Rental and Use of School Facilities Administrative Procedure

The Board of Trustees wishes to make District facilities available to responsible community organizations, associations, and individuals for appropriate civic, cultural, welfare, educational or recreational activities that do not interfere with the delivery of education and the best interests of the District. The Board is committed to ensuring fair and equitable access to all District facilities.

The Board of Trustees recognizes the investment that the community has made in District buildings and facilities and wishes for such buildings and facilities to be temporarily used under such provisions and control as the District may see necessary to impose. To the greatest extent possible, citizens of the community use District facilities, as long as the educational programs of the District are not hindered.

District facilities are not available for rent during District closed calendar days (See specific Official District Calendar for specific dates.). This includes all District observed holidays.

The administration shall be charged with the responsibility of coordinating and authorizing use of all grounds and facilities by groups other than those directly connected with the ~~School~~ District. The administration has developed the rules, regulations, and procedures for the use of facilities.

Priority for Use of District Facilities

The priority for the use of District facilities is as follows and is in priority order:

1. District Activities
2. Nonprofit youth activities
3. Other nonprofit and profit activities

In rare instances a scheduled non-District event or activity may be rescheduled due to an unforeseen conflict with a District event. The District will make every effort to provide as much advance notice as possible to the Facility Use Contract holder.

Submitting Requests

All facility use requests must be initiated through the Helena Public Schools facilities rental website. Requests must be submitted at least ten (10) business days prior to the activity start date. Requests will be approved by the building principal and forwarded to the Maintenance Department for approval. The District Business Office will be responsible for developing all contracts which will outline all requirements and associated fees for the use of school-owned facilities.

The certificate of insurance listing Helena School District #1 as an additional insured and the IRS determination letter should be attached to the Facility Use Request when submitted online.

The maximum length of a facility rental request is 90 calendar days. After 90 calendar days a request for a facility may be resubmitted if the facility is available. A separate facility request form must be submitted for each facility.

Any questions regarding facility rental charges or the tier designation that a group has received may be directed to the District Facilities Coordinator at 406.324.2021.
