Helena School District No. 1

Administrative Regulations Regarding Alcohol, Tobacco and Other Drug Use by Students in Extra/Co- Curricular Activities

Students participating in school sponsored activities assume a responsibility to fellow students, the district, and the community to be law-abiding citizens.

The administration shall place limits, up to and including restricting a student from participating in school sponsored activities or being awarded school honors, if a student is found by school officials to have violated Board Policy or committed an act prohibited by state or federal law.

An appeal process will be available to all students under the District's "Uniform Complaint Policy". (Board Policy 4.20)

Helena School District No. 1 recognizes the use of alcohol, tobacco, other drugs and drug paraphernalia as a significant health problem for many adolescents, resulting in negative effects on behavior, learning and the total development of each individual. Coaches and advisors of activities have a unique opportunity to observe, confront and assist young people. Helena School District No. 1 will make available at parent's expense education and awareness training in chemical and tobacco use issues for students who are in violation of its chemical and tobacco use regulations. The importance of the parent/guardian as the primary role model in the education and guidance of their children concerning alcohol, tobacco and other drugs is recognized and emphasized by Helena School District personnel.

In addition, schools are an integral part of the community and must confirm and support existing state and local laws which prohibit the use of alcohol, tobacco, other drugs and drug paraphernalia by youth. Federal law requires schools to have consistent alcohol, tobacco and other drug policies that give a strong no-use message to all youth.

Students who participate in extra/co-curricular activities must be willing to make the commitment to adhere to the regulations that govern these activities.

Therefore, middle school and high school students who participate in District extra/co-curricular activities are subject to all District no-use regulations, conditions and consequences.

Regulations - During the school year and the season of practice, play or rehearsal a student shall not:

(1) Use, possess, buy, sell, or distribute alcohol, tobacco, unlawful drugs, controlled substances, hallucinogens, inhalants or drug paraphernalia. (It is not a violation for a student to be in possession of a legally defined drug specifically prescribed for the student's own use by his/her doctor that is being used in the prescribed manner).

(2) Students participating in school sponsored activities assume a responsibility to fellow students, the district, and the community to be law-abiding citizens.

The administration shall place limits, up to and including restricting a student from participating in school sponsored activities or being awarded school honors, if a student is found by school officials to have violated Board Policy or committed an act prohibited by state or federal law.

An appeal process will be available to all students under the District's "Uniform Complaint Policy". (Board Policy 4.20)

Duration - Except where otherwise stated, these regulations are in effect from the date of the first practice for fall activities, through the academic school year and include any school sponsored activity that extends beyond the academic

school year. Violations will be cumulative from the first day of the activity involvement throughout the student's participation as a freshman, sophomore, junior and senior until graduation from Helena School District No.1. A student's suspension from an extra curricular activity may also adversely affect other areas upon return. Upon return from any suspension, the coach or sponsor will determine varsity letter, playing time, starting position, performance role; and offices held in groups.

All unserved suspensions occurring at the end of the school year will be served the following school year commencing on the first day of the MHSAA fall season.

Disciplinary Procedures: Investigation and Appeal
