their child in an evening class centered on safe school bus transportation and code of conduct expectations.

Students that have their bus riding privileges suspended must attend the class generally during the month the student is suspended. Classes are only held once a month. Failure to attend means student’s bus riding privileges may be suspended until class is met.

For questions regarding the class please contact the Helena Public Schools Transportation office at 324-2100.

Mrs. Anderson ganderson@helenaschools.org  Mrs. Butler sbutler@helenaschools.org

Assistants
Let's face it; some of us just don't want a study hall. For those of you who fit this category, consider becoming a classroom, office or gym assistant. Office assistants aid the office staff by delivering messages, filing, and carrying out other tasks. Gym assistants take roll, demonstrate activities and help with the equipment. Being a classroom assistant allows you to break out of those study hall blues while helping the teacher of your choice. If you are interested in becoming an assistant, please make sure that you have a study hall and then check with your prospective teacher or Ms. Gina Fuller in the office and your counselor.

Business Professionals of America (BPA) is a club that builds business and leadership skills through competitive events, fundraising activities, and helping others. BPA gives students leadership and professional skills to prepare for the workforce and grow personally and professionally, while networking with other students and having fun. Students need to have taken or be enrolled in a business or marketing course to participate. BPA meets twice a month during lunch. Today's students--tomorrow's business professionals. Join BPA today!

DECA—(An Association for Marketing Students)
Are you looking for a club that allows you to exercise your marketing, public relations, management, entrepreneurship and team building skills? Consider DECA as your window to career opportunities. DECA, a club for marketing students, allows students to learn marketing and business skills in the classroom and apply those skills in the community. A member can participate as much or as little with the opportunities that DECA offers. Community service is a major component of DECA. Each year, members work some of Helena’s non-profit organizations donating their time or helping raise money. Night to Shine is a project that members work with Helena High DECA and is sponsored by the Helena Community Credit Union. DECA is responsible for all the public relations and emcees of this spectacular show. Competition is when members apply what is learned in the classroom and compete at the State and International level. Each year, DECA has over 30 students compete at the State level. Many of those students earn a spot at the International Career Development Conference. Members are also student employees and/or managers for Bear Necessities, the school store. Bear Necessities is operated by students and is a crucial component of a successful DECA chapter. DECA is a club that has something for everyone. Join DECA by enrolling in Marketing, Sports & Entertainment Management, Small Business Management and Marketing Management.

E.C.O. and Science Seminar
E.C.O. (Ecology Conscience Organization) is a club connected to the Senior Science Seminar class. All students in Seminar that wish to take the Glacier and Yellowstone National Park fieldtrips in the fall and the Lewis & Clark Caverns trip in the spring must join Eco ($150) to cover the costs of these trips. Besides taking these outdoor adventures into wild places to see wild things, Seminar also covers bioethics and environmental issues. Students read several books, discuss, write position papers and listen to guest speakers on controversial topics. If you enjoy nature and pushing yourself into difficult and engaging issues, then ECO (Seminar) is for you!

Ms. Urban surban@helenaschools.org

Envirothon Team
Are you interested in Montana ecology and environmental issues? The Envirothon team listens to guest speakers and takes field trips to learn about five natural resource areas: soils, aquatics, forestry, rangeland and wildlife plus a sixth environmental issue that embraces a current problem such as land-use management. The Montana Envirothon competition is held in Lewistown, on the 2nd Monday and Tuesday of April. The Lewis and Clark Conservation district sponsors and funds the Envirothon team so there is minimal fundraising done in this club. At the Envirothon competition, students’ knowledge is challenged in a competition that emphasizes “hands-on” involvement with natural resource information. The winning team from the state Envirothon travels to the national Envirothon where they serve as representatives from their state. There are also scholarships awarded to the winners and the runner ups. Faculty Advisers are Helen Bosch and Marlene Simms and meetings are held every week at lunch time on Wednesdays.

The pep band holds after school reading sessions during the year as well as after school drum line rehearsals.

Respect Club
The CHS Respect Club members help themselves and others become more socially aware and responsible through meetings, information posters and community action. Membership is open to anyone, and students are encouraged to attend meetings at lunchtime every Friday.

Science Club
If you have an interest in science and robotics then Science Club is the activity for you. Science Club provides an opportunity to participate in activities dealing with science and robotics as well as a place where you can meet and spend time with people who have similar interests. Science Club meets weekly during lunch and is open to everyone. During the year, members participate in two major activities. One is competing in the Science Olympiad competition at Montana State University. Here students from all over Montana put their math and science skills to the test in hope of winning one of the many events. The other major activity is competing in the
FIRST robotics competitions in Bozeman and Spokane. Students design, build and program robots to compete in a wide variety of challenges in hopes of going to the world championships. Science Club is a great way to learn more about science and robotics.

Student Council
If you care about your school and want to make things happen, then Student Council (StuCo) is for you. This club is about giving students a voice in school issues and keeping the lines of communication open among staff, students and the community.

You don't have to run for office to be in Student Council. It is a nationally known organization where everyone is welcome. Come and bring your ideas to help improve Capital High School. Student Council meets every week on Tuesday in Ms. Goody’s Room. At meetings the club discusses fund-raisers, committee issues and upcoming activities. They sponsor dances, recognize student achievements, and organize cool events like Homecoming Week, Winter Formal, and help with other fun activities around CHS. In October, Student Council members have the opportunity to attend the state convention where they meet new people and attend workshops to enhance leadership skills.

Student Council can be a lot of work, but students also have a great time making Capital High a better school for all of us. Mrs. Schlauch tschlauch@helenaschools.org and Mrs. Goody hgoody@helenaschools.org

Thespians/Drama
Lights. . . and scene! Have you ever had an itch to try acting? Do you ever watch movie stars and think you could perform like them? If so, then Thespians might be just for you. The CHS drama program produces three to four plays a year. They also travel to performances and workshops. A thespian can letter and must have 100 hours of on-stage and backstage work. In addition to Thespians, CHS offers beginning and advanced drama classes. Drama students have fun and learn self-confidence while doing monologues, producing plays, and learning stage work. Students in Thespians and drama show their creative sides and learn skills that will apply to a variety of situations on and off the stage. Ms. Brayko lbrayko@helenaschools.org

Vigilante Parade
The Vigilante Parade is an annual Helena event where high school students build floats pertaining to historical events. Students research and build their floats in hope of winning one of the many prizes. Almost the whole school participates in the parade either with a float or with the band or Cadettes. All the necessary information for registration will be given to freshmen in World Cultures class. The parade takes place each year in May. Contact Pat Larson or Kyle Mihelish for more info.

Yearbook (Capital Dome Yearbook)
Yearbook class is a lab environment where students learn the ins and outs of publishing by performing all of the functions necessary to assemble, edit, and sell the yearbook. Students take photographs, write stories and captions, design layouts, make artistic and editorial decisions and think critically about their work. The finished product is a representative of not only the class because students have the unique opportunity to experience the "real" world. In many ways, it is easier to think of working on the yearbook as a job rather than a class. To be successful you must be self-motivated, creative, punctual, willing to work as a member of a team, and have strong writing skills. In order to get the job done, you may be required to attend some after school games, events and dances. The big pay-off in the end is the satisfaction of not only looking at your creation, the yearbook, but also watching the entire school enjoy your work.

Youth Alive
Come and hang out with us as we meet every Monday to talk about our beliefs! Youth Alive is a club that encourages its members through videos, games, guest speakers and devotionals. Our purpose is to make Capital High a better place by applying what we have learned to our daily lives, and being bold in our faith.
Ms. Foot  mfoot@helenaschools.org

Youth Legislature
The Montana YMCA Youth and Government Program provides a fun and educational Youth Legislature and Model Supreme Court for high school students which allows them to learn about state government and the political process. The program is based on the rules, procedures, and traditions of the real Montana Legislature and Supreme Court. Students can run for governor, break a story in the newspaper, pass a bill, lobby for a cause, and be an attorney or a judge for the Supreme Court. It’s up to you!

Fall Sports—Speech and Debate—Cross Country—Cheerleading—Cadettes—Football—Golf—Soccer—Volleyball

Spring Sports—Softball— Track and Field— Tennis

CHS Sports
Capital High has lots of opportunities for students to be physically active, mentally alert and involved in sports—while participating, playing, training, managing, using the weight room, or doing DOTS.

Speech and Debate may not be physical, but it certainly is mentally challenging. Join Speech and Debate and learn how to think on your feet and speak in front of an audience. This fall sport has a long season that continues into February, so expect lots of practices to perfect your skills. You'll compete with other schools in various events with at least eight tournaments throughout the year and one possibly out of state. Expect to travel about every other Friday, and most meets require an overnight stay.
Trainers and Managers assist the athletic trainer, coaches and players. Student trainers learn first aid, prevention, management and rehabilitation of injured athletes. See Mr. Ruff in the training room for more information. Managers help teams as needed with jobs like taking stats and videotaping the games. See the coach to learn more. Both jobs require students to attend practices and games daily.

Weightlifting is offered as a class for freshmen through seniors, but the weight room is open to all students for use after school. For after school lifting, you must be dressed out and in the weight room by 3:30. Be sure to find a lifting partner to help prevent injuries, as well as to motivate you to achieve your optimum physical performance. The weight room is supervised by a staff member and can help you with equipment and technique.

DOTS is a conditioning class available to all students who want to get in shape or prepare for an upcoming sport. DOTS refers to the actual dots painted on the gym decks which students use to perform various exercises. DOTS encourages self motivation and physical fitness. Besides the actual dots part of the program, there are also such activities as TaeBo and weightlifting. The program meets after school during the school year and also throughout the summer in the morning. Summer participation requires a fee.

Intramural Sports are a great alternative to the formal team sports found at CHS. The intramural sports program includes seasons of volleyball, basketball, golf, baseball, and ultimate Frisbee. You create your own teams and compete with other teams. So grab some friends and join the fun of intramural sports. You can join by picking up a form at the office.

Basketball requires the ability to move your fee, shoot, pass and dribble, and a willingness to play within a team environment. Girls and boys compete during the winter season. Try out for this competitive sport and give it your best shot.

Cadettes are all about choreography, hot moves, and cool performances. Practices are five days a week: Monday and Tuesday 4:15 p.m. – 6:15 p.m. and Wednesday – Friday 6:00 a.m. to 7:00 a.m. and help prepare members for performances at various sporting events. Check at the office for more information on tryouts.

Cheerleading is a fall and winter sport. They practice twice a week and cheer at all home games. During summer break both JV and varsity squads attend camp where they learn new cheers and improve their technique. Tryouts are held in April. Go Brown and Gold!

Cross Country is open to all athletes and has no cuts. The top seven runners at the time of each meet make up the varsity team and the remainder makes up the JV team. Practices are daily for 2 hours. Contact the office for info on sign-ups, which start before school begins.

Football is a no cuts sport with all players making one of four teams—freshmen, sophomore, JV and Varsity. Practice starts in August, so athletes need to contact the office for registration information.

Golf takes place during the fall sports season and lasts two months. After two days of tryouts, about 10 players make the boys/girls teams. During weekday practices at the three local courses, players compete to qualify for the tournaments. Transportation to practices and financial expenses including clubs and other necessary golfing equipment is the responsibility of the player.

Soccer requires an agile, athletic person with good stamina and a competitive drive. Girls and boys are in full swing during the fall season. Try out for this competitive sport and give it your best shot.
Swimming starts in mid-November and lasts for three months. Anyone who can swim safely is welcome. Practices are held at the YMCA, typically after school. Meets are held weekly until the state competition in February.

Volleyball season begins at the start of the fall season when players are chosen for varsity, JV, sophomore and freshmen teams. Once on the team, the season consists of daily practices and weekly games.

Wrestling runs from November through February and helps develop strength, endurance self-control and mental toughness. Practice attendance is mandatory in order to participation in tournaments. Wrestling promotes individual achievement as well as team unity. You'll wrestle people of similar weight in order to achieve your personal goals, while also earning team points.

Spring Sports

Track and Field participation is a great way to spend your spring. Practices are held daily at both the CHS track and at Vigilante Stadium. Several track meets a season allow students to compete at freshmen, JV and varsity levels in sprints, long distance, throwing, jumping, pole vault, and hurdle events. This is a great opportunity for athletes to participate in the activity that they choose.

Softball tryouts take place at the beginning of the spring season. Those chosen make up the JV and varsity teams. The season consists of practices after school and weekly games.

Tennis starts in March, and players practice nightly to perfect their serve, ground strokes and volleys. Varsity and JV teams have 12 girls and 12 boys each with four singles and four doubles for every competition. The tennis team travels about once a week. You'll need to provide your shoes and tennis racket for this sport.
Capital High School
Capital High School Song

“Round and Round”

Stand and cheer for the gold and brown

As we fight to win the victory crown

We will win because our name’s renown

We’re the Bruins of Capital High

We’re the Bruins dressed in our gold and brown

And our foe we will put down

As with honor we will win

At each game our school begins

We will fight to give our school a name

That will make us proud at every game

We will be the envy of each town

As we proudly wear our gold and brown
