I. CALL TO ORDER

No changes were requested to the Executive Committee Meeting Agenda.

III. GENERAL PUBLIC COMMENT

No public comment was offered.

IV. REVIEW OF MINUTES

Minutes from the 10.12.21 Executive Committee meeting were reviewed and approved.

V. REVIEW OF THE 11.09.21 BOARD MEETING AGENDA

The committee reviewed the agenda for the 11.09.21 full board meeting. Board Chair Luke Muszkiewicz commented. The meeting will be held in the Capital High Auditorium and will begin at 5:30 p.m. Staff and members of the public are welcome to attend in person or online via TEAMS. The log in information for the TEAMS meeting is on the agenda itself and is also accessible on our website. Trustee John McEwen will not be attending tonight. We will be recognizing 22 students that represented Capital and Helena High at the All-State Music Festival in band, choir, and orchestra. We have worked with Mr. Zach Harris, the Director of those programs, to set up the recognition for tonight. The students will be attending in person if they are able. Some of the students who are not able to attend in person have provided a video recording that will be played at the board meeting tonight. The students that are attending in person can walk up to the podium and introduce themselves and what instrument they play.

Mr. Muszkiewicz commented. We will then move on to the Superintendent's Report, and after that general public comment. We may need to think about ways to make it more clear about the difference between general public comment and action item specific general public comment. We will then move on to new business. We have several items for information and the first will be a presentation on enrollment. Then we will move on to first readings for the following policies: 3050: Student Discipline, 7063: Indoor Air Quality, and 7064: Water Supply and Wastewater. After that I will consider a motion to approve the consent action items. In consultation with Rex, we decided to flip the order of these and do consent action items first before individual action items so that if Trustees want to pull any item from the consent action items we can do that and move it to individuals items for consent if necessary. We will then move on to individual items for action. We have six individual policies up for a second reading. We will also consider a bid to reroof Jefferson. Ms. Stacy Collette, Human Resources Administrator, commented. If there are any technical questions tonight about the bid to reroof Jefferson, Rob Brewer or myself will be available to answer those.

Mr. Muszkiewicz commented. We will then move on to our reports. Mr. McEwen John will not be present at the meeting tonight, so Mr. Beaver will be giving the Budget and Finance Committee Report. Ms. Collette will provide the Health Benefits Committee Report. Trustee Jennifer Walsh has served as our board representative on the Wellness Committee, and she has asked if she could start giving a monthly report. We look forward to Trustee Walsh giving that report tonight.

VI. BOARD COMMENTS

There were no further comments.

VII. ADJOURNMENT

The meeting was adjourned at 11:20 a.m.
