Dear families and the
Helena Community,

Today marks 25 years since the tragic
events of September 11, 2001.

it remains as vital as ever that we honor and remember the innocent lives lost and the extraordinary bravery of the first responders who ran toward danger without hesitation. In our schools, incorporating this solemn day into our history curriculum is essential. It ensures that our students—none of whom were alive in 2001—understand not only the history of our nation, but also the values of unity, resilience, and service that emerged in its wake.

I'd also like to take a moment to recognize Labor Day, in which our District was closed for on Monday, and extend our sincere gratitude to all of our district staff and Helena community laborers. The hard work you put in every single day keeps our operations running smoothly. Thank you for all that you do for Helena.

As we head into the weekend, I encourage everyone to take a beat and slow down. We have a busy couple of weeks ahead, so please take this time to rest and recharge with family and friends.

Respectfully,

Rex M. Wertz, Superintendent
Helena Public Schools

IRONHORSE YOUTH MUSIC 2026-2027

The Ironhorse Consortium for Young Musicians exists to inspire, educate, and connect people through music. All ensembles (along with our other existing programs) introduce classical and contemporary music literature to student musicians of all ages and provide a strong foundation of rehearsal and performance techniques. Through repertoire and other educational opportunities, Ironhorse brings students and audiences a community connection to other cultures and social issues facing our society.

Staff are excited to return to ensemble rehearsal, lessons, and other academic opportunities this season; we hope everyone will join us for these exciting learning opportunities!
