

IMPORTANT REMINDER:
Kindergarten Registration is determined on a first come/first serve basis.

2020 – 2021 School Year

This bulletin explains the Kindergarten registration process for your child. If you know of anyone who has a child starting school in the fall and has not received this information, please share this bulletin.

Who: Kindergarten students– must be (5) years-old on or before September 10th, 2020.

What: When you come to your neighborhood school for registration, you will complete the following:

1. Provide proof of age through a certified birth certificate or other reliable proof of identity– *must have to register*
2. Provide proof of current residence, e.g. rental agreement, tax statement and/or utility bill– *must have to register*
3. Complete Helena School District registration form
4. Provide proof of immunization records**

** Montana State law requires all students to be immunized against Diphtheria, Pertussis (whooping cough), Tetanus, Polio, Measles, and Mumps & Rubella (MMR). Exceptions are allowed for verified religious and medical reasons only.) *Proof of immunizations must be provided on or before the first day of school.*

Where: All students who are eligible for Kindergarten must enroll in the school within their home boundary/established residence area. If you are uncertain about which school your child will attend, please check this link <https://helenaschools.org/departments/transportation/bus-stop-information/> or call 324-2100 for guidance.

When: You may begin registering your Kindergarten student on Monday, January 6, 2020, between 7:30 AM-4:00 PM. We encourage parents and guardians to register their children as soon as possible, as registration for our elementary schools is based on a first come, first serve seat availability basis. Kindergarten Registration will continue until the start of school, August 2020.
