This session has an open lab format; students may attend any time between 8 am and noon or 1 and 4 pm. This is an opportunity to work on not only academic skills but to prepare for the HiSET, apply for a summer job or get ready for college.

Students who plan to begin classes or return in the fall can begin the enrollment process on July 1. Be sure to call Darlene and schedule your TABE early! Classes begin on August 1st.
