V. ITEMS FOR INFORMATION/DISCUSSION

A. Panorama Education Update

Dr. Ream announced a one-year partnership with Panorama Education for student, staff, and family surveys. He said the first survey will be sent this spring, and future frequency will be established after gauging people's perceptions and determining what is actionable from the surveys.

Dr. Ream addressed Panarama's ability to maintain confidentiality in two parts:

1. Confidentiality for all survey takers is ensured by removing subsections of data that are too small to maintain confidentiality.
2. The contract with Panorama complies with new privacy laws, specifically as they relate to student privacy.

Ms. Sullivan voiced her appreciation to Dr. Ream for his work and quick turnaround on this deliverable.

Ms. Hathhorn addressed Ms. Shawn and asked if she felt the educators would have enough trust that this product would maintain confidentiality. Ms. Shawn said they would and added she had already begun talking about the surveys in representative councils.

B. Assessment Platform

Dr. Ream said, through negotiations, the current cost for a three-year contract with Pandora Education was \$77,000. He asked the committee for feedback on the Panorama Education presentation and direction for the next steps to be taken.

Ms. Sullivan asked the price for a single year, and Dr. Ream answered \$45,000. Ms. Goldes asked for pricing on a comparable product. Dr. Ream answered a proposal was only obtained from Panorama Education. Ms. Goldes asked what percentage of the overall budget was \$77,000, and Dr. Ream replied that it was nominal.

Ms. Sullivan voiced her appreciation for the principals' attendance at the committee meeting.

VI. BOARD COMMENTS
