Sharon

STUDENT SPOTLIGHT: SHARON

Sharon's dream was to earn her high school equivalency and become a nurse. She came to the Helena Adult Learning Center to prepare for the HiSET. After earning her high school equivalency, she tells others, "If you put your mind to it and stick with it, you can achieve your goals."

Sharon credits the staff at the ALC with supporting her as she worked toward her dream. She says, "Everyone helped me figure out what to do, who to ask for help and how to prepare for college." This summer, she will be taking college algebra and writing at Helena College.

ADULT BASIC EDUCATION Q&A

Q Will the classes at the ALC fit my busy schedule?

A The Helena Adult Learning Center offers services year-round. Our academic year is divided into sessions that range from six to eight weeks long.

Classes are offered on Monday through Thursday from 9 am to noon and 1 to 4 pm. Students also have the option to attend on Tuesdays and Thursdays from 6 to 8 pm. Fridays are reserved for new student orientations, staff meetings, and office hours.

There are three types of classes offered at the ALC. Managed enrollment classes have a daily attendance requirement and are instructor led. Students may enroll in these classes at the beginning of each session. Open enrollment classes do not have a daily attendance requirement and students learn independently. Students may enroll in these classes at any time. Distance learning allows students to work from home and set their own schedule. Distance students may also attend any open enrollment class for face-to-face instruction.

At the end of each session, students may choose to enroll in new classes, modify their schedule or even take a session off. These flexible options accommodate the schedule of any adult learner.
