# WELCOME TO C.R. ANDERSON MIDDLE SCHOOL

Dear C.R. Anderson Students and Parents,

Welcome Back!

As Summer comes to an end and Fall approaches, we are excited to begin the 2019-2020 school year. Having a great start to the year is important, as students and teachers are excited and motivated to learn. A great start will set the tone for a positive school year filled with opportunities in and out of the classroom.

This school year we intend to start each and every class period with a “great start” as we believe a great start leads to improved learning throughout. As we develop lessons and opportunities for our students, I want to stress the importance of your child’s attendance. It is essential to successful learning as it impacts the depth, type, and value of their comprehension. So, let’s go!

Have a great year,

Dave Thennis, Principal

## **CHAPTER I**

### **STUDENT RIGHTS/RESPONSIBILITIES**

Helena School District No. 1 and the Board of Trustees have high academic expectations for all students. We are committed to providing all students with an excellent, well-rounded educational program. With this commitment in mind, we set forth the following:

All students are provided the opportunity to obtain a basic body of understandings, attitudes, knowledge, and skills needed for living in a democracy and the world community.

The opportunity for development of intellectual curiosity, critical thinking, problem-solving abilities, and aesthetic appreciation shall be provided.

Student rights and responsibilities provide a uniform standard of conduct that emphasizes the maintenance of an atmosphere where orderly learning is possible and encouraged. It defines student rights, student responsibilities, disciplinary procedures and actions to be taken. Students are individuals having a myriad of different personality characteristics, learning strengths, learning needs, emotional needs, and maturity levels. Students have the right to considerations because no one method or procedure for learning or discipline can be equally applicable to all.

A student has the right to contribute information that will be considered when decisions are made that affect the quality and content of their education. The District encourages all students to take responsibility for their education, including preparing for and participating in class and school activities, taking full advantage of learning services provided, helping design their educational goals, conducting themselves respectfully and appropriately.

A student is the center of the school and the purpose for which it is operated and maintained. Students, as humans, have the inherent right to be treated with dignity and respect. A student has the right to an education without disruption as provided by law and school board policies. Correspondingly, the student has a responsibility not to deny the right to an education to any other student.

A student shall not be excluded, expelled, limited or otherwise discriminated against in the terms, conditions, benefits or privileges of the District educational program or activity, because of race; creed; religion; gender; marital status; color; age; physical or mental handicap or disability; or national origin, unless based upon lawful grounds, including adopted policies of the Helena Board of Trustees.

A student may not be denied participation in District education programs or any sponsored activity except for such reasons as are provided in the adopted policies of this District; student code; federal, state and county associations or governmental entities; or organizations that sponsor activities, such as the Montana High School Association.

**DEFINITIONS:** The following definitions shall apply to the content of this document:

**Student** shall mean a person enrolled and admitted to the middle school of Helena School District No. 1 and as provided by state and federal law.

**School authority** shall mean any District teacher or certified personnel, administrator, or other adult District employee unless specifically stated otherwise.

## **1. SEXUAL HARASSMENT**

A student has the right to attend and participate in school activities in an environment free from sexual harassment. Helena School District No. 1 does not tolerate sexual harassment in any form.

### **Sexual harassment:**

All references to sex discrimination throughout these procedures include gender-based harassment and sexual harassment. Gender-based harassment may include acts of verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex-stereotyping, even if those acts do not involve conduct of a sexual nature. Sexual harassment can occur whenever an individual makes sexual advances, requests sexual favors, and engages in other verbal or physical conduct of a sexual or sex-based nature, imposed on the basis of sex, that:

In the case of a student, denies or limits the provision of educational aid, benefits, services, or treatment; or that makes such conduct a condition of a student's academic status; or in the case of an employee denies or limits the employment, recruitment, consideration, or selection or treatment, or that makes such conduct a condition of the employee's employment status; OR

Has the purpose or effect of:

- ~ substantially interfering with a student's educational environment or employee's work environment.;
- ~ creating an intimidating, hostile, or offensive educational or work environment;
- ~ depriving a student of educational aid, benefits, services, or treatment; or depriving an employee of the benefits of or deprives that employee of employment opportunities; or
- ~ making submission to or rejection of such conduct the basis for academic decisions affecting a student or employment decisions affecting an employee.

Sexual harassment includes sexual violence. Sexual violence refers to physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent due to the victim's use of drugs or alcohol or is unable to give consent due to an intellectual or other disability. Sexually violent acts include rape, sexual assault, sexual battery, and sexual coercion.

## **2. NON-DISCRIMINATION NOTICE**

The Helena School District #1 strives to comply with all federal and state rules and regulations. The Helena Public Schools do not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. This holds true for all students who are interested in participating in education programs and/or extracurricular school activities. Inquiries regarding compliance and/or grievance procedures may be directed to the school district's Title IX officer and/or Section 504/ADA Coordinators who have been designated to handle inquiries regarding non-discrimination policies:

Dave Thennis, Principal  
Title IX Building Coordinator  
ADA/Section 504 Coordinator  
1200 Knight St.  
Helena, Montana 59601  
406-324-2800

### **3. STUDENT EXPRESSION**

Students enjoy the right of expression as provided by state and federal law. The student may not, by speech or conduct, materially disrupt class work or educational programs; or cause substantial disorder or invasion of the rights of others; or substantially interfere with the requirements of appropriate discipline, education programs or other activities in the operation of the school. The use of vulgar, offensive, lewd or indecent speech or conduct is prohibited in the School District.

### **4. PERSONAL APPEARANCE**

The students at CRA are proud of their individual appearance and the freedom to express themselves through the latest fashions. It is our goal to continue the tradition of our students presenting themselves in a positive manner. We ask that students are well groomed and demonstrate personal hygiene, exemplified by excellent manners and respect for each other. Your peers and teachers will appreciate your cooperative spirit and working together to present yourself by being your best. We respectfully request that you dress in a manner that does not distract from the learning environment of other students. To maintain high standards in health and safety for all our students, we request that all students focus on personal cleanliness and their overall personal appearance.

- 🐾 Students shall not wear caps or other headgear including bandanas, scarves, sunglasses, headphones or earphones in school buildings before, during, or after normal school hours. Caps may be worn after normal school hours while in attendance at athletic events in the gymnasium.
- 🐾 Students shall not wear clothing or jewelry that advertises/references tobacco, alcohol, drugs, or other harmful substances.
- 🐾 Students are prohibited from wearing any jewelry or other ornament that could cause personal harm to the student or another. Chains that are considered jewelry are not acceptable at CRA.
- 🐾 Students shall not wear articles of clothing that are adorned with sexually suggestive slogans, profanity, lewd pictures, vulgar or obscene displays, or that which may be offensive to another's religion, race or national origin.
- 🐾 Students shall wear shoes or sandals to school and class. Footwear that is determined to be unsanitary or hazardous in the building may not be worn. Footwear that converts into rolling shoes is considered hazardous.
- 🐾 Students shall wear appropriate clothing that does not disrupt the learning environment of other students and staff. Overly revealing apparel shall not be worn to school. This includes, but is not limited to, cropped tops revealing midriffs, mesh tops, spaghetti straps, shirts without sides, pajamas, sagging pants or sweats that reveal undergarments such as boxer shorts, thongs, underwear, or bare skin, and dresses or tops which were intended as undergarments shall not be worn in school. Students who wear clothing that disrupts the learning environment at C.R. Anderson School may be sent home to change into appropriate school apparel. Refusal to comply will result in additional disciplinary action.
- 🐾 Students are prohibited from wearing trench coats, dusters or other long coats to or in school.
- 🐾 Any hairstyle is permitted so long as it is kept neat, clean and controlled. Facial hair is permitted if it is kept neat and clean.
- 🐾 Students shall not wear backpacks during the school day.

Repeated violations of these rules concerning student dress and grooming may result in a student being subjected to disciplinary action. **Board Policy: 3035 Student Appearance**

## **5. PHYSICAL EDUCATION ATTIRE**

For security and safety reasons, every article of clothing must be marked with your last name visible on the outside. Gym shoes, socks, T-shirts, shorts, and proper undergarments will be needed. C.R. Anderson School is not responsible for stolen clothing or locks. Students should lock all clothing and personal items in their individual lockers and should not share locker combinations with other students.

C.R. Anderson School, in conformance with District policy, has recommended procedures and dress in the physical education departments.

The basic principle is that clothing selected by a student must not violate considerations of safety, restrictions of movement in required performance, and modesty.

If you are sensitive to cold temperatures, bring sweat clothing to wear while participating in outdoor activities. Parents of students who refuse to dress out for physical education will be notified and students may be subject to disciplinary action. For hygiene and safety reasons, students are not allowed to wear regular school clothes while participating in P.E. activities.

## **6. EXTRA-CURRICULAR AND CO-CURRICULAR ACTIVITIES**

Directors of extra-curricular and co-curricular activities may establish additional standards of personal appearance, including dress and grooming requirements for such activities (e.g., concerts). Students participating in those extracurricular and co-curricular activities shall abide by those standards.

## **7. STUDENT ASSEMBLIES**

The staff at CRA believes school assemblies are excellent educational opportunities for students. While attending assemblies, we ask that students respect those performing, presenting, and entertaining the audience. Your cooperation in demonstrating excellent behavior is appreciated by all attending our assemblies.

During a school assembly students shall:

- 🐾 Respectfully remain quiet and attentive during the entire program.
- 🐾 Be courteous of other individual's rights and space during the program.
- 🐾 Remain in their seats until a school authority has dismissed them.
- 🐾 Refrain from whistling, talking or other acts of discourtesy that interrupts the performance.

Violation of these rules shall subject the student to the disciplinary code.

## **8. STUDENT, BUILDING AND LOCKER SEARCHES**

School authorities maintain supervision, control, and jurisdiction of students who participate in or attend any school activity, whether on or off School District premises. The school building principal or designee is authorized to search a student, locker, personal property, (e.g. wallets, purses, pockets, book bags) while on or off school premises, at a school sponsored activity, or while on school transportation in transit to and from a District activity or sponsored activity, or while transit on a school bus or other transportation authorized by the District. A search may be conducted provided the school authority has reasonable

suspicion as to a violation of law, school policy or school rules. Students who abuse lockers may lose their privilege of using a school locker. You should always treat school property with respect.

**Personal searches:** A student's person and/or personal effects (e.g. purse, book bags, etc.) may be searched when a school authority has reasonable suspicion to believe the student is in possession of illegal, unauthorized or contraband (stolen) items in violation of school rules or local, state or federal law.

**Locker searches:** Student lockers, contents and secured personal property may be searched without prior notice given to the student. Searches shall, whenever possible, be conducted in the presence of an adult witness and the given student. School lockers are temporarily assigned to students. **Lockers remain the property of the School District at all times. The District has a reasonable and valid interest in insuring that lockers are properly maintained for safety and health reasons.**

**Canine Assisted Searches:** Trained canines accompanied by a trained handler may be used to assist the administration in a general search of the school or school grounds for the purpose of discovering illegal drugs or paraphernalia. No specific searches of students will be conducted by these means. General searches may take place in common areas as well as classrooms. Students will exit the classroom prior to any canine assisted search.

Any illegal, unauthorized or contraband items discovered during such inspections shall be confiscated by school authority. School authority shall determine appropriate action, including notification of law enforcement authorities and commencement of disciplinary proceedings. **Board Policy: 3040 Searches and Seizures**

## **9. FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA) NOTICE FOR DIRECTORY INFORMATION / PROTECTION OF PUPIL RIGHTS AMENDMENT (PPRA)**

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day C R Anderson receives a request for access.

Parents or eligible students should submit to the school principal a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask C R Anderson to amend a record should write the school principal clearly identifying the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer or contractor outside of the school who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Helena Middle School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, DC 20202

Listed below are disclosures that elementary and secondary schools may make without consent:

FERPA permits the disclosure of PII from students' education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in 34 C.F.R. 99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the school to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A school may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student –

- To other school officials, including teachers, within the educational agency or institution whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(2) are met. (§99.31(a)(1))
- To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for

purposes related to the student's enrollment or transfer, subject to the requirements of §99.34. (§99.31(a)(2))

- To authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency in the parent or eligible student's State (SEA). Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§99.31(a)(3) and 99.35)
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31(a)(4))
- To State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a State statute that concerns the juvenile justice system and the system's ability to effectively serve, prior to adjudication, the student whose records were released, subject to §99.38. (§99.31(a)(5))
- To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction. (§99.31(a)(6))
- To accrediting organizations to carry out their accrediting functions. (§99.31(a)(7))
- To parents of an eligible student if the student is a dependent for IRS tax purposes. (§99.31(a)(8))
- To comply with a judicial order or lawfully issued subpoena. (§99.31(a)(9))
- To caseworkers or other Child Protective Services representatives when DPHHS/CPS is legally responsible for the care and protection of the student. 20 U.S.C. § 1232g(b)(1)(L).
- To appropriate officials in connection with a health or safety emergency, subject to §99.36. (§99.31(a)(10))
- Information the school has designated as "directory information" under §99.37. (§99.31(a)(11))

### **Notice for Directory Information**

The *Family Educational Rights and Privacy Act* (FERPA), a Federal law, requires that Helena Public Schools with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, Helena Public Schools may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the Helena Public Schools to include this type of information from your child's education records in certain school publications. Examples include:

- A playbill, showing your student’s role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Student directories;
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent’s prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the *Elementary and Secondary Education Act of 1965* (ESEA) to provide military recruiters, upon request, with the following information – names, addresses and telephone listings – unless parents have advised the LEA that they do not want their student’s information disclosed without their prior written consent.<sup>1</sup>

If you do not want the Helena Public Schools to disclose directory information from your child’s education records without your prior written consent, you must notify the District in writing by **the third Friday in November**. Helena Public Schools have designated the following information as directory information:

- |  |                           |
|--|---------------------------|
| • Student’s name   | • Address                 |
| • Telephone listing  | • Electronic mail address |
| • Photograph   | • Date of birth           |
| • Dates of attendance  | • Grade level             |
| • Participation in officially recognized activities and sports |                           |

### **Notification of Rights Under the Protection of Pupil Rights Amendment (PPRA)**

PPRA affords parents certain rights regarding our conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include the right to:

- *Consent before students are required to submit to a survey that concerns one or more of the following protected areas (“protected information survey”) if the survey is funded in whole or in part by a program of the U.S. Department of Education (ED)–*
  1. Political affiliations or beliefs of the student or student’s parent;
  2. Mental or psychological problems of the student or student’s family;
  3. Sex behavior or attitudes;
  4. Illegal, anti-social, self-incriminating, or demeaning behavior;
  5. Critical appraisals of others with whom respondents have close family relationships;
  6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
  7. Religious practices, affiliations, or beliefs of the student or parents; or
  8. Income, other than as required by law to determine program eligibility.
- *Receive notice and an opportunity to opt a student out of–*
  1. Any other protected information survey, regardless of funding;
  2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the

- immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under State law; and
3. Activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others.
- *Inspect, upon request and before administration or use –*
    1. Protected information surveys of students;
    2. Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and
    3. Instructional material used as part of the educational curriculum.

These rights transfer from the parents to a student who is 18 years old or an emancipated minor under State law.

Helena Public Schools have developed and adopted policies regarding these rights, as well as arrangements to protect student privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes.

Helena Schools will directly notify parents via the District web site of these policies at least annually at the start of each school year and after any substantive changes. Helena Schools will also directly notify, such as through U.S. Mail or email, parents of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parent to opt his or her child out of participation of the specific activity or survey. Helena Schools will make this notification to parents at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys listed below and be provided an opportunity to opt their child out of such activities and surveys. Parents will also be provided an opportunity to review any pertinent surveys. Following is a list of the specific activities and surveys covered under this requirement:

- Collection, disclosure, or use of personal information for marketing, sales, or other distribution.
- Administration of any protected information survey not funded in whole or in part by ED.
- Any non-emergency, invasive physical examination or screening as described above.

Parents who believe their rights have been violated may file a complaint with:

Family Policy Compliance Office

## **10. RIGHTS TO EQUAL EDUCATIONAL OPPORTUNITIES, TITLE IX, SECTION 504, AMERICANS WITH DISABILITIES ACT**

### ***Equal Educational Opportunities***

Equal educational and extracurricular opportunities shall be available for all students without regard to race, color, national origin, sex, religious beliefs, physical and mental handicap or disability, or actual or

potential marital or parental status. The District will not knowingly enter into agreements with any entity or any individual that discriminates against students on the basis of sex or any other protected status. Any student may file a discrimination grievance by using the Uniform Grievance Procedure.

No student shall, on the basis of sex, be denied equal access to programs, activities, services, or benefits or be limited in the exercise of any right, privilege, advantage, or denied equal access to educational and extracurricular programs and activities. Any student may file a sex equity complaint by using the Uniform Grievance Procedure.

Inquiries regarding discrimination of any kind should be directed to the District's Title IX Coordinator, who shall provide information and, if necessary, direct the individual to the Uniform Grievance Procedure. The District will annually publish notice of these rights to students and parents.

### ***Title IX Grievance Procedures***

The Helena School District has adopted internal grievance procedures providing for the prompt and equitable resolution of complaints alleging any action prohibited by Title IX of the Education Amendments of 1972 Act (Title IX). Title IX prohibits discrimination on the basis of sex in education programs or activities operated by public school districts. Sexual harassment is a form of sex discrimination. District does not discriminate on the basis of sex in its education programs and activities.

All references to sex discrimination throughout these procedures include gender-based harassment and sexual harassment. Gender-based harassment may include acts of verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex-stereotyping, even if those acts do not involve conduct of a sexual nature. Sexual harassment can occur whenever an individual makes sexual advances, requests sexual favors, and engages in other verbal or physical conduct of a sexual or sex-based nature, imposed on the basis of sex, that:

In the case of a student, denies or limits the provision of educational aid, benefits, services, or treatment; or that makes such conduct a condition of a student's academic status; or in the case of an employee denies or limits the employment, recruitment, consideration, or selection or treatment, or that makes such conduct a condition of the employee's employment status; OR

Has the purpose or effect of:

- 🐾 substantially interfering with a student's educational environment or employee's work environment.;
- 🐾 creating an intimidating, hostile, or offensive educational or work environment;
- 🐾 depriving a student of educational aid, benefits, services, or treatment; or depriving an employee of the benefits of or deprives that employee of employment opportunities; or
- 🐾 making submission to or rejection of such conduct the basis for academic decisions affecting a student or employment decisions affecting an employee.

Sexual harassment includes sexual violence. Sexual violence refers to physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent due to the victim's use of drugs or alcohol or is unable to give consent due to an intellectual or other disability. Sexually violent acts include rape, sexual assault, sexual battery, and sexual coercion.

### ***District Title IX Coordinator***

Inquiries concerning the application of Title IX may be referred to the District's Title IX Coordinator:

Personnel Services Administrator  
55 South Rodney St.  
Helena, MT 59601  
406.324.2012

Inquiries may also be referred to the Office of Civil Rights, United States Department of Education.

### ***Filing a Complaint***

An individual believing that he or she has been the victim of sex discrimination should file a complaint with the Title IX Coordinator within 30 days of the incident(s) giving rise to the allegations. If the individual wishes to invoke the formal complaint procedures (see formal complaint procedures section), the complaint should be made in writing. An individual wishing to invoke the informal resolution process may make a complaint in writing or verbally.

An individual wishing to make a complaint will be provided with a copy of both the informal resolution procedure and the formal complaint procedures.

### ***Section 504 and the Americans with Disabilities Act (ADA)***

It is the intent of the District to ensure that students who are disabled within the definition of Section 504 of the Rehabilitation Act of 1973 are identified, evaluated, and provided with appropriate educational services.

For those students who need or are believed to need special instruction and/or related services under Section 504 of the Rehabilitation Act of 1973, the District has established and implemented a system of procedural safeguards. Safeguards include a students' identification, evaluation, and educational placement. This system includes notice, an opportunity for the student's parent or legal guardian to examine relevant records, an impartial hearing with opportunity for participation by the student's parent or legal guardian, and a review process.

School District No. 1 has appointed an officer to assist any employee, student, parent, or legal guardian with a Section 504/ADA concern. Inquiries concerning Section 504/ADA may be referred to the Central Administration Office, 55 South Rodney Street, Helena, Montana, 59601, or may be made by calling 1-406-324-2010.

Procedures have been established for addressing any questions or concerns and for resolving any conflicts relating to Title IX/Section 504/ ADA that may be raised by an employee, student, parent, or legal guardian in School District No. 1. A copy of those procedures may be obtained from building Principals or the Central Administration Office.

## **11. C. R. ANDERSON SCHOOL BEHAVIOR INCENTIVE PROGRAM**

The behavior policy at C.R. Anderson Middle School is based upon the premise that people will treat all others in a dignified manner. This includes keeping their hands, feet, and all objects to one's self and not abusing others with profanity or undesirable comments.

### ***Positive Student Behavior Incentives***

C. R. Anderson School endorses a policy that reinforces positive behavior and academic excellence by the student body. The following recognition levels are available to all students.

### ***4.00 Grade Point Average***

Any student earning a 4.00 average for a quarter will be eligible to receive a Gold Sticker on the back of their student identification cards. This Gold Sticker will identify the student as a 4.00 student and will entitle the student to purchase items at a discount at various Helena businesses during the following quarter. To earn this level of recognition the student must receive A's in all subjects for the quarter and have no referrals of either minor or major infraction types during that period. The award is good only for the following quarter and must be earned each quarter.

### ***3.245-3.99 Grade Point Average***

Students demonstrating academic excellence by receiving a grade point average of at least a 3.245 (rounded to a 3.25) will be eligible to receive a Blue Bonus Card. The Blue Bonus Card will have a lower discount rate than the 4.00 Gold Card. As with the 4.00 GPA student, the student must not have any referrals to the office during the quarter in which the 3.245 grades were earned. This recognition must be earned each quarter.

### ***Guidelines for Discount Card Use***

#### **What Items Can Be Purchased?**

The retail manager solely determines items covered or not covered by the sticker. You are encouraged to check with sales people at the business before attempting to make a purchase. Sale items may or may not be covered at stores; the student should inquire before attempting to use the discount card.

#### **Who Can Use the Discount Stickers?**

**Purchase discounts are for the student only.** Using the card for purchasing items for a friend or someone other than the student will be grounds for voiding the discount card.

#### **How Long Can The Discount Stickers Be Used?**

An expiration date will be provided to the student. This date is established so that you may obtain the benefit from the card for a period of time equal to one quarter of the school year.

Using the Stickers is a privilege that you, the student earned. Remember to use it wisely and in good faith so the program will be available to you and other students in future quarters of school.

## **12. STUDENT GRADE PHILOSOPHY**

**A**—The student exceeds the expectations of the teacher. All work is completed on time and is of superior quality. It shows mastery of the subject matter.

**B**—The student meets the expectations of the teacher, has mastered the subject matter, and completes work on time.

**C**—The quality of work is average. The student is showing normal achievement.

**D**—Work is below normal, but shows some evidence of growth. Effort is considered in this grade.

**F**—Work is not satisfactory.

**M**—Medical withdrawal. This is used for Physical Education classes only.

### 13. **HONOR ROLL**

- 🐾 All classes that appear on a student’s schedule will be included, with the exceptions of study halls and student assistant programs.
- 🐾 Courses will be weighted according to the number of class periods of instruction per week.
- 🐾 A minimum grade point average of 3.25 is required for honor roll status.

#### *Calculating the Grade Point Average*

<b>Letter Grade Point</b>		
<b><u>Grade</u></b>		<b><u>Equivalent</u></b>
A	=	4
B	=	3
C	=	2
D	=	1
F	=	0

<b>Semester Weight</b>	
<b><u>Course Type</u></b>	<b><u>Factor</u></b>
English	1
Mathematics	1
Reading English	2
Science	1
Social Studies	1
Spanish	1
Semester Rotations	1

Note: Every other day rotations such as; Band, Chorus, Art, Health, etc. .5

**Step 1:** Determine the *grade point equivalent* for each class on schedule (from table upper left table.)

**Step 2:** Multiply *grade point equivalent* times the appropriate *weight factor*. (Using upper right table.) Product is called *grade points*.

**Step 3:** Add all *grade points*. Add all *weight factors* for the quarter.

**Step 4:** Divide total *grade points* by total *weight factor*.

Carry answer out three (3) places = **grade point average**: 3.245 or **higher qualifies for school honor roll.**

SUMMARY: 1. Class weight factor x grade point average = grade points

2.  $\frac{\text{Total grade points}}{\text{Total weigh factors}} = \text{grade point average}$

#### **14. WITHHOLDING OF GRADES, DIPLOMA OR TRANSCRIPT**

Montana law (M.C.A. 20-201) allows a school district to withhold the grades, diploma, or transcripts of a pupil who is responsible for the cost of school materials or the loss or damage of school property until the pupil or the pupil's parent or guardian satisfies the obligation.

If a student transfers to another school district in the state the receiving district will be notified of any financial obligation of the pupil and will be requested to withhold the pupil's grades, diploma or transcripts until the obligation to the sending district is satisfied. Parents may challenge the underlying financial obligation using the District's Uniform Compliant Procedure.

#### **15. ACCEPTANCE OF TRANSFER CREDITS**

Helena Public Schools generally accept transfer credits from other accredited schools and institutions. Transfer credits from schools and institutions accredited by the Montana Office of Public Instruction, the Northwest Accrediting Association or similar U. S. accrediting agency, Department of Defense Schools, or schools accredited by the appropriate State Department of Public Instruction of the respective state will be accepted. Correspondence and online credit will be accepted from schools and institutions accredited by the Northwest Association or similar accrediting agency.

Credits from non-accredited schools are subject to review and evaluation by the principal or principal's designee. Acceptance of transfer credits from non-accredited schools is not guaranteed.

#### **16. ACADEMIC ASSISTANCE PROCESS / RETENTION POLICY**

For students who have academic or behavioral difficulties a team meeting could be called by a concerned parent, concerned teacher, counselor or administrator. The intent of the meeting will be to discuss possible interventions or solutions to any problems.

Academic assistance may be available for all students through the after-school program. Participation in the program may be self-selected or by parent/staff referral based on a combination of the following factors.

- 🐾 Poor grades
- 🐾 High absenteeism
- 🐾 Lack of homework completion
- 🐾 Lack of resources outside the school setting

Students participating may sign up for the program with their core teachers.

Sometimes despite our best efforts, students continue to experience academic failure. Students who need academic assistance will be monitored throughout the year. While research does not support retention at the middle school level, a process is necessary to keep parents informed of their child's performance.

- 🐾 In keeping with district policy, students whose overall academic performance is below the 60% level will be identified and parents will be formally notified at the end of the second, third, and fourth quarters.
- 🐾 Parents of students will be notified regarding high absenteeism.

🐾 Counselors will:

- Contact students considered at risk for retention.
- Facilitate team meetings to review student history, current performance, and possible options for support.
- Contact parents.

## **17. REQUESTS FOR DAILY WORK**

C. R. Anderson School will cooperate with students who are ill and wish to keep up on their schoolwork while at home. The request may be made by telephone, and the material picked up in the office after school by the parent or other members of the family. PLEASE DO NOT ASK A PARENT OR GUARDIAN TO REQUEST THIS SERVICE UNTIL YOU HAVE BEEN OR WILL BE, OUT OF SCHOOL FOR TWO DAYS IN A ROW.

## **18. ADVANCED NOTICE OF ABSENCE**

If you know you will be absent ahead of time, bring a signed note from your parent or guardian to the main office before it is taken to your instructors. It is *the student's obligation* to check with the instructors at least two days before an absence for makeup work if the teacher has any work at that date. If teachers do not assign work to you before your absence, it is your responsibility to check with them upon your return to school for any additional work to be completed.

## **19. MAKE-UP PRIVILEGES**

Contact your teachers at once about make-up work. A student with an *excused absence* will be given twice the number of days missed to make-up work assigned during the absence **up to a maximum of 4 days**. The teacher or building administrator may grant extensions.

Assignments or tests scheduled prior to the excused absence dates will be due upon the student's return. However, in cases of serious illness or family emergency, the teacher or building administrator may grant extensions.

In the case of an *unexcused absence*, the student is held accountable for the content of the work missed, **but the make-up privilege is withdrawn and no grades will be earned for that day.**

## **20. EXTRA-CURRICULAR PRIVILEGES**

Students **must attend a full day of classes in order to participate in after-school or evening school sponsored activities.** Exceptions may be granted by the building principal.

## **21. WITHDRAWAL PROCEDURES**

Parental approval must be received before a withdrawal procedure is initiated. A student who is going to withdraw from school must then obtain a withdrawal form from the office. All textbooks will need to be turned in to his/her teachers. Teachers will need to sign the withdrawal form, including the librarian and counselor. Before checking out of school, students will be responsible for paying fines for any missing materials.

## **22. COMMUNICATION WITH FAMILIES**

Communication between the home and school is an essential part of any school program. You are encouraged to contact your child's teacher, principal or any specialist if you have questions, concerns, or compliments about your child's progress in school.

There are a number of ways for parents to receive information about their child's progress and school.

- **PowerSchool / Parent Portal** – Contact school administration for login and password information.
- **Open House** is a time set aside each fall for parents to visit their child's school and meet with teachers. Each teacher explains curriculum, grading practices, homework policies and general expectations. This is not a time for individual parent/teacher conferences.
- **Report Cards** are issued following each nine-week period. These reporting forms record academic progress and effort in each area of the curriculum.
- **Parent/Teacher Conferences** provide opportunities for teachers to share information with parents about their child's progress in school. The parent/teacher conference is an important means of reporting to parents and guardians. These conferences are scheduled in the fall and spring of the year. Additional conferences may be held at the request of the parent or teacher anytime during the year.
- **Newsletters** are emailed and posted on the school web site on a regular basis to provide timely information about the school, classroom and District activities
- **Parent Council Groups** (PTSO at HMS) are established in each school to provide valuable support and service to students and staff. Parents are encouraged to become active members.
- **School District Web Site** at <http://helenaschools.org> provides general information about the District and its programs, as well as current news items.
- **Superintendent's Parent Advisory Council** meets monthly at the May Butler Center. Membership is comprised of a parent representative from each school. If you are interested in participating please notify your child's building principal.
- **Assessment Results** also give parents an indication of how their child is progressing in school. Students in Grades Three, Four, Five, Six, Seven, and Eight will participate in the Smarter Balanced State Assessment in the Spring. Students in grades 3 -8 and 10 will also participate in the State Science assessment. Students in Grade 7 & 8 will participate in the ACT Aspire assessment. Test results assist teachers, principals and District administration in determining the effectiveness of instructional programs.
- **The District Calendar** will be distributed by the *Independent Record* in August. The calendar will contain the District's Report to the Community and will include student achievement results, program information, sports schedules and much more.

## **23. CAFETERIA**

### ***Breakfast and Lunch Programs***

C. R. Anderson Middle School uses an electronic system for the breakfast and lunch programs. Each student has a personal ID number. This ID number identifies the student's breakfast and lunch account. The students will be issued photo ID cards shortly after pictures are taken in the fall which will have the student's personal ID number. This card will be used to purchase food in the cafeteria.

Students are not allowed to use another student's ID card. If a student loses their ID card, replacement cards are available in the main office at a cost of \$3. Misuse of free or reduced breakfast/lunch privileges is in

violation of the Federal National School Lunch, School Breakfast, Commodity School or Special Milk Programs. **If an infraction such as giving or selling a free or reduced breakfast/lunch occurs, students will be warned and parents will be notified that privileges for free or reduced lunch may be lost.**

Students can add money to their account at the main office before school. Student accounts will be debited as food is purchased in the cafeteria. Seconds may be purchased, if food is available, at the same cost as the first meal. Students who receive free and reduced services must purchase seconds at the full cost of the meal. For inquiries regarding account balances, call the CRA office at 324-2800.

### ***Meal Charges***

The District recognizes that students may forget or lose lunch money or may have an unpaid meal account balance. The District endeavors to treat all students with dignity regarding unpaid meal charges; however, unpaid meal charges create a significant financial burden for the District. To ensure that students do not go hungry but also minimize the financial burden, the District shall charge meals and collect on meal account charges in all schools consistent with this policy.

Students who are eligible to receive free meals do not have a meal account and, therefore, are not subject to this policy. Free lunch status students may pre-pay for or purchase a la carte items with cash or check.

Parents may restrict their child's ability to charge by sending the school written notice either stating their child cannot charge or limiting the amount their child can charge. However, they will need to send a lunch with their child.

### ***K-12 Students***

Students will pay for meals at the full rate as established by the District in accordance with federal law. Eligible students will pay a reduced rate as established by the District in accordance with federal law. Meals must be pre-paid. Students will be permitted to charge a maximum of \$30.00 once his or her meal account reaches zero. Once a student has charged the maximum number of meals, the student will no longer be permitted to charge and parents will initially be contacted directly by phone or in person by the building principal. The school will offer the student an emergency (regular) meal at the standard rate.

### ***Payment of Meal Account***

Each school shall maintain records regarding student meal balances. The District will send out notices to parents/guardians informing them of low or negative meal account balances. Parents/guardians may also check a student meal account balance online at [mymealtime.com](http://mymealtime.com).

Parents/guardians must submit payment for meal accounts with a credit card or debit card at [mymealtime.com](http://mymealtime.com) OR pay in person with a check or cash at their student's school. Payment must be submitted 30 days from date of notice of deficit balance. If the District has not received payment within 30 days the payment is considered overdue and is a delinquent debt.

**See: Board Policy 7052 Meal Charges**

### ***Pay On-Line Program***

The Food Service Program has purchased the "Pay On-Line Program" for your student's food service account needs. You can go to our web site, [www.sodexoeducation.com](http://www.sodexoeducation.com), follow the prompts to get to our school district and you will see a section to pay on line. Here you will be able to use a credit card and put

money into your student's account. We also have the capability to track all transactions within an account. If you want to know how your student is spending his or her money, please contact either the school office or the District Food Service Office at 324-2512. There will be a service fee with every transaction that will be charged at the time of the deposit. Deposits will take a minimum of 72 hours to process.

Menus for each school are available on the School District web page at:  
[https://www.sodexoeducation.com/segment\\_0200/district\\_3701/ENM/Entry1](https://www.sodexoeducation.com/segment_0200/district_3701/ENM/Entry1)

Select "menu", choose the state, then our District. This site includes menus and other links which provide information on many USDA nutrition programs including eligibility guidelines for the School Lunch program. Take a look, there are many fascinating facets to the USDA programs.

***Applications for free and reduced-priced lunches are available at each school.***

The C. R. A. Cafeteria is maintained as a vital part of the nutritional and health programs at school. The Ala Carte bar is a supplement to a lunch, not a lunch itself. Exceptions are juice, milk and yogurt. To encourage good nutrition, a well-balanced lunch is offered at a reasonable price. New this year we have a web-based point of sale system that has many features including; family meal plans, instant update with a pay online purchase, and a la cart for the lunch program can be tracked through this program, along with many new features.

The school breakfast and lunch prices for the 2018-2019 school year are as follows:

- a. Breakfast - Student - \$1.45
- b. Lunch - \$2.80 per lunch
- c. Milk - \$0.50 per half pint
- d. Adult Breakfast - \$2.50 per breakfast
- e. Adult Lunch - \$3.75 per lunch

To encourage a pleasant atmosphere, students are expected to be courteous and:

- 🐾 Deposit all lunch litter in wastebaskets.
- 🐾 Return all trays and utensils to the dishwashing area.
- 🐾 Leave tables and floors clean for those who follow.
- 🐾 Please take care of all new equipment and tables; there is no money to replace equipment that is vandalized.
- 🐾 Move away from the building. This is to keep the noise down for classes in session.
- 🐾 Do not return into the building and hallways until the lunch period is over. Remember other classes are in session and we need you to be quiet as you go to your classes.
- 🐾 Due to the risk of injury, no games that include tackling or piling on will be allowed.
- 🐾 Cafeteria rules are: Keep your feet and hands to yourself.
- 🐾 Courteous conduct and good citizenship is expected who use the C.R.A Cafeteria

The middle schools operate on a closed campus policy. Students are not permitted to leave the school grounds to eat lunch. The only exception to this rule will be for those students accompanied by their own parent. In this case, students must check out and back in at the attendance office. **Students will not be permitted to leave school grounds during lunch if their parent or legal guardian is not present.** Students will only be excused for their class lunch period.

*Failure to comply with any of the above may result in a referral to the main office.*

Middle Schools have revamped the "**Energy Download Zone.**" This program features multiple entrees and various fruits and vegetables. This year students can make their own sandwich at the deli sandwich bar. The bar will have fresh meats, cheeses, breads and a variety of toppings which will be available daily. Additionally, there will be several separate stations that will include rotating menus such as the; Asian bar, wrap bar, specialty salad bar, chicken wing bar, pasta bar, potato bar, and many others. Each of these bars will be a full-service bar with all the extras at no additional cost other than just the price of a lunch. Milk, fresh fruit, fresh vegetables and salad are also included.

Every parent/guardian may have a **FREE** lunch and a **FREE** breakfast, with their child(ren) each month during the school year. The School Food Service Program wants to encourage parents to be a part of their student's meals so they can witness what their students are really eating at school. This opportunity is also designed to show you what is offered every day in our meal programs. Please notify the school in advance if you plan to eat with your child. This offer is excludes special events like BBQ days or open houses.

#### **24. DANCE REGULATIONS**

- 🐾 Students who are disruptive or demonstrating poor citizenship will be sent home.
- 🐾 Students will not be allowed back in the main school building after the dance.

#### **25. ADDRESS/TELEPHONE/EMAIL CHANGES**

The arrangements should be made prior to coming to school.

### ***Student Cell Phone, Listening Devices, and other Personal Technology Devices***

Students are permitted to possess cellular telephones, iPod, or personal technology devices either on their person or in their locker. We ask that students turn off their phones as this sometimes distracts from the classroom experience.

<sup>1</sup>Per MCA 20-5-402, a preschool is defined as a facility that provides, on a regular basis and as its primary purpose, educational instruction designed for children 5 years of age or younger and that: (a) serves no child under 5 years of age for more than 3 hours a day; and (b) serves no child 5 years of age for more than 6 hours a day.

<sup>2</sup>Hib vaccine is not recommended for children older than 59 months.

<sup>3</sup>When following the ACIP schedule, children will have at least 5 doses of DTaP and 4 doses of polio vaccine.

<sup>4</sup>A pupil 7 years or older who has not completed the DTaP requirement must receive additional doses of Tdap vaccine or Td vaccine to become current in accordance with the Advisory Committee on Immunization Practice (ACIP) recommendations per ARM 37.114.705.

<sup>5</sup>While it is not recommended, if a child younger than 13 years receives their second dose of varicella at an interval of 4 weeks or longer, the dose does not need to be repeated.

<sup>6</sup>As of October 1, 2015 pupils are required to have varicella vaccine and all pupils 7<sup>th</sup>-12<sup>th</sup> grade must have a Tdap vaccine.

Note: A four-day grace period may apply, as appropriate, per the ACIP recommendations.

September 2018

If a child has not completed the minimum vaccination series required by Montana Law, a Conditional Attendance Form (HES 103) should be completed and attached to the Certificate of immunization Form (HES-101). If the pupil has received at least one or more doses of the required vaccine(s), he/she can conditionally attend until the

next dose is due. In order to remain in school, the pupil must continue to receive all remaining doses as specified on the conditional form. If the pupil fails to complete the immunization(s) within the time period indicated, he/she must either qualify for and claim an exemption or be excluded immediately from school by the school administrator or that person's designee.

### ***Immunization Exemptions***

#### ***Medical Exemption (Form No. IZ HES101A; 10/2018)***

Any student seeking to attend school is not required to have any immunizations which are medically contraindicated. A written and signed statement from a physician that an immunization is medically contraindicated will exempt the student from the immunization requirements that are deemed necessary by the physician. Chiropractors, naturopathic doctors, nurse practitioners, or physician assistants may not sign off on medical exemptions. Only a physician (MD or DO) licensed to practice medicine in any jurisdiction of the U.S. or Canada.

On the revised medical exemption form the physician will need to check if this is a contraindication or a precaution for immunizations. Then he or she will check the box that has the reasoning for the exemption. A physician may elect to submit a letter in place of the medical exemption form provided the following are included:

1. Which specific immunization(s) are contraindicated.
2. The period of time during which the immunization is contraindicated. (Permanent or Temporary exemption. If temporary, the end date must be given.)
3. A medical reasoning to why the immunization(s) are contraindicated. Medical exemptions are routinely reviewed by local and state health officials. Additional documentation supporting exemption may be required.
4. When deemed necessary by a physician, the results of immunity testing can be performed for students entering K-12. The tests must indicate serological evidence of immunity and must be performed by a CLIA approved lab.

The written medical exemption and immunity testing results must be attached to the HES-101 and placed in the student's school record.

#### ***Religious Exemption (Form HES-113 6/2015)***

In schools K-12 a claim of exemption from immunization requirements on religious grounds must be notarized annually and maintained on the Religious Exemption form (HES-113). The form must be provided to the school prior to each school year by the student's parent/legal guardian, unless the student is 18 years of age or older or emancipated, the student may claim the exemption. The original copy of the religious exemption must be kept by the school as part of the student's school record.

If a student has contracted a disease or is exposed to a disease, the student may be excluded from school by the local health officer or the state department until the excluding authority feels that there is no longer a risk of contracting or transmitting that disease.

#### ***Protocol for Registering International Students: Immunizations***

The following information is provided to assist in the registration of students entering from countries outside of the United States.

- Before registering to attend a school in Helena School District #1, all students entering from countries outside of the United States must have their immunization records assessed and approved by a Public Health Nurse at the Lewis and Clark Public Health (LCPH). The Health Department is located at 1930 9<sup>th</sup> avenue and the phone number is 457-8900.
- Approved immunization documents must be included in the school registration process.
- If a student has not completed the minimum vaccination series required by Montana Law, a Conditional Attendance Form (HES 103) should be completed by the Public Health Nurse and submitted by the parent or guardian to the school upon registration.
- Additional questions or concerns regarding the immunization status of entering students should be directed to the School Nurse assigned to each school.

### *Medication Policy and Procedures*

#### *Medication Policy*

Students should not take medication during school hours or during school-related activities unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parents believe that it is necessary for the student to take a medication during school hours, they must request that the school dispense the medication to their child and otherwise follow the District's procedures on dispensing medication.

The Board will permit administration of medication to students in schools. A school may administer medication to any student in the school or may delegate this task pursuant to Montana law.

#### *Administration of Medication*

In special cases the school nurse, doctor, and parents may agree on a plan for administration of medication during school hours. The physician shall then be requested by the parents to prescribe duplicate bottles of said medication if it is necessary that it be taken during school hours. One bottle will be kept at school under the care of school authorities. Both bottles shall contain the name and telephone number of the pharmacy, the pupil's identification number, the name of the prescribing physician, and the name and dosage of the drug to be given.

Prior to any medication being given at school the following conditions must be met:

1. **Prescription Medications-** Medication administration by school staff will begin 24 hours after medication, parent authorizations, and HCP orders are received by the school.
  - All medications must come in an individual pharmacy-labeled container and must include: the student's name, medication name, route, dose, time of administration, Pharmacy name and number and the name of prescribing health care provider
  - Medication cannot be expired
  - A completed "Authorization for Medication to be Given at School" form for all prescription medications must be signed or verbally authorized by the parent or guardian.
  - A signed order from a health care provider with prescriptive authority is required or, per school nurse's discretion, the pharmacy labeled container is acceptable.
  - All new medications, changes in medications, changes in dosages, changes in timing or route of administration require a new Authorization for Medicine to be Given at School form, completed and signed by student's parent/guardian and a new order from the HCP. An updated medication pharmacy labeled bottle may be used per school nurse's discretion
  - Authorization granted to administer prescription medication shall be valid for the current school year only and must be renewed annually.

FOR ANY NEW MEDICATION FOR A STUDENT, CHANGE IN MEDICATION, CHANGE IN DOSING, TIMING, ROUTE: **CONTACT THE SCHOOL NURSE IMMEDIATELY.** \*\*\*

## **2. Over the Counter Medications:**

- Pre K- 8<sup>th</sup> grade students: A licensed health care provider must provide a written order for administration of over the counter medication and written or verbal authorization from the parent must be on file. The medication must be in the original container. Authorization granted to administer over the counter medication shall be valid for the current school year only and must be renewed annually. Expired medication will not be accepted nor administered.
- 9<sup>th</sup> grade -12<sup>th</sup> grade students: Parents who want the school to manage over the counter medication for their high school student must complete an Authorization for Medication to be Given at School form. Authorization granted to administer over the counter medication shall be valid for the current school year only and must be renewed annually.
- 9<sup>th</sup> grade-12<sup>th</sup> grade students may keep a small quantity of non-prescribed, parent recommended medication with them and may self-administer, according to package directions.
- Parents may be contacted by the School Nurse if concerns arise regarding health issues, need for medication, or inappropriate use.

## **3. Alternative Medications:**

- Alternative medications including natural remedies, herbs, vitamins, dietary supplements, homeopathic medication, essential oils, or medications from other countries will not be administered without a licensed health care provider's authorization. Such medications must be provided to the School Nurse and be labeled by the health care provider or pharmacy with the following information: the student's name, medication name, route, dose, time of administration and name of prescribing health care provider.

## **4. School District Provided Emergency Medications:**

- In case of an anaphylactic reaction or risk of such a reaction, the School Nurse or delegate may administer emergency oral medication or injectable epinephrine to any student in need thereof on school grounds according to a standing order of a chief medical advisor. Prior to administration of emergency medications, designated staff members will complete training in the identification of signs and symptoms of anaphylaxis and allergic reactions and administration of emergency medications.

## **5. Self-Administration of Emergency Medications:**

- Students with asthma, severe allergies or anaphylaxis may possess and self-administer emergency medication (epinephrine auto-injector, oral antihistamine, or asthma inhaler) during the school day, during field trips, during school-sponsored events, or while on a school bus as prescribed by a licensed health care provider.
- If provided by the parent, guardian, or an individual who has executed a "Caretaker Relative Educational Authorization Affidavit", and in accordance with documents provided by the student's health care provider, medication for asthma, severe allergy, or anaphylaxis medication may be kept by the student and backup medication may be kept at a student's school in a predetermined locations or locations to which the student has access in the event of an asthma, severe allergy, or anaphylaxis emergency.
- Immediately after using epinephrine during school hours, a student shall report to the School Nurse or other adult at the school who shall provide follow-up care, including making a 9-1-1 emergency call.

Authorization granted to a student to possess and self-administer medication for asthma, severe allergies or anaphylaxis episodes shall be valid for the current school year only and must be renewed annually.

Parents must notify the school if their student will be self-administering medication and acknowledge and agree to the liability provisions in MCA 20-5-420, for self-administration of medication. (The form may be obtained from the district web site <http://helenaschools.org/departments/health-services/> or the school nurse.

### **Medication Return/Disposal of Medication at the End of the Year**

The parent/guardian is expected to pick up any unused, discontinued or expired medication upon notice to that parent/guardian. At the end of the school year, the parent/guardian is to pick up remaining medication. If the parent does not pick up medication after school is out, any unused or discontinued medication will be destroyed.

## ***Allergies***

The Helena School District makes every effort to decrease exposure to allergens, however we encourage parents of children with life threatening allergies to contact the School Nurse prior to the beginning of the school year to work together to develop an Allergy Action Plan.

## ***Head Lice***

Head lice are wingless insects about the size of a sesame seed. They cannot fly, jump or swim. They are passed from person to person from direct head to head contact or, very **rarely**, by “hitching a ride” on a comb, brush or hat. While they are an anxiety-producing nuisance they do not carry disease. **Students with head lice or nits (louse eggs) will not be excluded from school as unnecessary absences directly affects school performance and a child’s opportunity to learn.**

If a parent or staff member believes a student has lice, s/he can contact the School Nurse who will arrange a time to assess the student privately. If live lice or nits are found, the student will return to class and the student’s parents will be contacted with information about effective treatment options. The student may remain at school until the end of the day.

Classroom wide screenings will not be done as studies indicate that it does not decrease the incidence of head lice, is disruptive to the learning process, and a violation of privacy and confidentiality of the student and his/her family.

The Helena School District School nurses educate students regarding lice and how to avoid transmission by decreasing head to head contact and not sharing hats, combs, brushes or hair accessories. Parents can help by routinely inspecting their child’s hair for lice. If you are unsure of this process, how to identify a louse, or how to treat an infestation please contact your School Nurse.

For a step-by-step guide for managing head lice at home, refer to:

<https://iidentify.us.com/idmybug/head-lice/head-lice-documents/lice-mgmt-chart-home.pdf>

## ***Health Screenings***

Hearing - School Nurses and School Speech and Language Pathologists will screen students in grades K, 1, and 9 using an audiometer. Students in other grades may be screened upon referral or if they have a monitor status. The regional Audiologist will consult with the School Nurses regarding referrals and further management.

**Vision** – School Nurses will screen students in grades K, 1, 3, 5, 8, students new to Helena School District without screening documentation, students who are referred, and students who are being monitored.

**Scoliosis** – Girls in grades 5 and 7 and boys in grade 8 are screened by the School Nurses for scoliosis. Scoliosis is a side to side curvature of the spine. This often may be detected during a child’s growth spur.

**Oral Health** – Students in grades 1 and 3 are screened by local dentists who volunteer to provide a visual inspection. The School Nurse coordinates the program in each elementary school.

*\*\*Methods for screening may include checklists, observations, and formal instruments as indicated\*\**

*\*\*Parents are notified of any unusual performance or failed screening. Students may be referred for further evaluation by a health care provider. \*\**

## **30. SECURITY OF PERSONAL ITEMS**

***Students should mark instruments, coats, athletic shoes, and all personal belongings brought to school. It is most difficult to recover items that are not marked.***

Helena School District No. 1 assumes no liability for personal loss. **It is recommended that you do not bring items of value to school.** If it is necessary to bring money or valuables, they should be given to the office secretaries to place in the safe. It is the responsibility of the student to claim such articles at the close of the day.

It is difficult to assure protection for articles from an entire gym class. **Leave all valuable items at home or turn them in to the office secretaries.** The office maintains a lost and found department. You are urged to turn in to the office all articles that have been found and to inquire there for anything you may be missing.

### 31. **LOCKERS**

Total responsibility for locker security falls with the student. All students will be expected to secure lockers with a combination lock. As there are occasions for staff or parents to gain entry into lockers in the course of the year, student locker numbers and lock combinations must be on file in the office and with a designated teacher.

When a lock is replaced for any reason, it is the student's responsibility to update combination information in the office and with the designated teacher.

Do not share your combination with other students.

If the assigned locker becomes damaged and cannot be secured, see the Assistant Principal immediately for repair or a new assignment.

A student is not to use any locker other than the one assigned. See your team teachers to make a locker change.

A student who abuses or misuses a locker may lose the privilege of using a school locker.

***Lockers are the property of the School District and are subject to inspection by school officials.***

### 32. **BICYCLES**

***All bicycles must be parked in the bike racks provided.*** They must be kept locked at all times. School personnel may remove any bikes chained to gates, railings, etc.

### 33. **TEXTBOOKS**

District-approved textbooks are provided free of charge for student use, but students are responsible for returning them in the same condition as they were received. Books must be covered by the student, as directed by the teacher, and treated with care. A student who is issued a damaged book should report that fact to the teacher. Any student failing to return a book issued by the school in good condition is responsible for paying for damages or replacement costs according to the schedule below. Students who fail to pay for damage or loss of instructional materials lose the right to take textbooks out of the school until the payment is received. Students will be provided textbooks for use at school during the school day.

Students and parents/guardians with financial hardships who have debts resulting from lost or damaged portable equipment must make good faith and best efforts to pay the debts or make suitable equivalent

restitution. When a student's parent/guardian has exhausted all possible efforts to pay the debt, the Principal, upon written approval of the Superintendent or his/her designee, is authorized to forgive the debts upon reasonable written request of the parent/guardian.

- A. If instructional materials are damaged to the extent that they cannot be used, the student must pay the full cost of replacement.
  - a. New—1 or 2 years old                      new replacement cost
  - b. 3 years or older                              used replacement cost

**Major damages**—50% of replacement cost or cost of rebinding if applicable

**Minor damages**--\$1.00 per page (up to a maximum of \$10.00)

- 🐾 Pen and pencil markings

- 🐾 Torn pages (pages and text are still present)

\*Care will be taken in assessing minor damages so that allowances are made for normal wear and tear.

### **34. COUNSELING**

Guidance services are available to every student. The goal of counseling is to help you make better decisions. Together you and your counselor discuss needs and feelings and explore alternatives. Your counselor can also provide you with information about jobs and careers as they relate to your interests and abilities. Counseling is confidential so don't be afraid to talk with your counselor. It is the professional responsibility of school counselors to fully respect the right to privacy of those with whom they enter counseling relationships. A counseling relationship requires an atmosphere of trust and confidence between the student and the counselor. A student has the right to privacy and to expect confidentiality. This confidentiality must not be abridged except where there is a perceived clear and present danger to the student and/or to other persons.

### **35. SPECIAL EDUCATION SERVICES**

## **36. SCHOOL INSURANCE — IMPORTANT MESSAGE TO PARENTS**

Our school **does not** purchase medical/hospital insurance coverage for students. However, you can enroll your child in a low-cost group accident insurance program being offered in cooperation with the school. Even if you already have insurance, this plan may help you pay some of the doctor, dental, or hospital bills that your own insurance doesn't cover; such as doctor's office calls, therapy, and dental treatment. If your child has not brought an information packet home, please call our school office.

### **37. FIELD STUDIES**

Your child's class will be participating in educational trips during the year. It is the policy of Helena School District No. 1 to acquire parental permission before allowing a student to travel with members of his/her class. If you would like your child to participate, please carefully read and sign the document provided in Chapter III. **By signing and checking the yes or no, you are giving permission for your child to go with his/her class on field trips during the year.** The district will provide transportation. If travel by a private car is required for an event, you will be notified prior to the trip.

As a parent or guardian, your signature on the permission form indicates that you understand that the school and the staff will do everything possible to prevent any accidents. However, by checking and signing, you indicate that you understand that some activities on field trips involve inherent risks to students regardless of all feasible safety measures that may be taken by the district. In consideration of the District's agreement to allow your child to participate in field trips you agree to accept responsibility for any loss, damage, or injury to your child that occurs during your child's participation in a field trip that is not the result of fraud, willful injury to a person or property or the willful or negligent violation of a law by a trustee, employee or agent of the Helena School District No.1.

In the event it becomes necessary for the District staff in charge to obtain emergency care for your child, neither he/she or the School District assumes financial liability for the expenses incurred because of an accident, injury, illness and/or unforeseen circumstance.

If your child has a medical condition that the school should be aware of before allowing your child to participate on a field trip you will notify the school and inform them of the nature of the medical condition.

In the event that unforeseen circumstances arise creating a need for you to contact your student or to have information relayed to you about an emergency, change in itinerary, etc. an information network has been established. You will be provided with a contact person and number prior to the field trip.

### **38. STUDENT OUT-OF-STATE AND OUT-OF-DISTRICT TRAVEL**

5. ***Medical/Health Insurance.*** Students must have their own medical/health insurance. Parents must provide documentation of medical/health insurance before the trip.
6. ***Trip Insurance.*** Parents / guardians must secure "trip insurance" for international travel and in some cases out-of-state travel if it is not included as part of the total cost of the trip. If trip

insurance is not purchased and a student purchases a ticket but does not travel, refunds or credits for unused airline tickets will be based on what the airline allows.

7. **Medical Procedures.** The student and parent should authorize the school chaperones to arrange for and, if necessary, to consent to treatment or medical procedures for the student at the parents' expense. (Release form provided.)

8. **Student Responsibility.** Students and parents should acknowledge in writing the student's responsibility for his/her own actions. Consequences for not following rules (e.g. leaving the group without permission) should be clearly outlined. (Release form will be provided.)

Therefore, procedures for requesting an alternative assignment for an adopted curriculum assignment must be followed and can be obtained from the building administrator.

#### **43. BOOK CHALLENGE**

The Board of Trustees, although it is ultimately responsible for all instructional and library material, recognizes the right of students to have free access to many different types of books and resources. The Board also recognizes the right of teachers, librarians and administrators to select books and other materials in accordance with the adopted curriculum, current trends in education, and student and staff needs, and to make them available in schools and libraries.

Therefore, books and other resources will be chosen for value of interest and enlightenment of all students in the school community. A book or other resource will not be excluded because of the race, nationality, political, or religious values of the writer or of the material's style and language. Every effort will be made to provide materials that present all points of view concerning the international, national, and local problems and issues of our times. Books and other resources of sound factual authority will not be proscribed or removed from library shelves or classrooms because of partisan doctrinal approval or disapproval.

Censorship of books and other materials will be challenged in order to maintain the school's responsibility to provide information and enlightenment. Accordingly, the Board will deal with censorship of books or other materials as follows:

- 🐾 The final decision on controversial materials rests with the Board after the established process for handling challenged materials has been exhausted/completed.
- 🐾 The Board recognizes the right of an individual parent or guardian to request that his or her child not have to read a given book, or view a particular media work.
- 🐾 Any parent or person of legal standing who wishes to request reconsideration of the use of any book or resource in the school must make such request in writing on forms provided through building principals or school librarians.

[Administrative Procedure for the enforcement of this **Board Policy: 2067 Handling Challenged or Questioned Material** may be obtained in the Central Administration building, and each school office.]

In order to promote the concept, the Board requires that there be no school-sponsored activities on Wednesday night that last beyond 7 p.m.

#### **46. PARENT AND STUDENT PORTALS**

Parents and students can access student grades, assignments and attendance information at any time through the online PowerSchool portals. A username, password and directions will be provided to parents with students enrolled in grades 4-12. Parents should not share their password with their student. Students will receive their own username and password.

#### **47. LIMITED ENGLISH PROFICIENT (LEP) STUDENTS**

Helena Public Schools has the responsibility under federal law to serve students who are limited English proficient and need English instructional services. The District will ensure opportunities are provided for parents to meet with building principals and teachers, provide information how parents can be involved in their child's education, and how parents can help their child attain English proficiency and succeed in school. The District works hard to provide information to parents in a format and language that they can understand.

Each year, within 30 days of the start of the school year or the student's enrollment if after the start, the District will notify parents of a student identified as limited English proficient of the reasons their child

has so been identified, the child's level of English proficiency and how it was assessed, the methods of instruction used in its programs and others, how its program will help their child, and when the child is expected to gain English proficiency.

The District will provide notice to parents of limited English proficient students when the child fails to make progress on annual achievement objectives within 30 days of learning of such status.

Parents seeking more information about the District's identification of and programs for students with limited English proficiency should contact the Assistant Superintendent at 324.2004.

Regular and punctual attendance is important in the development of an effective learning environment as well as ensuring student success in the classroom. Good attendance habits are also necessary in the development of sound character

traits and for success in the working world.

Helena School District No. 1 attendance policies are developed in accordance with Montana State Attendance Laws. The building administration will establish procedures to execute the Helena School District No. 1 attendance policy and will inform students and parents of those procedures. The building administration will make the determination in all cases involving implementation and interpretation of the policy.

***All absences fall into one of two categories:***

1. **Excused absence.** Based upon School District No. 1 attendance policies and in accordance with State attendance laws, an excused absence is any absence authorized by a parent, legal guardian, or person with parental authority.

**To be excused all absences must be communicated to the school attendance office within (24) twenty-four hours of the absence by a phone call (324-2802) or written note. IF THIS IS NOT DONE, THE STUDENT WILL BE CONSIDERED UNEXCUSED AND WILL RECEIVE DISCIPLINARY ACTION.**

Students are encouraged to have all excused absences approved in advance.

2. **Unexcused absence.** An unexcused absence is any absence which:
  - a) Is not authorized by a parent, legal guardian, or person with parental authority.
  - b) Is not communicated to the school within (24) twenty-four hours.

Parents will be notified of any unexcused absence by phone, text or e-mail. Written communication will be sent to the parent when a student accumulates five (5) total absences during the semester. If a student accumulates ten (10) absences during the semester, the parent will be notified by letter and the building administration will determine whether legal action through the Lewis and Clark County Attorney is justified. Students who have attendance problems may be placed in an alternative educational setting to correct their attendance behaviors.

**Corrective Disciplinary Action**

**First unexcused absence:**

1. Parent or legal guardian will be notified when one unexcused absence has occurred.
2. Detention(s), Saturday School, or NET placement may be assigned.

**Maximum Corrective Action:** Suspension/referral to youth probation officer/referral to truancy officer.

### ***PROCEDURE FOR AN ABSENCE***

We ask that parents or guardians telephone the school and report every absence from school.

**The attendance number at CRA Middle School is 324-2802.** This call *must* be made at the time the student is first absent. It is very helpful to the attendance clerk if the parent or guardian calls *each day* that the student continues to be absent. Students returning to school after an absence, when parents or guardians have made such contact need not check in at the office, but, instead, report directly to their regularly scheduled classes. Those students whose parents or guardians have not contacted the attendance office will be called to the office of the Assistant Principal and will be required to provide written documentation of their absence or to contact the parent or guardian by telephone.

**Students must provide such documentation within (24) twenty-four hours of the absence or it will be considered unexcused.**

### ***LEAVING SCHOOL DURING THE DAY***

All students must check out with the attendance secretary if it is necessary for them to leave school during the regular day. ***Failure to do so will result in an unexcused absence.*** Teachers shall refer students to the attendance office before allowing them to leave the building. Any student who finds it necessary to check out of the building during the regular day for a valid reason, other than becoming unexpectedly ill during the day *must* bring a note from his or her parent or guardian stating the date, destination and time the student is to check out of school. This note *must* be presented to the attendance clerk in the office in the morning before classes begin. If a student has an appointment, they are to check out at the main office when leaving the building and check in at the main office upon their return. When attending medical/dental/etc. appointments, a doctor's signature is required on their checkout permit.

### ***TARDIES***

It is the desire of the Helena Public Schools to promote punctuality, accountability and other time-management skills for all students. Students are required to be on time for all classes and other activities. A student who fails to be on time is considered tardy and is subject to discipline. Students shall be in their room or in their assigned desks when the bell rings. Students with a medical or physical disability, requiring additional time, shall notify the building principal. The building principal shall review the disability on a case-by-case basis and determine whether additional time is necessary.

Any tardy over ten (10) minutes is considered an unexcused absence.

An accumulation of (3) three tardies or more in a quarter will result in corrective disciplinary action listed below.

#### **Corrective Disciplinary Action**

1 tardy = recorded, no penalty

2 tardies = after-school team detention

- All additional tardies result in after-school team detention.
- Excessive tardies may result in an office referral.
- Any student who refuses to serve detention will be charged with insubordination and will receive disciplinary action from the office.

### **9. STUDENT REGULATIONS CONCERNING TOBACCO USE/POSSESSION OF TOBACCO OR TOBACCO INNOVATION PRODUCTS**

The Board of Trustees of the Helena Public Schools is committed to providing a clean, healthy and safe school environment for students, employees and the general public. Use of tobacco in any form is considered detrimental to the health of non-users as well as users of tobacco. The use of tobacco or tobacco innovations

including vaping products is inconsistent with the Helena Public Schools health education programs.

The Helena Public Schools are “tobacco free.” The use of tobacco or tobacco innovations will be prohibited from all school buildings and school sponsored events.

Students shall not use or possess any tobacco or tobacco-like products while on school property, while going or coming to school, during the lunch period whether on or off the campus and during or when coming to or from a school sponsored activity. ## **10. STUDENT HEALTH REGULATIONS ON ALCOHOL/DRUG USE, ABUSE AND DEPENDENCY**

Students shall not use or possess any drug, including alcohol.

Helena School District No. 1 recognizes that alcohol/drug use and abuse can create serious health problems and that alcohol/drug dependency is a treatable illness. Health problems of youth are primarily the responsibility of the home. Community and schools should share in that responsibility because alcohol/drug problems often interfere with behavior, learning, and the fullest possible development of each student.

Helena School District No. 1, intending to intervene early in problems that interfere with learning and development, will have personnel contact students manifesting signs of use or abuse and will make an effort to both educate and assist them.

**Jurisdiction:** Rules and implementation for Helena School District No. 1 Student Health Policy on Alcohol/Drug Use, Abuse and Dependency applies to all students:

1. While on school property.
2. While going or coming to school.

**Definitions:** Unlawful drugs and controlled substances are those defined as illegal under the laws of the United States, the state of Montana and/or the city of Helena Ordinances. Illegal activities will be reported to the police and/or applicable authority when any of the above activities occur on school property, while in attendance at school or school activities, while coming to or going from school or a school activity, or during the lunch period whether on or off campus. Helena School District #1 response to these infractions may be independent of or in conjunction with police action, and will result in disciplinary consequences as

outlined more fully below.

**See: Board Policy 3050 Student Discipline**

### **Corrective Disciplinary Action**

#### **First Violation:**

- 1) Ten-day out-of-school suspension (unexcused) **OR**
- 2) Three-day out-of-school suspension (unexcused) plus attend a district-approved education course at parent expense. Failure to comply with these criteria will result in the exercising of the balance of Option 1.
- 3) The choice of either Option 1 or 2 will constitute one single incident of unexcused absence for attendance purposes.
- 4) Unserved suspension occurring at the end of the school year will be served the following school year commencing on the sixth day of school. This applies to all returning students.

#### **Second and Subsequent Violations:**

1. Second and subsequent violations by the same student may result in any one or a combination of the following:
  - a. Minimum ten-day out-of-school suspension (unexcused) **OR**
  - b. Five day out-of-school suspension (unexcused) if the student completes a chemical dependency assessment with a certified chemical dependency counselor at parent expense and follows all recommendations of the assessment.

As set forth above, school officials may administer the level of disciplinary consequences deemed appropriate in light of any mitigating and/or aggravating circumstances, and may pursue a recommendation for expulsion in connection with a first offense or any subsequent offense. Under any and all circumstances, the administration retains the option of recommending to the Superintendent the removal of the student from the school setting.

Violations of this rule will be cumulative during attendance at Helena schools from grades 6-8. A Breathalyzer may be used at the discretion of a building administrator when it is necessary to ascertain whether a student has violated this rule with respect to alcohol use.

### **11. EXTRA / CO-CURRICULAR ACTIVITIES PROCEDURE REGARDING ALCOHOL, TOBACCO, TOBACCO INNOVATIONS AND OTHER DRUG USE/POSSESSION & GENERAL CODE OF CONDUCT**

## Administrative Regulations Regarding Alcohol, Tobacco, Tobacco Innovations, and Other Drug Use by Students in Extra/Co- Curricular Activities

Students participating in school sponsored activities assume a responsibility to fellow students, the district, and the community to be law-abiding citizens.

The administration shall place limits, up to and including restricting a student from participating in school sponsored activities or being awarded school honors, if a student is found by school officials to have violated Board Policy or committed an act prohibited by state or federal law. An appeal process will be available to all students under the District's "Uniform Complaint Policy". (Board Policy 1085)

Helena School District No. 1 recognizes the use of alcohol, tobacco, other drugs and drug paraphernalia as a significant health problem for many adolescents, resulting in negative effects on behavior, learning and the total development of each individual. Coaches and advisors of activities have a unique opportunity to observe, confront and assist young people. The importance of the parent/guardian as the primary role model in the education and guidance of their children concerning alcohol, tobacco and other drugs is recognized and emphasized by Helena School District personnel.

In addition, schools are an integral part of the community and must confirm and support existing state and local laws which prohibit the use of alcohol, tobacco, other drugs and drug paraphernalia by youth. Federal law requires schools to have consistent alcohol, tobacco and other drug policies that give a strong no-use message to all youth.

Students who participate in extra/co-curricular activities must be willing to make the commitment to adhere to the regulations that govern these activities.

Therefore, middle school and high school students who participate in District extra/co-curricular activities are subject to all District no-use regulations, conditions and consequences.

### **Regulations - During the school year and the season of practice, play or rehearsal a student shall not:**

- (1) Use, possess, buy, sell, or distribute alcohol, tobacco, tobacco innovations, unlawful drugs, controlled substances, hallucinogens, inhalants or drug paraphernalia. (It is not a violation for a student to be in possession of a legally defined drug specifically prescribed for the student's own use by his/her doctor that is being used in the prescribed manner).
- (2) Students participating in school sponsored activities assume a responsibility to fellow students, the district, and the community to be law-abiding citizens.

The administration shall place limits, up to and including restricting a student from participating in school sponsored activities or being awarded school honors, if a student is found by school officials to have violated Board Policy or committed an act prohibited by state or federal law. An appeal process will be available to all students under the District's "Uniform Complaint Policy". (Board Policy 1085)

**Duration** - Except where otherwise stated, these regulations are in effect from the date of the first practice for fall activities, through the academic school year and include any school sponsored activity that extends beyond the academic school year. Violations will be cumulative from the first day of the activity involvement throughout the student's participation as a freshman, sophomore, junior and senior until graduation from Helena School District No.1. A student's suspension from an extracurricular activity may also adversely affect other areas upon return. Upon return from any suspension, the coach or sponsor will determine varsity letter, playing time, starting position, performance role; and offices held in groups.

All unserved suspensions occurring at the end of the school year will be served the following school year commencing on the first day of the MHS fall season.

### **Disciplinary Procedures: Investigation and Appeal**

Any determination that a violation of these regulations has occurred will be made only after a meeting is held with the student and he or she is presented with the information indicating that a violation has occurred.

The student must be afforded the opportunity to provide information in response. If a determination is made following that meeting that a violation has occurred, the student will be notified of that determination and of the consequences of that determination. Any determination that results in consequences being administered as per these regulations will be provided to the affected student in writing. If a student disagrees with a determination made by the building administration under these regulations, the student may seek review of that decision by the District Activities Director, and may secure further review of the determination by the District Superintendent and Board of Trustees according to the procedure outlined in the Uniform Complaint Policy.

**First Violation:** The student will be:

- required to register for and complete a district-approved education course at his/her parent's expense; and temporarily suspended from competing or performing in extra/co-curricular activities for a period of thirty-four [34] calendar days. If a student self-reports a violation to the Activity Leader or designee, the temporary suspension period will be reduced to twenty (20) calendar days.
- suspended from team practices for up to five (5) days following notification.

In either situation, the student must (1) provide appropriate proof of completion of the education component outlined above; (2) continue to attend and participate in activity practices during the temporary period of suspension; and (3) complete a team/activity service as determined by the administrator and activity leader. The student's return to full participation in the activity is conditioned on fulfilling all of the requirements set forth above.

**Second Violation:** The student will be:

- required to register for and complete a district-approved chemical assessment program at his/her parent's expense; and
- temporarily suspended from competing or performing in extra/co-curricular activities for a period of sixty [60] calendar days. If a student self-reports a violation to the Activity Leader or designee, the temporary suspension period will be reduced to fifty (50) calendar days.
- suspended from team practices for up to five (5) days following notification.

In either situation, the student must (1) provide appropriate proof of completion of the assessment component outlined above; (2) continue to attend and participate in activity practices during the period of temporary suspension; and (3) complete a team/activity service as determined by the administrator and activity leader. The student's return to full participation in the activity is conditioned on fulfilling the requirements set forth above.

**Third Violation:** The student will be deemed ineligible for participation in activities for a period of one calendar year. The student may, however, submit a petition to the District Superintendent no sooner than ninety (90) days after the incident requesting that he or she to be allowed to re-enroll in activities. Such a request must be accompanied by (1) a post-incident chemical dependency evaluation conducted by a licensed chemical dependency counselor and (2) a demonstration that all recommendations made in the assessment are being or have been satisfactorily met. The District Superintendent has the discretion to grant or deny the request based on his/her consideration of the relevant circumstances. ## **12. BUS BEHAVIOR CONDUCT GUIDELINES AND CONSEQUENCES**

Each transported student has the right to a safe and enjoyable ride to and from school that is free from intimidation, threat or harassment. Good conduct of all transported students while waiting for the school bus and while traveling to and from school is primary for a safe and enjoyable ride for all students.

The district has a video that explains transportation safe riding practices that may be viewed on the Helena School District Transportation website or will be made available upon request.

The School District has established student behavior procedures that apply to all transported students while on the school bus and while in school bus loading or unloading areas. The bus and the bus stop are extensions of the school day. Each individual student, as well as his/her parents, or guardians, is responsible for the behavior of that student while on the school bus and in school bus loading or unloading areas.

Transportation service is a privilege that is granted by the district to eligible students and their parents or guardians that is contingent upon proper behavior according to established district policies, rules and standards. A student's eligibility to ride the school bus may be suspended or revoked for a violation of school bus safety or conduct rules and standards, or for violation of any other law or policy governing student conduct on a school bus. Revocation of a student's bus riding privileges is not considered an exclusion, expulsion or suspension from school, however unacceptable conduct on the school bus may result in suspension or expulsion from school. It shall be the responsibility of the parent or guardian to transport students to and from school when bus riding privileges are revoked. The district will not provide alternative transportation to a student whose transportation privileges have been suspended or revoked. (\*Decisions regarding special education students will take into account related disabilities and individual education requirements pertaining to transportation).

Suspension or expulsion from school may also result in suspension from district sponsored transportation services.

It is important to note that students may also be suspended or expelled from riding any district sponsored transportation services for conduct violations occurring on school district busses even if they are still being allowed to attend school.

### **A student shall not:**

- 10.1** Eat drink or litter on the bus
- 10.2** Leave the seat or stand while the bus is in motion.
- 10.3** Use profanity, verbal abuse, harassment, obscene gestures or have possession of unacceptable material
- 10.4** Provide false identification
- 10.5** Ride an unassigned bus or use an unassigned bus stop.

- 10.6 Open windows past the safety line.
- 10.7 Attempt to ride a bus during a bus suspension.
- 10.8 Be disobedient or disrespectful to the driver.
- 10.9 Hang out the windows.
- 10.10 Throw any object.
- 10.11 Hold onto or attempt to hold onto any portion of the exterior of the bus
- 10.12 Enter or leave the bus through emergency door or tampering with bus equipment unless authorized.
- 10.13 Be involved in any activity that distracts the driver from safely driving the bus.
- 10.14 Refuse to wear a seatbelt.

### **Corrective Disciplinary Action**

**Minimum Corrective Action:** Driver identifies the unacceptable behavior and informs the student of the intent to complete a conduct report if the behavior continues.

**Maximum Corrective Action:** Unlimited transportation services suspension, school suspension, expulsion, and/or police notification.

### **\* Bus Severe Clause: Busing Behavior Severe Clause**

If a student performs an act that severely and immediately jeopardizes the safety of students, the district may suspend the student from riding the bus. The district will attempt to notify the parent(s) or guardian of this action by telephone as soon as possible after the route is completed. A written incident report will be prepared and sent to the parent(s) or guardian. Riding privileges will not be reinstated until after a conference is held with the Transportation Specialist, principal, student and parent(s) or guardian. Law Enforcement may be notified in the event that criminal activity has transpired or assistance is required by the driver or district. Behavior deemed severe may result in suspension or expulsion from school.

- When less than sixty (60) school days are left in the academic year, the remainder of the suspension shall be served in the next school year.

### **Bus Re-Entry Program**

The bus re-entry program is designed to assist students that are having disciplinary issues on the bus understand the adverse effect that their actions have on the safe transportation of students. It also provides an opportunity for parents to be involved with their child in an evening class centered on safe school bus transportation and code of conduct expectations.

Students that have their bus riding privileges suspended must attend the class generally during the month student is suspended. Classes are only once a month. Failure to attend means student's bus riding privileges may be suspended until a class is met.

For questions regarding the class please contact the Helena Public Schools Transportation office at 324-2100.

This section of the Student Handbook is designed to provide an overview and reference information for the bus services offered. For information

regarding bus behavior conduct guidelines and consequences please refer to the section of the handbook entitled “Student Responsibility and Codes of Conduct – Section 9.0”. ## **Bus Registration**

Bus registration should be completed online each school year. Students are not rolled over from one year to the next. The form is available online at <https://helenaschools.org/departments/transportation/2019-20-school-bus-registration-2/> and can be completed anytime during the school year. High School students who reside under the 3 mile limit and Elementary/Middle School students residing within the walk zones prepared for each K-5 and Middle School may register to ride; however eligibility is determined upon the availability of an established bus route and bus capacity Bussing for students that do not live within the designated transportation areas shall be provided on a first come - first served basis and are only granted on a case by case basis. Please call the Transportation Department for more information.

Bus photo identification cards are strongly recommended for parents with children in kindergarten or first grade. The time/location for kindergarten and first grade student bus photo identification card pictures will be posted on the website (<https://helenaschools.org/departments/transportation/>), Facebook (<https://www.facebook.com/HSD1Transportation/>) and via School Messenger.

## **Guest Pass**

Students who are not registered riders may ride a bus with a registered bus student as a guest. Students will need to get a 1 day pass from the school of their attendance. Students must have a note from a guardian that states who they will be riding with, the bus number and the location of the bus stop. The note must be verified by the school and signed off by the principal or designated school official. Students who do not follow the guest pass procedures will not be allowed to ride the school bus.

## **Bus Routes, Stops and Schedules**

The bus stops are created with safety taking precedence over convenience. Bus routes are developed with safety and efficiency as top priorities. Roads must be county or city maintained for busses to traverse them. The district recognizes the travel time on buses extends the day for students. The district strives to minimize the time students must ride the bus. Transfer buses are used to minimize ride times for students given the geographic locations and numbers of school sites the district operates. Bus routes, stops and schedules are approved by the Lewis and Clark County Transportation Committee in June of each year.

Students are recommended to be at the bus stops 5 minutes prior to the scheduled time of arrival. Buses can arrive up to 2 minutes prior to their scheduled-pickup time. If the bus does not arrive as scheduled (up to 15 minutes late), please call the First Student dispatcher at 227-7400. Afternoon routes may arrive early at their designated stop due to a wide range of circumstances; Monday early outs, lack of student loads, district early releases, etc. The individual students, and their parents, are responsible for the student's behavior and conduct until the student has boarded or departed the bus.

## ***Parent Portal Program***

The Helena Public Schools Transportation Department is implementing bus identification cards (ID cards) for all students who ride a District bus. Students will be expected to have and to use the ID card when they enter and exit the bus. Students who misplace or lose their card will not be denied transportation. Drivers have the ability to manually enter students as they exit or enter the bus. However, this manual entry slows the process of recording the entry and exit of students.

The ID cards will enable parents to access live transportation data regarding their student's bus including bus delay information and other problems. The system will also provide bus drivers with an added layer of safety by providing instant, up-to-date student bus stop data.

Parents will also be able to sign up for push notifications alerting them when their student enters or exits the bus.

The Transportation Department is strongly urging parents to sign up for the free Transportation app so they can have up-to-date information regarding their student.

For more information or to download the app go to: <https://helenaschools.org/departments/transportation/parent-portal/>

If parents have any questions about Parent Portal, they should contact the Helena Public Schools Transportation Office at 324-2100.

### ***Required Parent Pickup Program***

Parents of kindergarten and first grade students are required by the Helena Public Schools Transportation Department to meet the bus in the afternoons. The program was created to ensure the safe delivery of our most vulnerable student population. A parent or a designated individual is required to escort all kindergarten and first grade students' home. An example of a designated individual would be a grandparent, an older brother or sister, a neighbor, etc. If the individual is someone other than a parent, the parent is required to send in an escort form designating who will be escorting their child home.

Kindergarten and first grade students who are not met at their bus stop will be delivered back to the nearest school site SACC program. Parents will be contacted for pickup locations. The school district does provide an opt out letter for the program, but strongly recommends against the use of it. The escort/opt-out permission form is available online at <https://helenaschools.org/departments/transportation/kindergarten-and-1st-grade/> or it can be submitted manually via email or regular mail.

### ***Transportation of School Related and Non-School Related Items***

Contraband, weapons, flammable liquids, animals or other dangerous, objectionable or non-school related items shall not be transported on a school bus. School related items transported on the bus shall be small enough to be transported on the student's lap, adjacent seat or under the seat of the bus. School related items that would block exit isles or extend above the back of the seat will not be transported on the school bus. If you are unsure if an item is allowed, please contact the Transportation Department **prior to the day your child plans on transporting the material or object.**

It is important to note that students may also be suspended or expelled from riding any district sponsored transportation services for conduct violations occurring on school district busses even if they are still being allowed to attend school.

### **Corrective Disciplinary Action**

**Minimum Corrective Action:** Driver identifies the unacceptable behavior and informs the student of the intent to complete a conduct report if the behavior continues.

**Maximum Corrective Action:** Unlimited transportation services suspension, school suspension, expulsion, and/or police notification.

### ***Bus Re-Entry Program***

Students who are suspended from the bus may be required to successfully complete a transportation re-entry program.

### ***Bus Seatbelt Procedures***

It is the goal of the Helena Public Schools Transportation Dept. to provide the safest student transportation system available. The District requires that all students riding the school district buses comply with state law regarding the use of seatbelts. **Students 6 years old or younger that are less than 60 pounds are required to utilize child seats and wear 5 point safety harnesses.** Students who may require assistance in using seatbelts should ask the bus driver for help so that all students are safely belted in their seat before the bus is put in motion. Drivers will announce prior to the bus leaving that each student needs to be in their assigned seat and seatbelts fastened. Students refusing to use seatbelts in a legal and safe manner will be subject to school district disciplinary actions. Repeated refusal to wear seatbelts will result in suspended riding privileges from the bus.

### ***Helena Public Schools Transportation Video and Audio***

All buses are equipped with audio and video capabilities. The school district will only retain approximately 2 weeks audio and video storage history. The Helena School District does not guarantee the working operation of the surveillance system and therefore cannot guarantee the storage of up to 2 weeks of surveillance storage. Individuals who would like to view information pertaining to their child should make an appointment with the School District Transportation Department. Copies of bus video will not be released except under the request of court ordered subpoena.

### ***Transportation Questions***

Parents having any questions or requiring additional information are encouraged to contact the Helena School District Transportation Department at 324-2100.

## **3. MONTANA DEPARTMENT OF JUSTICE VIOLENT & SEXUAL OFFENDERS REGISTRY**

The Montana Department of Justice maintains a Sexual or Violent Offenders Registry that can be reviewed online at (<http://www.doj.mt.gov/svor/>). This website provides the last known residences for these individuals and supplemental information regarding the nature and dates of the crime(s) that caused them to be listed in this registry.

While the district does not track or monitor the individuals that may reside in the vicinity of schools or bus stops, it is our intent to make you aware that this registry information is available to the public. The Montana Department of Justice also provides on-line guidance and educational materials for both Parents and Educators on their website and we encourage parents and guardians to review this information and familiarize themselves with the resources that are available to help address these situations.

**5. ANNUAL ASBESTOS NOTIFICATION**

In the past, asbestos was used extensively in building materials because of its insulating, sound absorbing, and fire retarding capabilities. All Helena School District buildings constructed before the late 1970s contain some level of asbestos. Intact and undisturbed asbestos materials generally do not pose a health risk. Asbestos materials, however, can become hazardous when, due to damage or deterioration over time, they release fibers. If the fibers are inhaled, they can lead to health problems, since as cancer and asbestosis.

In 1986, Congress passed the Asbestos Hazard Emergency Response Act (AHERA) which requires schools to be inspected to identify any asbestos containing building materials. Suspected asbestos-containing building materials are located, sampled (or assumed) and rated according to condition and potential hazard. Every three years, Helena Public School District has conducted a reinspection to determine whether the condition of the known or assumed asbestos containing building materials (ACBM) has changed and to make recommendations on managing or removing the ACBM. At the last reinspection conducted during August 2017 all materials listed in the Management Plan as asbestos containing (or assumed to be asbestos-containing) were inspected and recertified.

The law further requires an asbestos management plan to be in place by July 1989. Helena Public School District has  
2019-2020 C. R. Anderson Middle School

developed a plan, as required, which has been continually updated. The plan has several ongoing requirements: publish a notification on management plan availability and the status of asbestos activities; educate and train its employees about asbestos and how to deal with it; notify short-term or temporary workers on the locations of the asbestos containing building materials; post warning labels in routine maintenance areas where asbestos was previously identified or assumed; follow set plans and procedures designed to minimize the disturbance of asbestos containing building materials; and survey the condition of these materials every six months to assure that they remain in good condition.

Since the Fall of 2016 asbestos containing building materials have been removed, encapsulated, or enclosed in the following buildings: Helena High School, C. R. Anderson Middle School, Helena Middle School, Hawthorne Elementary School, Rossiter Elementary School, Four Georgians Elementary School, Warren Elementary School, Broadwater Elementary School, Smith Elementary School, old Central Elementary School, old Bryant Elementary School and old Jim Darcy Elementary School. During the next year, we plan to continue asbestos abatement across the District.

It is the intention of Helena Public School District to comply with all federal and state regulations controlling asbestos and to take whatever steps are necessary to ensure students and employees a healthy and safe environment in which to learn and work. You are welcome to review a copy of the asbestos management plan at the District Facility office at 1201 Boulder Ave during regular business hours. The Facilities Director is the District's designed asbestos program coordinator, and all inquiries regarding the asbestos plan and asbestos-related issues should be directed to the Facilities Director at 324.2003.
