## I. CALL TO ORDER

Committee Chair, Janet Armstrong, called the meeting to order at 12:00 p.m.

## II. GENERAL PUBLIC COMMENT

There was no general public comment.

## III. REVIEW OF AGENDA

No changes were made to the agenda.

## IV. APPROVAL OF MINUTES

The committee reviewed and approved the 11.08.22 Budget and Finance Committee Meeting Minutes.

## V. ITEMS FOR INFORMATION/DISCUSSION

## A. Budget to Actual Reports

Mrs. Janelle Mickelson, Business Manager and District Clerk for Helena Public Schools, reviewed the budget to actual reports for the elementary general fund and high school general fund with the committee. Mrs. Mickelson mentioned that she is watching the utility budget closely-electricity in particular. The committee moved on to discuss any known future impacts to the budget.
B. Any Known Future Impacts to the Budget

The committee discussed any known future impacts to the budget. The committee discussed that NorthWestern Energy may add another increase to electricity costs and there may be an increase in gas costs through Commercial Energy after June of 2023. Mrs. Mickelson mentioned that salaries will impact the budget and the supply chain may have an affect on supplies, technology, and maintenance.

## C. HS ANB Numbers Update

Mr. Josh McKay, Assistant Superintendent 6-12, discussed that there were no major changes to the HS ANB numbers and the next count will take place in February 2023.

## D. Spring Levies Discussion

The committee discussed the spring levies. Mrs. Mickelson mentioned that during the last spring levy discussion we were not looking at a high school general fund levy because based on the numbers we could not run one. However, we do not know
what the legislature is going to do so Mrs. Mickelson recommended it may be best to call for the high school general fund levy just in case, and we could cancel it if it was not needed.

## VI. BOARD COMMENT

Mrs. Armstrong concluded by mentioning at future meetings the budget committee would be discussing budget proposals for 2023-2024, long term budget proposals, ways to reduce expenses, and reviewing the five-year forecast in January or February of 2023.

## VII. ADJOURNMENT

Ms. Armstrong adjourned the meeting at 12:17 p.m.

## METHODOLOGY BEHIND RECAP

Methodology to calculate ANB:

- For FY 2023-24 through 2027-28, adjusted the District's internal enrollment projections as follows:
o Added 40 students to ninth grade each year
o Subtracted 10 students from the tenth and eleventh grades and 20 from the twelfth grade each year to account for class shrinkage.
- Adjusted internal enrollment projections for FY 2023-24 through 2027-28 as follows:
o Calculated the average part-time percentage over 6 years (excluding FY 2020-21 and FY 2021-22) and applied that percentage to the calculated head count.
- Calculated the percentage of shrinkage from fall to spring for the high school (2\%) and applied that to the spring count and calculated the average adjusted enrollment.
- Converted enrollment counts to ANB.

Methodology to calculate budget authority limits:

- Obtained an updated general fund model from the OPI.
- Input internal ANB projections for FY 2023-24 through 2027-28 into the model and deleted the OPI growth rate factor on ANB for those years.

Methodology to calculate expenditure budgets:

- Salaries
o Teachers:
- Calculated the salary increases under the following assumptions:
- Assumed all employees step with the exception of those in "ghost" steps.
- Assumed FY 2022-23 retiree replacements would be placed at BA, step 6.
- Retirements and/or replacements beyond FY 2022-23 were not considered.
- Anticipated $2 \%$ lane movement.
- Subtracted out salaries paid out of other funds (approximately $10 \%$ in elementary and $4 \%$ in the high school).
- Added in Montessori stipends $(\$ 12,000)$.
- Moved a portion of nurses' and counselors' salaries from the general funds to the building reserve funds, approximately $\$ 600,000$ in the elementary and approximately $\$ 300,000$ in the high school.
o Administrators:
- No salary increases.
- Moved an additional $5 \%$ of elementary and middle school principal's salaries to transportation ( $10 \%$ of salary to be paid out of the transportation fund).
- Moved 10\% of Chief of Staff's salary to transportation.
