### III. REVIEW OF AGENDA

No changes were made to the agenda.

#### IV. APPROVAL OF MINUTES

The committee reviewed and approved the 11.05.21 Budget and Finance Committee Meeting Minutes.

## V. ITEMS FOR INFORMATION/DISCUSSION

## A. ESSER Funds Update

The committee discussed an update on ESSER funds. They reviewed the Helena Public Schools Coronavirus Relief Funding document which displayed funds and expenditures from the following categories: CARES-State Emergency Relief Fund (ESSER I), CARES-Governor's Coronavirus Relief Fund (CRF), CRRSA-State Emergency Relief Fund II (ESSER II), and ARP-State Emergency Relief Fund II (ESSER III).

Ms. Janelle Mickelson, Business Services Manager and District Clerk, commented that the end date of 12/30/2021 under the category of CARES-Governor's Coronavirus Relief Fund (CRF), should be 12/30/2020. Ms. Mickelson discussed that the District has exhausted all the CARES-State Emergency Relief Fund (ESSER I), and all the CARES- Governor's Coronavirus Relief Fund (CRF). The committee reviewed the document and discussed the various expenditures, and the amount of money that is remaining in CRRSA-State Emergency Relief Fund II (ESSER II), and ARP-State Emergency Relief Fund II (ESSER III).

The committee discussed how District COVID testing is funded. The COVID tests and some PPE are given to the District for free, and the District applies for DPHHS grants to pay for the personnel administrating the tests that are working above and beyond their contract hours. The committee also discussed the Lincoln remodel. The staff did not have room to socially distance at the May Butler Center and some employees needed to alternate working remotely due to the lack of space. Moving into Lincoln Center allowed the staff ample space to socially distance and brought everyone back into the work environment safely. The committee also discussed topics including teacher and nurse salaries and ESSER funds, intervention coaches, CSCT funding, the general fund, and the upcoming cliff.

#### **B.** Budget To Actual Reports

The committee moved on to review the Budget to Actual Reports. The committee first reviewed and discussed the financial report for the Elementary General Fund. Ms. Mickelson discussed educator salaries, substitute para salaries, and craft benefits. The committee then reviewed the financial report for the High School General Fund. The committee discussed the ESSER fund, technical salaries, sick leave, retirements, and budget transfers. They also reviewed the percentage budget amount that was left over in the High School General Fund and the Elementary General Fund. There is 7.2% left in the budget for the Elementary General Fund, and 16.8% left in the budget for the High School General Fund.

#### VI. BOARD COMMENT

In closing, the committee discussed the upcoming general fund levy, and discussed that the call for the election needs to go before the full Board. The committee also discussed that they are waiting on the Deferred Maintenance Report to see what the priorities are for the District. Superintendent Weltz said in closing how much he appreciates the committee.

#### VII. ADJOURNMENT

Mr. McEwen adjourned the meeting at 12:44 p.m.

# METHODOLOGY BEHIND RECAP

Methodology to calculate ANB:

- For FY 2022-23 through 2026-27, adjusted the District's internal enrollment projections as follows:
  - o Added 40 students to ninth grade each year
  - Subtracted 10 students from tenth grade and 40 from eleventh, and twelfth grades each year
- Adjusted internal enrollment projections for FY 2022-23 through 2026-27 as follows:
  - Calculated the average part-time percentage over 6 years (excluding FY 2020-21) and applied that percentage to the calculated head count.
- Calculated the percentage of shrinkage from fall to spring for the high school (2%) and applied that to the spring count and calculated the average adjusted enrollment.
- Converted enrollment counts to ANB.

Methodology to calculate budget authority limits:

- Obtained an updated general fund model from the OPI.
- Input internal ANB projections for FY 2022-23 through 2026-27 into the model and deleted the OPI growth rate factor on ANB for those years.

Methodology to calculate expenditure budgets:

- Salaries
  - Teachers:
    - Calculated the salary increases under the following assumptions:
      - Assumed all employees step with the exception of those in "ghost" steps.
      - Anticipated 20% lane movement for FY 2022-23 & FY 2023-24.
      - Anticipate 15% lane movement for FY 2024-2025 through FY 2026-27.
      - Retirements and/or replacements were not considered.
    - Subtracted out salaries paid out of other funds (approximately 9.75% in elementary and 3.84% in the high school).
  - Administrators: Increased salaries 1% for steps each year.
  - Independents, custodians, and secretaries: Increased salaries 2.5% for steps each year.
  - Para Educators:
    - Increased salaries 2.5% for steps each year.
    - Reduced/increased salaries by the estimated amount to be paid out of the tuition fund.
  - OT, Sabbatical, Activity/Athletic/Duty Stipends: Increased by 1% each year.
  - Projected a 4% increase for health benefits
- Projected termination payouts as constant.

- Projected worker's compensation as constant.
- Based on historical data, projected a 4.5% increase in O & M.
- Projected a 6% increase in the liability insurance, which is the average increase over 10 years. Large increases tend to occur every 4-5 years. We experienced a large increase in FY 2020-21 so a large increase is not anticipated in the ensuing year.
- Curriculum and Technology are estimated needs. Obviously the interlocal will need to cover most purchases until the general fund budget is balanced.
- Superintendent contingency is 1% of budget. May not be possible to include in the budget in some years.
- The assistant superintend contingency is primarily for unforeseen additional staffing needs primarily in special education. It also may not be possible to include in the budget in some years.
- Maintained the current 65/35% split for elementary and high school. Based on current ANB the split is 66/34%.
