Nutritional Services Weekly Newsletter

Issue 8

We will serve during **winter break.**

We have decided that we will serve meals during winter break during this pandemic, but you will need you to fill out this special form below that is only for the winter break meal distribution. **If you filled out the Standing order form it will not count for these two days.** We will not be able offer meals at all locations, we did not receive enough interest for all sites, so we have chosen these 5 sites and times to serve the meals from. We will be asking for names and phone numbers so if you do not show up in the first hour, we will be calling you before service is over reminding you.

Please help us by picking up your meals.

Dec. 23rd and Dec 30th only

Jim Darcy - 8am - 10am

Rossiter - 8am - 10am

4 Georgians - 7am - 9am

CR Anderson - 8am - 10:30am

Bryant 9am - 11am

What to do with all that milk?!

There are many uses for milk besides drinking it or pouring it over cereal. Try out these simple recipes to use up all your milk! (Yes, whole milk and cream can be swapped out for 1% milk. The results may not be as creamy, but still delicious!)

[Homemade Ricotta Cheese](#) – use in your favorite Italian dishes in place of cottage cheese

[Mac and Cheese](#) – use whatever cheese you have in the fridge

[Hot Chocolate](#) – swap the white milk for chocolate milk

[Chocolate Waffles](#) – have for breakfast or dessert

Please pick up your food!

This past week we had over 990 meals that were ordered, prepared, delivered, bagged and set for pick up but were **not picked up**. The meals had to be sent back and broken-down costing time and labor, and some of the food was wasted. Next week we are going to make calls to those that did not pick-up food. If we go two weeks with no pick-up from you, you will be dropped from the standing order.

Pre-Order Distance learning Meals

For pick up every Wednesday
