

SCHOOL / COMMUNITY RELATIONS

Service Animals

The District will comply with all state and federal laws, regulations, and rules regarding the use of service animals by a staff member, student, or community member when the service animal is required because the individual has a disability, and the service animal is individually trained to do work or perform tasks for the benefit of that individual.

A service animal is any dog that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. Other species of animals, whether wild or domestic, trained or untrained, are not service animals for the purposes of this policy. The work or tasks performed by a service animal must be directly related to the individual's disability. The crime deterrent effects of an animal's presence and the provision of emotional support, well-being, comfort, or companionship do not constitute work or tasks for the purposes of this definition. The District may permit the use of a miniature horse by an individual with a disability under circumstances established by the Superintendent.

The Superintendent will establish procedures regarding the use of service animals by individuals with disabilities.
