V. NEW BUSINESS

The Board of Trustees and Superintendent Wertz reviewed a short presentation given by Principal Steve Thennis. Principal Thennis began by discussing the rebranding of the Bengals logo. Principal Thennis reviewed Helena High School demographics with the Board of Trustees and Superintendent Wertz.

Staff Demographics

- 80 Teaching Staff
- 8 Para Educators
- 8 Secretaries
- 3 other support staff
- 3 administrators

Student Demographics

- Enrollment = 1013
- 17% Minority
- 15% Special Education

Principal Thennis mentioned that they have collapsed courses at Helena High School that students are no longer interested in. Principal Thennis and his staff will discuss those courses again next year and see what the student and teacher interest in the courses are and what enrollment numbers are to determine if those courses will be brought back.

Principal Thennis moved on to discuss the following student-level goals:

- Our 9th grade cohort will have a 10% increase in overall Tier 1 (green) and a 5% decrease in Tier 3 (red) on the iReady.
- 10% (16 students) of our 10th grade cohort will increase their scale score by 10 points or more on the iReady.
- Our 11th grade cohort will increase their math proficiency from 37% to 40% and their reading proficiency from 56% to 60% on the ACT.

Principal Thennis discussed the rigorous COGNIA accreditation process. After the accreditation process, COGNIA provided recommendations for Helena High School. Mr. Thennis shared the recommendations with the group:

- Focus on a sustainable, cohesive curriculum in all courses and all departments at Helena High.
- Focus on systems of data collection and analysis to better investigate program effectiveness.
- Increase integration of digital resources into the teaching, learning, and operations of Helena High School.

Principal Steve Thennis concluded his presentation by showing the Dream Words for this year at Helena High School. The Dream Words were provided by staff members and represent their best hopes of what words students would say about Helena High School by the end of the school year. Some of the words were community, cohesiveness, inspiring, caring, happy, team, supportive, exciting, unity, positivity, and communication. Principal Thennis mentioned that the most important part of building culture at Helena High School is greeting students when they come through the door by their name and building and saving relationships.

Principal Thennis proceeded to answer any questions the Trustees had about Helena High School or his presentation. The group dived deeper into the COGNIA accreditation process, discussed the amazing school spirit being shown at both high schools, and discussed dropped courses and how the two high schools coordinate in offering courses to students. The Trustees expressed their appreciation to Principal Steve Thennis, Assistant Principal Willie Schlepp, Assistant Principal Julie TeNyenhuis and the Helena High staff members and students.
