

The Board of Trustees wishes to make School District facilities available to responsible community organizations, associations, and individuals for appropriate civic, cultural, welfare, educational or recreational activities that do not interfere with the delivery of education and the best interests of the School District. The Board is committed to ensuring fair and equitable access to all district facilities.

The Board of Trustees recognizes the investment that the community has made in the School District buildings and facilities and wishes for such buildings and facilities to be temporarily used under such provisions and control as the School District may see necessary to impose. To the greatest extent possible, citizens of the community should use School District facilities, so long as the educational programs of the School District are not hindered.

District facilities are not available for rent during district closed calendar days (See specific Official District Calendar for specific dates.). This includes all district observed holidays.

The administration shall be charged with the responsibility of coordinating and authorizing use of all grounds and facilities by groups other than those directly connected with the School District. The administration has developed the rules, regulations, and procedures for the use of facilities.
