Medications

Helena School District requires written permission from a Health Care Provider and parent/guardian before prescription or over-the-counter medication can be given to students K-8 grades at school. For High School students written permission from a Health Care Provider and parent/guardian must be provided for administration of prescription medications only. School Nurses **do not** have over-the-counter medications (Tylenol, Ibuprofen, Tums) to give to students. An *Authorization for Medications to be Given at School* form is available from your School Nurse or from the Helena School District website https://helenaschools.org/departments/health-services/

imMTrax Consent Form for Children

Child's Name:_____ Sex: M____ F____ Date of Birth:_____

I authorize my health care provider and a public health agency to collect and enter my child's immunization records into the Department of Public Health and Human Services' Immunization Information System (IIS). The IIS is a confidential, computer system that contains immunization records. I understand that information in the registry may be released to a public health agency as well as my health care providers to assist in my child's medical care and treatment. In addition, information may be released to child care facilities and schools in which my child is enrolled to comply with state immunization requirements. I understand that I can revoke this authorization and have my record removed at any time by contacting my local health department.
