

SCHOOL DISTRICT ORGANIZATION

School Board Policy

It is the intent of the Board to develop written policies to serve as guidelines and goals for the successful and efficient functioning of the District. The policies are framed and are meant to be interpreted in terms of state statute, administrative rules, and all other regulatory agencies within our local, county, state, and federal levels of government. The policies are also framed and are meant to be interpreted in terms of those educational objectives, procedures, and practices that are broadly accepted by leaders and authorities in the public education field.

Changes in needs, conditions, purposes, and objectives will require revisions, deletions, and additions to the policies of the current Board and those of the future. The Board welcomes suggestions for ongoing policy development.

Policy proposals and suggested amendments to or revisions of existing policies shall be submitted in writing prior to a regularly scheduled board meeting. All new or amended policies become effective upon adoption, unless a specific effective date is provided in the motion for adoption. Minutes of each meeting shall reflect any readings and action taken.
